## athletic lines

**With its sculpted sides, muscular shoulders and wide grille, Renault Captur asserts its self as a vibrant, athletic SUV.**

**With a motorsport-inspired blade, special badges in the front bumper and up to 18" alloy wheels, Renault Captur boasts a sporty silhouette.**

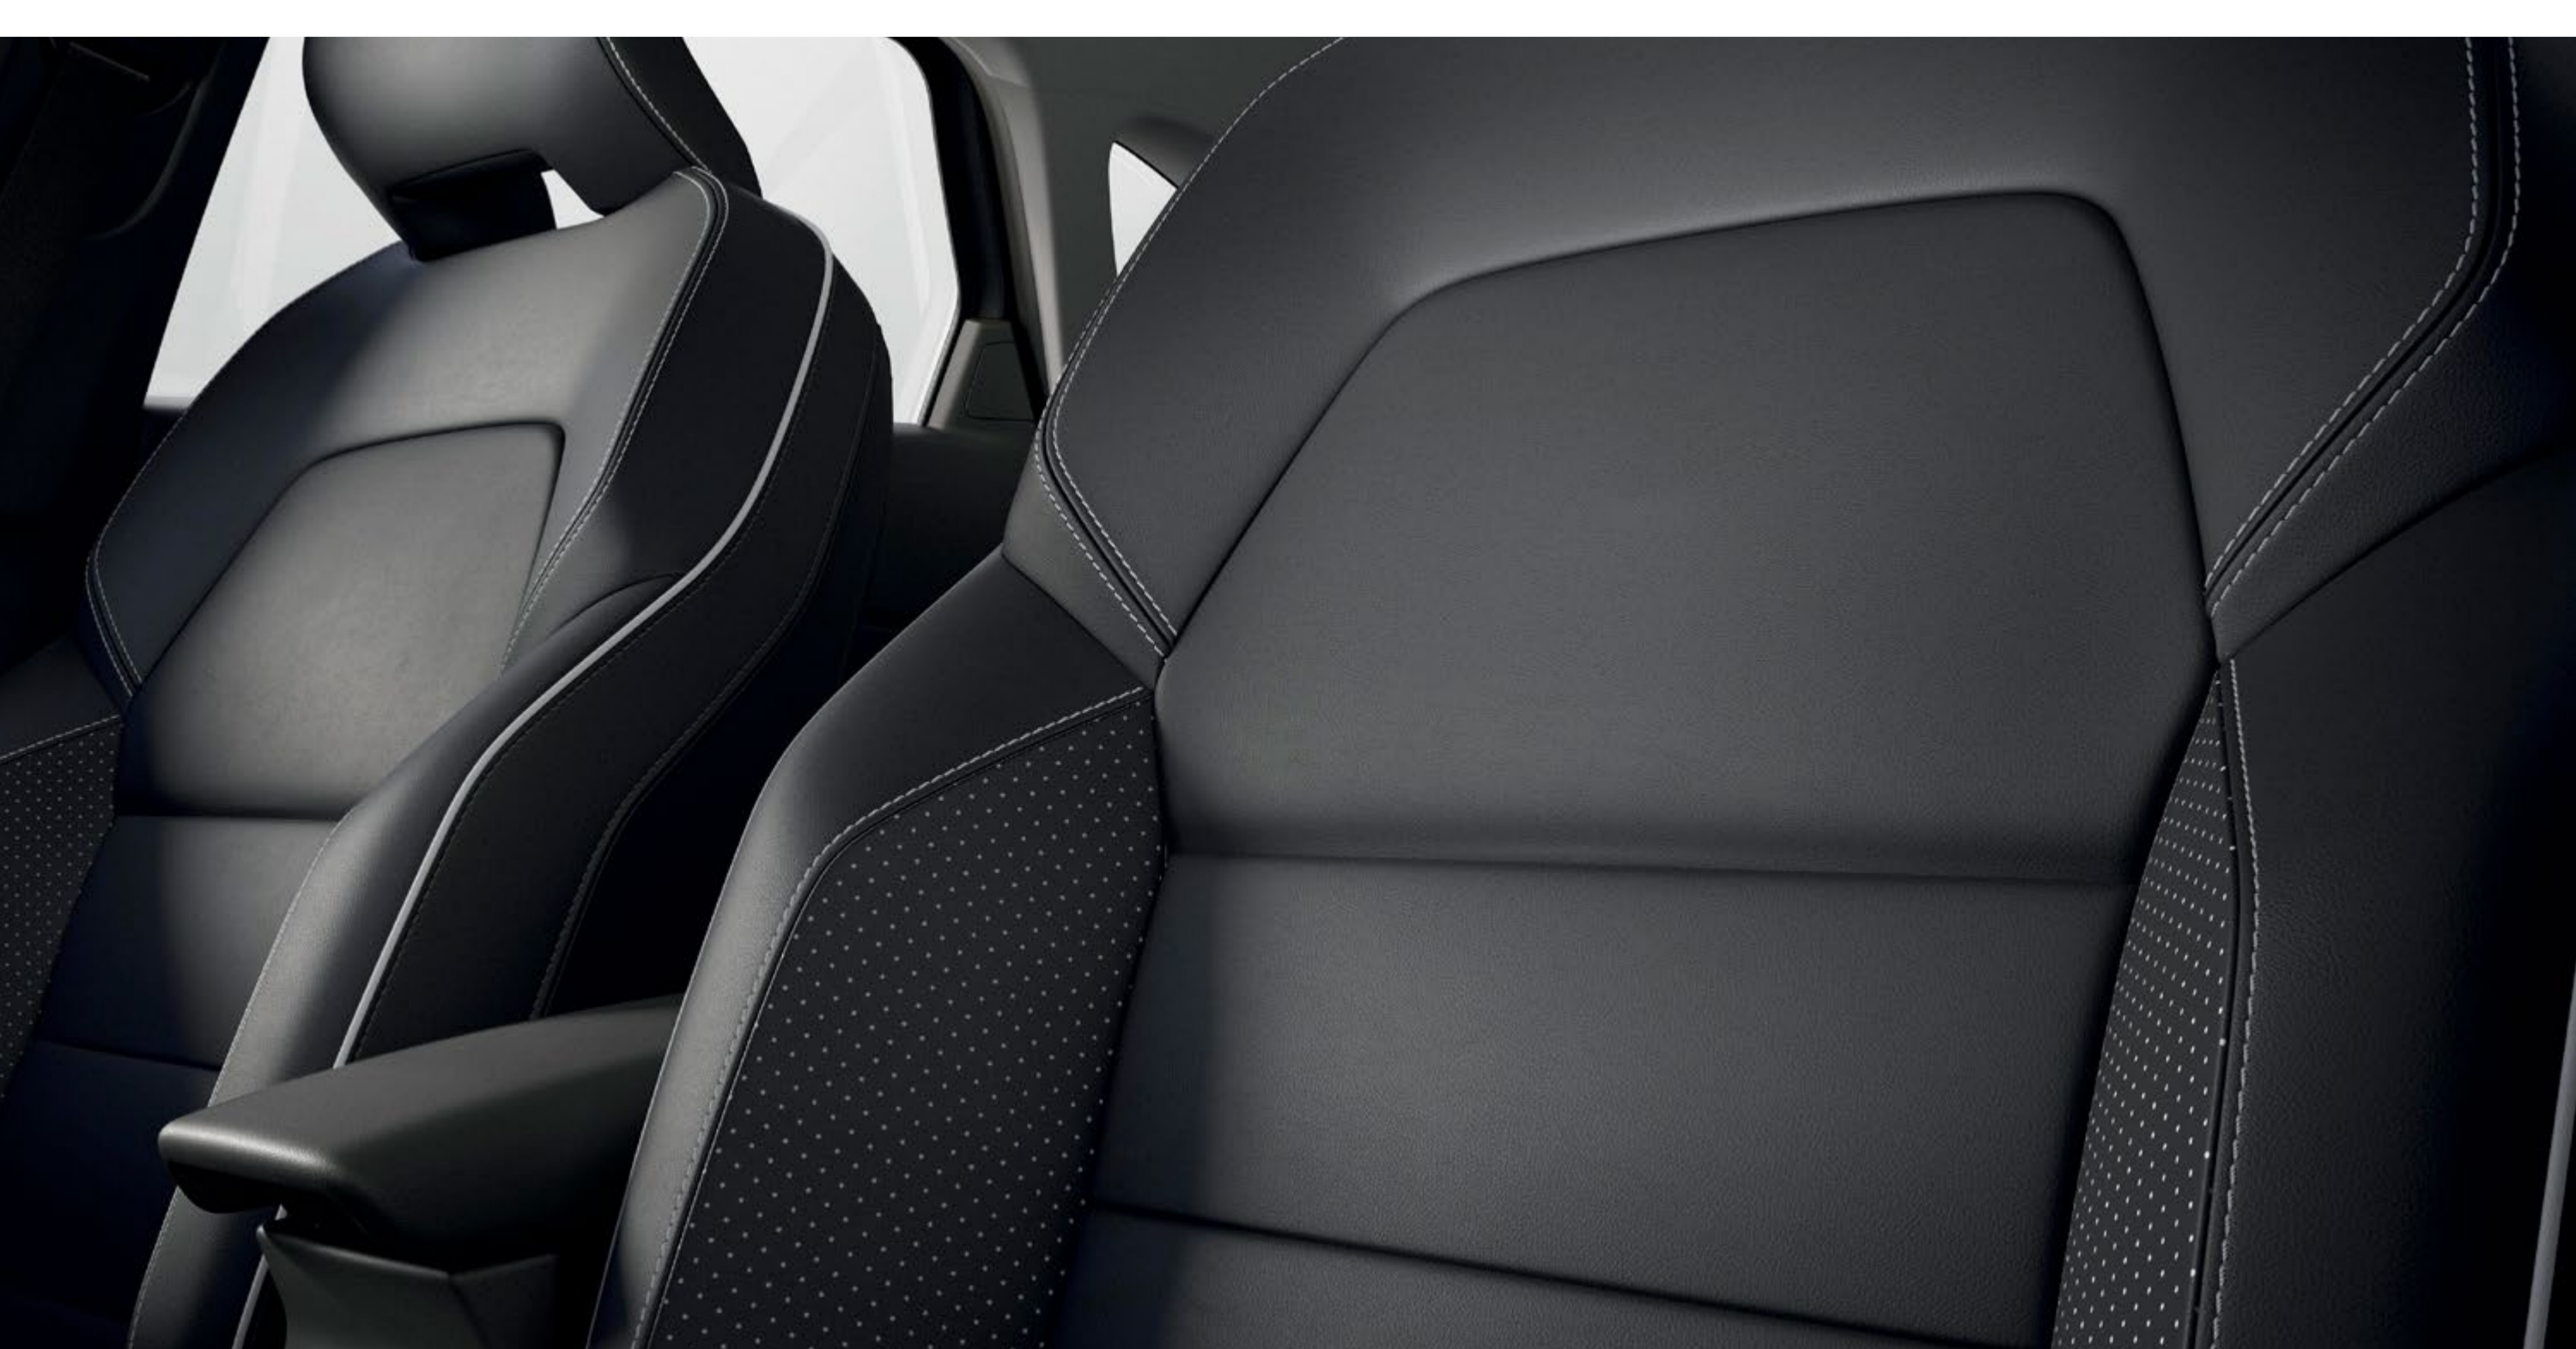

**At the front and at the rear, Captur leaves an impression thanks to its C-Shape LED lighting signature.**

**Inside, the leather<sup>^</sup> upholstered wraparound front seats keep you comfortable in style with light grey contrast stitching and perforated bolsters.**

<sup>^</sup> standard on Intens.

## 02. driving pleasure

# **tailor-made sensations**

**Available with a turbocharged 1.3 litre engine, Renault Captur offers an exciting drive.**

**With 113kW of power and 270Nm of torque, this engine will ignite your senses.**

**The 7-speed dual clutch transmission allows smooth gear changes, or you can take control with the steering wheel-mounted paddle shifters.**

## 05. advanced driver assistance systems

# advanced driver assistance systems

Renault Captur is equipped with a suite of innovative advanced driver assistance systems. These contributed to Captur being awarded the maximum 5-star ANCAP safety rating.

