WHEN SERVICING WITH NISSAN*

X-TRAIL Defy Ordinary

Nissan X-TRAIL. Defy ordinary.

Introducing X-TRAIL, Nissan's mid-sized family adventure SUV, available with either e-POWER* – a technology that goes beyond traditional hybrid powertrains for a smooth and quiet EV-like driving experience, or a traditional and efficient 2.5L petrol engine.

For superior control, choose e-POWER* which includes the electric-drive four-wheel-control technology, e-4ORCE*.

X-TRAIL is a spacious SUV with up to seven seats[†], and everything you need to keep your family safe and comfortable with advanced Nissan Intelligent Mobility safety technologies. With cutting-edge connectivity to keep everyone entertained, X-TRAIL makes family friendly adventures a breeze.

* Cover page: Up to 10 years or 300,000km (whichever occurs first), when servicing at authorised Nissan dealers. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).
X-TRAIL Ti-L e-POWER model with 20" alloy wheels, premium paint and black painted roof shown throughout (unless otherwise stated).

* Available on ST-L, Ti & Ti-L e-POWER models only.
^ Available on 2.5L ST, ST-L & N-TREK 4x4 models only.

Never compromise on style in the Nissan X-TRAIL

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable Nissan V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this family crossover refuses to blend into the background.

Close the door on the chaos outside

With three large interior display screens* to supplement your drive, you're guaranteed to experience Nissan technology at its best.

Enjoy a 12.3" TFT Advanced Drive-Assist® Display instrument cluster, 12.3" touchscreen display* with satellite navigation* and a 10.8" Head-Up Display* as you settle into your comfortable, premium quilted Nappa leather-accented* seats.

Wondering where to place your belongings? Don't miss the storage space beneath the floating centre console. Inside the X-TRAIL's cabin, it's all about quality details – the relaxing atmosphere of ambient lighting#, the soft feel of premium materials and the seamless convenience of wireless Apple CarPlay®^ and wireless smartphone charging°.

Nissan e-POWER: The hybrid reinvented.

With e-POWER*, pioneering doesn't have to pause. e-POWER* is an innovative EV-like system which includes two electric motors, a petrol engine and a lithium-ion battery to achieve an EV-like driving experience. The result is almost instant acceleration response and a quiet driving sensation without the need to plug in or recharge. Just exhilarating and stress-free driving with no compromise on fuel economy.

Simplify your drive with e-Pedal Step[^]

Experience a more intuitive way to drive. e-Pedal Step[^] gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 10km/h, leaving the brake pedal for harder braking or coming to a complete stop.

* e-POWER is available on ST-L, Ti & Ti-L models only.
[^] e-Pedal Step may not be suitable under all driving conditions, correct operation is the responsibility of the driver.
 Available on e-POWER models only.

Elevate your 4x4 experience with e-4ORCE

Playgrounds are not meant to have boundaries. Take on new terrains in confidence with Nissan X-TRAIL e-POWER's electric-drive four-wheel-control technology, e-4ORCE. e-4ORCE delivers the perfect balance between powerful and unprecedented control, with a smooth ride for all thanks to superior handling on any surface. Dial up the adventure even further with up to five selectable drive and terrain modes[^], including Auto, Sport, Eco, Off-Road and Snow.

e-4ORCE is paired with e-POWER and available on ST-L, Ti & Ti-L models.

Five selectable drive and terrain modes[^]

[^] 4x4 models only.

2.5L petrol engine offering excitement, without compromise

X-TRAIL is offered with a 2.5L four cylinder petrol engine with 135kW of power and 244Nm of torque. Available in standard front-wheel-drive or optional Intelligent 4x4*, all models are fitted with a Continuously Variable Transmission along with steering wheel mounted paddle shifters to enhance your driving experience. 2.5L X-TRAIL models are capable of towing up to 2,000kg maximum braked towing capacity‡.

* Available on 4x4 models only.

‡ Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

X-TRAIL Ti-L 2.5L model with premium paint and black painted roof shown.

Safety at heart

The Nissan X-TRAIL is equipped with advanced Nissan Intelligent Mobility technologies that combine to help you see more, sense more and can even step in to respond to potential hazards.

