[1] Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.
While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (October 2026) and applicable for vehicles manufactured from November 2026, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. Smartphone integration may from time to time experience interruptions due to necessary ongoing technical developments. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding.