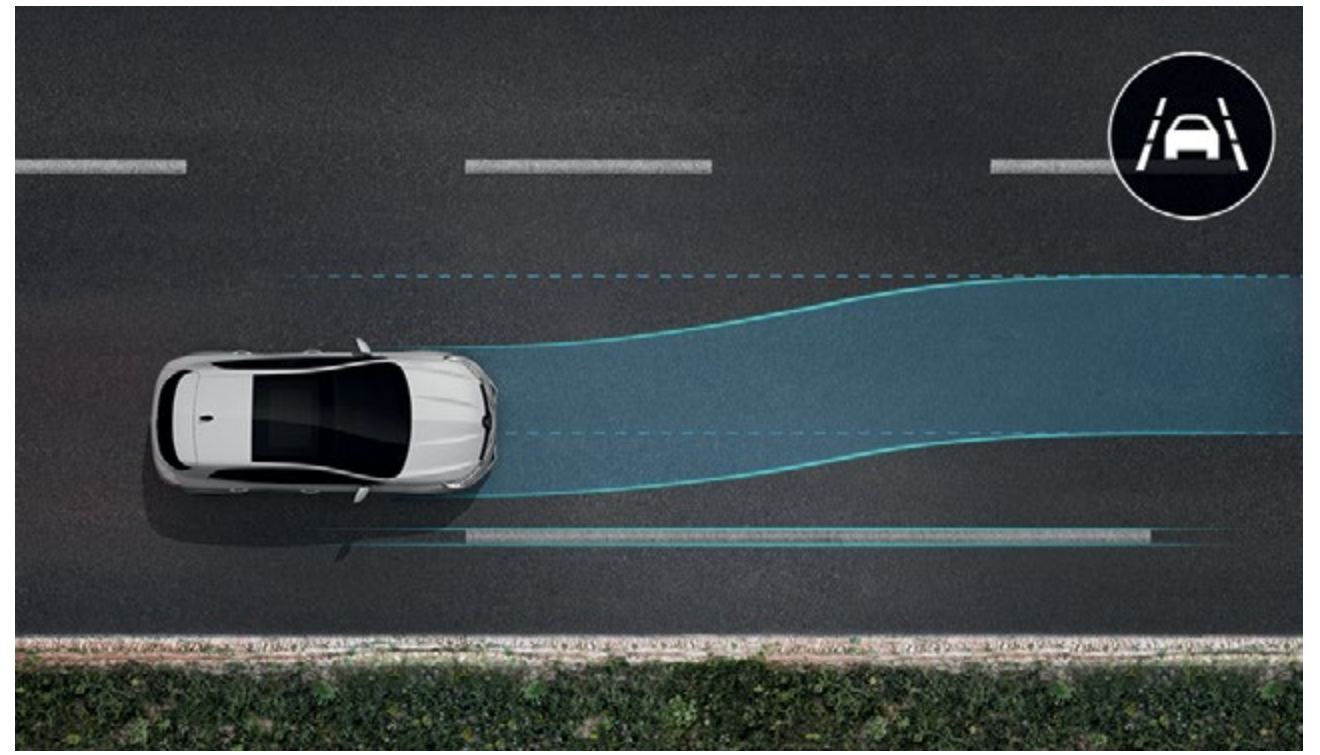

**adaptive cruise control with stop & go<sup>#</sup>**  
Captur maintains a safe following distance from the vehicle in front. In heavy traffic, the vehicle comes to a complete stop and accelerates when the vehicle in front starts moving again.