ProPILOT^Δ allows you to enjoy your highway commute by automatically keeping up with traffic flow and helping keep you centred in your lane through a combination of automated steering, acceleration and braking. This intelligent safety technology helps ease driver workload in highway traffic and long commutes at the push of a button.

Intelligent Around View[®] Monitor with Moving Object Detection^{*^} provides all-round reassurance from a 360 degree view of your car with four cameras mounted around the vehicle to provide front, rear and kerbside views.

INTELLIGENT FORWARD COLLISION WARNING^Δ
Keeps an eye on up to two vehicles ahead of X-TRAIL. If the system detects sudden deceleration ahead, it will give you audible and visual warnings to respond and slow down.

INTELLIGENT EMERGENCY BRAKING^Δ
By monitoring speed and distance between X-TRAIL and the vehicle ahead, Intelligent Emergency Braking^Δ can automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian at the crosswalk, it can stop you in your tracks. The technology also features cyclist and junction detection for added piece of mind.

INTELLIGENT REAR AUTOMATIC BRAKING^Δ
Helps you back-up with confidence by watching behind you during reversing manoeuvres. If a large stationary object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.

INTELLIGENT CRUISE CONTROL^Δ
Keeps a set distance between X-TRAIL and the vehicle ahead by measuring space and controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT LANE INTERVENTION^Δ
Avoid unintentional lane departure. When lane markings are clear, Intelligent Lane Intervention^Δ can keep you centred in your lane and can tap the brakes to help gently guide you back

* Not available on ST.

^Δ ProPILOT cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. Not available on ST.

[^] Driver's aid(s) only, not a substitute for safe driving. Always monitor your surroundings.

Discover the details that make a difference

Details designed to make your journeys smoother. X-TRAIL is available with tri-zone climate control* for optimal cabin comfort, along with built-in rear door sunshades^ that neatly roll away.

When it comes to cargo, five-seat models feature Nissan's Divide-N-Hide® configurable cargo system~, a system of adaptable boards to contain items of various shapes and sizes. Smaller items can be retained in the under-shifter storage, or the butterfly opening centre console for easy access for second row passengers.

ISOFIX compatible second row outboard seats

MYNISSAN OWNERSHIP

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

10 YEAR

300,000 KILOMETRE WARRANTY WHEN SERVICING WITH NISSAN[†]

Receive assurance with up to 10 year/300,000 kilometre warranty (whichever occurs first)[†].

10 YEAR

24/7 ROADSIDE ASSISTANCE WHEN SERVICING WITH NISSAN[†]

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge[†].

5 YEAR

NISSAN FLAT PRICE SERVICE*

All Nissan vehicles first registered from 1 January 2025 are eligible for Nissan Flat Price Service. As part of this servicing program, we've set one flat price you'll pay for every service for the first five services according to your vehicle's service schedule.*

FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and Nissan Genuine Parts they'll keep your vehicle in top condition.

NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of Nissan Genuine Accessories to protect, enhance and personalise your Nissan.

OPTIONAL PRE-PAID MAINTENANCE PLANS

Our optional Pre-paid Maintenance Plan takes the hassle out of budgeting for scheduled service costs over time, instead offering you the convenience of a one-off payment when you purchase your new Nissan vehicle.

FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

For more information please visit [Nissan.com.au/owners](https://www.nissan.com.au/owners), ask your Nissan Dealer or phone 1800 035 035 during normal AEST business hours.

[†] Whichever occurs first, when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years previously added. Conditions apply. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).

NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

[†] When servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added, so 10 year/300,000km roadside assist (whichever occurs first) may not apply. Roadside assist duration will remain as 1 year/unlimited kilometre roadside assist, plus any service activated years previously added. Conditions apply. Full terms at [Nissan.com.au/roadsideassistance](https://www.nissan.com.au/roadsideassistance).

* Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 5 services or 5 years, whichever occurs first. Some exclusions apply. Ask your Nissan Dealer or view full terms at [Nissan.com.au/service](https://www.nissan.com.au/service).
