● = Standard | † = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown, including LCT | — = Not available | NCO = No cost option

Figures are calculated on the basis of 20 inch wheels.

Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

◊ The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

† Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

° When fitted with Audi Genuine Tow Bar. Towing capacities are applicable to Audi Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Audi does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

° When fitted with Audi Genuine Tow Bar. Towing capacities are applicable to Audi Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Audi does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

◊ The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

‡ The content and scope of the Audi connect *plus* services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect *plus* services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Leather appointed seat upholstery has a combination of genuine and artificial leather, but are not wholly leather.

4 Audi connect *plus* Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect *plus* services are valid for 3 years after vehicle delivery. Emergency call and Automatic service reminder are valid for 10 years after vehicle delivery. If Audi connect *plus* services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

5 Audi connect *plus* Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are provided subject to the mobile phone network coverage and frequency, which can vary from at least 1 year and up to 10 years from vehicle delivery.

6 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

7 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

8 Digital radio reception coverage dependent on vehicle location.

Vehicle pictured is an overseas Q5 SUV e-hybrid quattro 270 kW model with optional equipment.