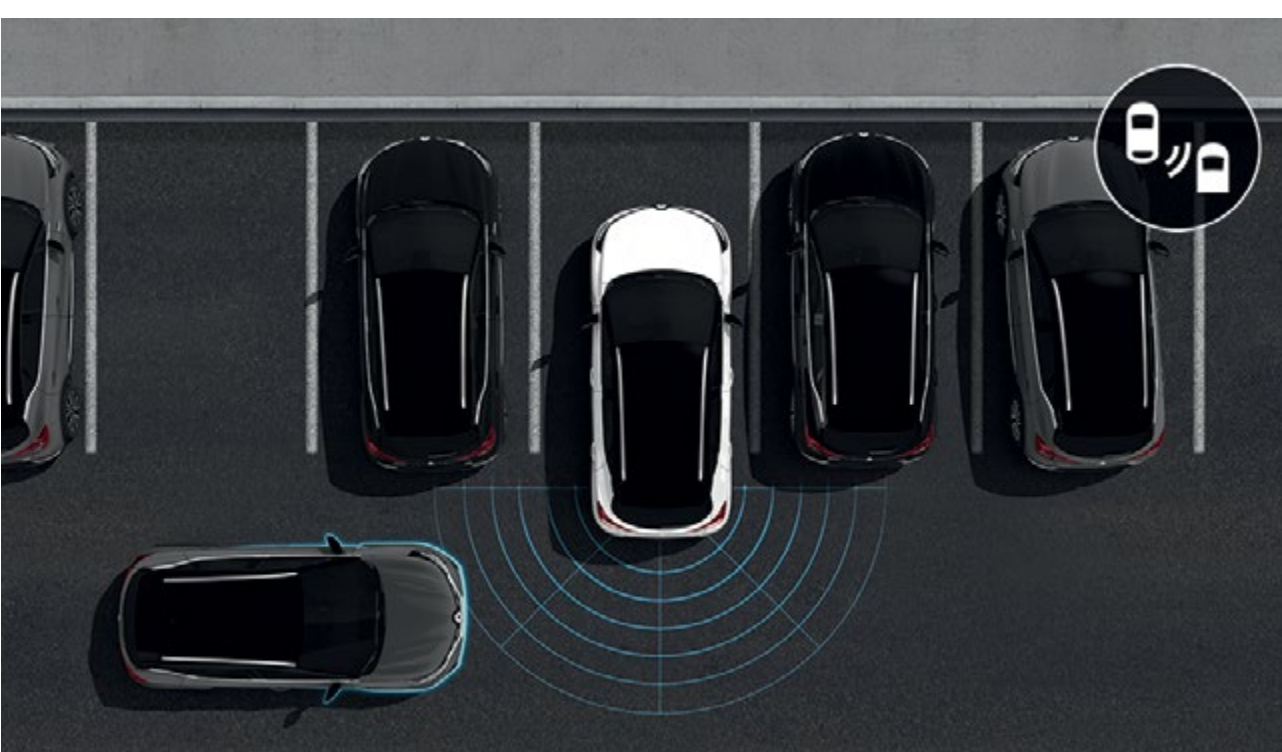

**active emergency braking system**  
Captur watches over you and your surroundings. If a vehicle brakes suddenly, or a pedestrian walks in front of your vehicle, this system warns you and will automatically perform emergency braking if you do not.

