2008

RANGE

THE COMPACT SUV

FUTURE FOCUSED

The new, second generation PEUGEOT 2008 SUV takes one of our top selling SUVs and makes it even better. With bold new design cues, sporty style and premium appeal, the allure of the refined PEUGEOT 2008 is now enhanced by empowering owners with more choice.

Choose the 2008 Allure or GT with a dynamic PureTech Petrol engine, or embrace all-new 100% electric performance of the e-2008 SUV variant. Riding on PEUGEOT's progressive new e-CMP modular multi-energy platform, the e-2008 GT offers a compelling drive.

From its fluid and feline exterior lines, to the bold rear design, PEUGEOT 2008 has evolved its contemporary signature styling - creating an iconic statement and hinting at the SUV's fun, agile performance behind the wheel.

DESIGN & TECHNOLOGY

PEUGEOT i-Cockpit™

The driver's focus can stay on the road thanks to the customisable, 12.3" head-up digital instrument display.

This configurable digital instrument panel presents driving information relevant for your journey, while the PEUGEOT e-2008 also displays information such as electric driving range and battery charge details.

CONNECTIVITY

Experience seamless connectivity with PEUGEOT Connect. Connect your mobile phone through Apple CarPlay® or Android Auto™¹ and enjoy the convenience of voice recognition.

HD TOUCHSCREENS

Now more intuitive than ever, a 7" High Definition touchscreen is available on 2008 Allure & GT variants, while the 10" version is standard on the e-2008 GT.

The screen enables quicker and more accurate access to systems by incorporating piano keys mapped to key vehicle functions.

1. Compatible Apple® or Android™ device required.

CHOOSE INTERNAL COMBUSTION ENGINE OR 100% ELECTRIC SUV

E-EFFICIENT AUTOMATIC

The 2008 Allure & GT variants boast a dynamic performance and feature a powerful and efficient 1.2L 96kW paired with a smooth automatic transmission¹.

While harnessing next-generation technology is PEUGEOT Australia's first 100% electric SUV, the ground-breaking PEUGEOT e-2008.

100% ELECTRIC SUV

Quiet and efficient, PEUGEOT e-2008 is powered by a rapid charger compatible 50kWh battery, delivering 100kW or power and 260Nm of Torque.

Customise your driving experience by choosing Sport mode for a performance with a thrilling power boost. Or select Eco mode to conserve power for increased efficiency and range.

LITHIUM-ION BATTERY

The 300V high-voltage Lithium-ion battery is conveniently located under the rear seats to preserve cabin and cargo space.

The battery comes with an 8-year or 160,000 km warranty.¹

1. Whichever occurs sooner, from vehicle's warranty start date.

CHARGING YOUR PEUGEOT ELECTRIC VEHICLE

Whether home charging or public charging, your PEUGEOT plug-in hybrid is designed to make life easy and to keep you mobile wherever you are.

PRIVATE CHARGING

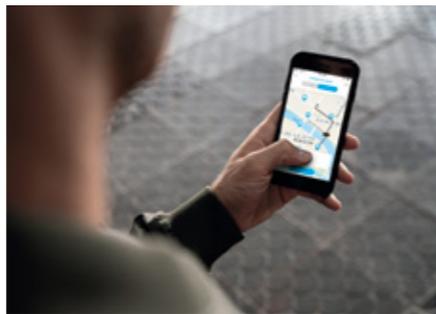

A Wallbox is PEUGEOT'S recommendation for optimum charging at home.

This method will efficiently charge your vehicle in just a few hours.

PUBLIC CHARGING

Utilising the expanding network of public infrastructure is an easy way to top-up range on the go, with many easy to use apps available for you on your smart phone.

MYPEUGEOT APP

Use the MyPeugeot app to access your owner's handbook online, check servicing & maintenance schedules, as well as fuel tank levels and odometer readings.

It's also perfect for trip planning - sending that information to your car's built-in navigation - or checking where you parked.

DRIVING RANGE

Enjoy travelling both short and long distances in the 100% electric PEUGEOT e-208 with a WLTP test range of 328km¹.

Tips to help optimise the driving range of your PEUGEOT:

THE POWER INDICATOR

Monitor energy consumption in real time, using the indicator on your dashboard, for efficient management of your vehicle's driving range.

REGENERATIVE BRAKING

When you release the accelerator the electric motor act as a generator, slowing the vehicle and recharging the battery.

1. Figure based on WLTP (Worldwide Harmonised Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world range results will vary depending on a combination of factors including but not limited to load, driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

*Alcantara® & leather effect trim with copper top stitch¹ available on GT & e-2008 GT.

TOP TO BOTTOM COMFORT

From the panoramic sunroof which is standard on the e-2008 GT (optional on the 2008 GT), to the generous interior space and premium upholstery and trim, the PEUGEOT 2008 delivers a luxurious ride.

Sink into the comfort seats with 'Traxx' fabric with leather effect trim¹ and light blue top stitching on the Allure or Alcantara® with leather effect trim¹ with copper top stitch on the GT and e-2008 GT.

The sound insulated cabin features carbon effect interior trim, while the spacious boot capacity can be extended via the rear split-fold bench seat.

1. Leather appointed seats are a combination of genuine leather & synthetic materials for durability and are not wholly leather.

'Traxx' fabric with leather effect trim¹ available on Allure variant.

Panoramic sunroof available on e-2008 GT & optional on GT. *Overseas model shown

SAFETY

SAFETY TECHNOLOGY

PEUGEOT 2008 features a range of next-generation technology and driver assist features to enhance your safety, support your manoeuvres and help you better anticipate your surroundings. From Distance Alert System, to Lane Departure Warning with unmarked road edge detection and Autonomous Emergency Braking.

LEAN, AERODYNAMIC DESIGN

PEUGEOT 2008 SUVs impress with their fluid feline lines, imposing horizontal bonnet, imposing horizontal grille, wide chrome-finished grille.

The 3-claw light signature and LED 'fang' design daytime running lights provide superior visibility so you'll see - and be seen - even better.

STRIKING ROAD PRESENCE

The PEUGEOT 2008's sporty style extends to the rear design with a glossy black cross strip, enhanced by a dynamic spoiler and the unique triple claw LED lights for day and night-time vehicle visibility.
