

NEW
**RENAULT
ARKANA**

like no other

New Renault Arkana is a design sensation like no other. With a sloping coupé roof line, muscular shoulders, and an elevated SUV stance, new Arkana doesn't compromise on style.

Let yourself be captivated by this new approach to the SUV.

sportiness embodied

With a completely restyled grille that incorporates the new Renault emblem, the front end boasts power and elegance. At the rear, the twin black exhaust tips* emphasise its dynamic character.

The new glossy black chrome-finish grille with unstructured diamonds creates a unique personality.

With a motorsport inspired aerodynamic blade in gun metal grey*, glossy black detailing and 19" 'elixir' two-tone alloy wheels*, emotion is ever-present.

blacked out ARKANA nameplate* & translucent smoky tail lights

esprit Alpine badge in wing decoration*

19" 'elixir' two-tone alloy wheels*

The esprit Alpine interior has an elegant and sporty atmosphere thanks to premium upholstery enhanced with blue top-stitching. The steering wheel features French 'tricolore' blue, white and red stitching. The "arrowed A" embellishes the front seats.

suede-style & leatherette upholstery with blue contrast stitching*

stay connected

At the heart of the cabin, find a floating-style 9.3" vertical touch screen on the central console. Functioning as an on-board computer, the easy link system gives you access to satellite navigation and allows you to control all functions, such as driving aids and multi-sense technology.

immersive pleasure

New Arkana offers a truly sensuous interior. The mixed suede-style and leatherette upholstery* with contrast stitching and heated* steering wheel provide a luxurious drive.

The esprit Alpine version exudes sportiness with its dark slate-look trim and Alpine blue highlights throughout the cabin.

Multi-sense technology bathes the cabin in any of the 8 ambient lighting colour options you choose, and the sunroof[^] adds plenty of natural light.

The Bose[®] premium sound system* offers a high-quality listening experience. With 8 speakers and a subwoofer, you can be truly immersed in your playlist.

generous interior space

With a capacity of 485 litres, new Arkana boasts an expansive boot volume. The split-level floor gives you the best of both worlds, it can be placed in the low position to maximise loading capacity, or in the high position to provide a fully flat floor.

The rear bench seat offers generous leg and knee room and can be folded down in 2/3-1/3 configurations. The practicality does not end here, though, with plenty of clever storage spaces throughout the cabin this SUV coupé is extremely easy to live with.

advanced driver assistance systems

New Renault Arkana is equipped with a suite of advanced driver assistance systems, contributing to new Arkana being awarded the maximum 5-star ANCAP safety rating.

traffic sign recognition
This system recognises speed signs and tells you the speed limit via the instrument cluster. The icon will flash as a warning if the speed limit is exceeded.

adaptive cruise control
This system maintains a safe following distance from the vehicle in front. In heavy traffic, your vehicle comes to a complete stop and accelerates when the vehicle in front starts moving again.

lane keep assist and lane centering
When activated[^], this applies a correction in the steering wheel to bring your vehicle back into its lane if you cross a continuous or broken line without using your indicator.

active emergency braking system
This detects obstacles such as vehicles, pedestrians or cyclists in front of your vehicle, warns you and will automatically perform emergency braking if you do not.

360-degree camera
Full visibility of your surroundings when parking or maneuvering in tight spaces with a birds-eye view of your vehicle, generated using its 4 on-board cameras.

easy park assist
Parking has never been easier. This system perfectly steers your vehicle into a nominated parking space while you select the gears and control the accelerator and brake pedals.

[^]lane keep assist can be activated from 70km/h to 160km/h, lane centering can be activated if adaptive cruise control is engaged.

Renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building motor vehicles for more than 125 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for 5 years, regardless of how many kilometres you travel. Available 365 days a year.

Capped Price Servicing

You'll enjoy the benefits of low maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first) – not every six months like some manufacturers.

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.