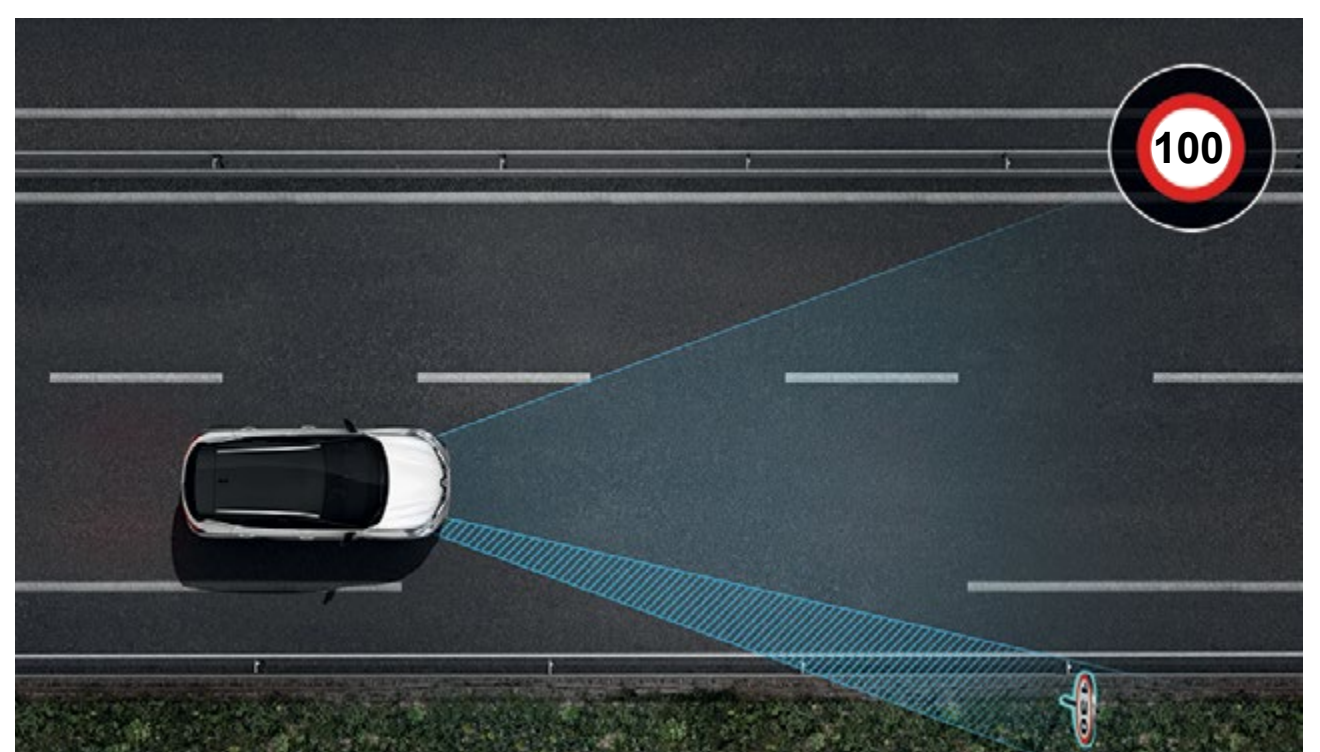

**360-degree camera<sup>^</sup> and easy park assist<sup>\*</sup>**  
With its panoramic view, the 360-degree camera guides you into the tightest parking spots. The system takes control of the steering wheel to park your car for you if you want it to.

**lane keep assist**  
Active between 70 km/h and 160 km/h, this system alerts you and corrects your trajectory in the event of lane departure without prior use of the indicator. Lane centering<sup>^</sup> helps keep you in the middle of your lane.

**rear cross traffic alert<sup>\*</sup>**  
This system tells the driver when a vehicle is approaching as they are reversing out of a parking space.

**traffic sign recognition**  
Captur informs you of the speed limit by recognising signs as you drive past them.

## 06. customisation

# accessories

### Easy Flex boot protection.

Anti-slip and water-resistant, it folds and unfolds easily and adapts to the position of the rear seats. Once unfolded, it covers the entire loading area and protects the boot sill.

### QuickFix roofbars.

Low profile, neat finish, easy to install. These roof bars are the perfect addition to your Captur when extra storage space is needed.

### side step kit.

Gain easier access to your vehicle, and anything you store on its roof. Not only are these side steps practical, but they enhance your vehicle's overall design.

### premium textile floor mats.

Made from high quality textile and premium finishes, they are synonymous with durable refinement built to last.

### boot liner.

Sand, water, dirt, mud, Renault rubber car boot liners are tailored to fit your boot. With a deep textured surface designed to contain spills, mud, snow, dirt and more, your boot will stay clean no matter what you use it for.

# Renault at your side

**When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.**

## **Comprehensive Warranty**

Renault has been building motor vehicles for more than 125 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

## **24/7 Roadside Assistance**

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 5 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Available 365 days a year, all across Australia.

## **Capped Price Servicing**

You'll enjoy the benefits of lower maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first) – not every six months like some manufacturers.

## **Genuine Renault Parts**

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.
