

AUSTRALIA'S ONLY
10 YEAR
300,000KM WARRANTY
WHEN SERVICING WITH NISSAN*

LEAF Defy Ordinary

Nissan LEAF

SIMPLY AMAZING

A powerful step forward, get ready for a whole new way to drive, where the everyday is exhilarating. Feel more confident, excited, and connected - wherever you go.

* Cover page: *Up to 10 years or 300,000km (whichever occurs first), when servicing at authorised Nissan dealers. Lithium-Ion battery pack warranted against battery capacity loss below 9 bars out of 12 (as shown in vehicle capacity gauge), for a period of 8 years or 160,000 kilometres, whichever occurs first. Full terms at Nissan.com.au/warranty.

Go Clean

with zero tailpipe emissions

Go Further

with up to 385km range*

Go everywhere

with an ever growing EV charging network across Australia

Go with everything
you need

Featuring 5 seats, a 435L boot and a bold, aerodynamic design,
the Nissan LEAF gets you there with stylish efficiency

*Figure quoted is for LEAF e+. 439km range tested to Australian NEDC ADR81/02 standard. 385km indicative driving range using the new WLTP test procedure for the European spec model. Australian model has not been tested using WLTP test procedure. Figures obtained after the battery was fully charged. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving range may vary depending on factors such as battery age and condition, driving style, use of heating/cooling, traffic conditions, weather conditions, any accessories fitted and vehicle load.

FIND MORE THRILLS

with instant power at take-off and intelligent driving technologies for a smooth, exhilarating ride.

FEEL IN CONTROL

with the Nissan e-Pedal[†]. Yes! You only need one pedal to accelerate, decelerate and come to a complete stop in the Nissan LEAF.

SEE AND SENSE MORE

with Intelligent Around View[®] Monitor[^] and smart technology like Intelligent Rear View Mirror[^] which uses a digital camera feed and mimics the appearance of a traditional mirror, but without potential obstructions.

BE MORE CONNECTED

Seamless connectivity with Apple Carplay^{**} and Android Auto[™].

Prepare your senses

for an experience like no other and enjoy a new way of driving that pushes all the right buttons.

With Nissan Intelligent Mobility, you're connected to your LEAF like never before. See more around you, sense more, and do everything with more confidence. This is what driving was always supposed to be.

*CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC. Compatible device and USB connection required.
†The e-Pedal may not be suitable under all driving conditions, correct operation is the responsibility of the driver.
^Driver's aid(s) only, not a substitute for safe driving. Always monitor your surroundings.

Have a blast at the drop of e-Pedal†

It's a completely new way to drive, and a whole lot of fun. Imagine having the option to drive with one pedal. Just press down for an instant rush and ease off to slow down. It can even hold the vehicle on a hill without ever touching the brake. Of course, going back to driving with two pedals is as easy as flipping a switch, but where's the fun in that?

e-Pedal† Speed up, slow down and come to a complete stop with just the accelerator pedal, making for a simple and easy drive.

†The e-Pedal may not be suitable under all driving conditions, correct operation is the responsibility of the driver.

Feel more confident with the suite of Nissan Intelligent Mobility features, including:

So smart it can step in when you need it most

You may not even know why traffic suddenly slows down. But **Intelligent Emergency Braking*** with pedestrian detection is keeping an eye out and ready to apply the brakes. Of course, that's not the only way LEAF can step in to help keep you out of trouble.

INTELLIGENT CRUISE CONTROL: watches the flow of traffic to take the tedium out of highway driving.

INTELLIGENT LANE INTERVENTION: helps keep you where you want to be. It taps the brakes to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.

INTELLIGENT AUTO HEADLIGHTS with full LED: headlamps light your way by automatically turning on when it gets dark and dip temporarily when an oncoming vehicle is detected.

BLIND SPOT WARNING: change lanes with confidence. This feature keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.

*Driver's aid(s) only, not a substitute for safe driving. Always monitor your surroundings.

Get a bird's-eye view of any space you want

INTELLIGENT AROUND VIEW® MONITOR* helps you see more around you and makes complicated manoeuvres easy. With a virtual 360° bird's-eye view of your LEAF, plus selectable split-screen close-ups of the front, rear and kerbside views, you'll slide into the tightest spots and make it look easy without ever scuffing a wheel again.

REAR AND
AROUND VIEW

FRONT AND
AROUND VIEW

FRONT OR REAR
AND KERBSIDE

*Driver's aid only. It cannot completely cover blind spots and may not detect moving objects. Always check surroundings before moving vehicle.

Get a little warning before you make a move

SEE MORE AROUND YOU Even if you can't see that car sneaking up on you or a person on the corner that's about to cross the road, Nissan Intelligent Mobility features* can assist you to take notice and give you a heads-up. Whether you're backing out of a parking spot or changing lanes on the main road, they make you more aware of your surroundings and give you a whole new level of confidence.

*Driver's aid(s) only, not a substitute for safe driving. Always monitor your surroundings.

INTELLIGENT AROUND VIEW® MONITOR* can provide an alert when it detects moving objects near your vehicle. This system provides a 360 degree view of your surroundings.

REAR CROSS TRAFFIC ALERT* This feature helps you back out of a space more safely. It watches around the rear of your LEAF, and can warn you about cars approaching from either side.

Glide through the air

with greater efficiency

AERODYNAMIC
SPOILER

WIND-DIFFUSING
SIDE MIRRORS

LOWER
DIFFUSER

CONTINUOUS FLAT
UNDERBODY

Bold looks are only the beginning. With an advanced aerodynamic design that allows LEAF to glide through the air, you get an impressively efficient ride, not to mention an unbelievably quiet one.

It has never been easier or quicker to get moving; from plugging the LEAF into a dedicated home wall-box or even just a power-point, to tapping into one of the ever growing public charging stations available across Australia.

HOME AND PUBLIC CHARGING

LEAF | FULL CHARGE IN AROUND 7.5 HOURS[†]
LEAF e+ | FULL CHARGE IN AROUND 11.0 HOURS[†]

[†]Charging time is based on, and requires use of a 32A / 6.6kW (7kW) wall box. Charging time will be dependent on charging conditions, including charging type and condition, battery temperature and size as well as ambient temperature at point of use. Charging time is based on Nissan testing. Before using this product at home, consult with a licenced electrician to ensure your homes electrical system can support the use.

Charging has never been so easy

PUBLIC QUICK CHARGING

RAPID CHARGING FROM 20 TO 80%
LEAF | IN AROUND 60 MINUTES*
LEAF e+ | IN AROUND 45 MINUTES*

*Figures quoted are for LEAF 39 kWh (usable) battery on a 50kW charger. Figures quoted are for LEAF e+ 59 kWh (usable) battery on a 100kW charger. Time dependent on charging conditions, including charger type and condition, battery temperature as well as ambient temperature at point of use. Indicated rapid charging time requires use of a CHAdeMO rapid charger. The Nissan LEAF is designed to support the majority of journeys in daily life and is equipped with charging safeguards to protect the battery during repeated rapid charging sessions in a short period of time. The time taken for successive rapid charging can take longer if the battery temperature activates the battery safeguarding technology.

Put every detail
on brilliant display

Live at the forefront of technology with the 7.0" TFT Advanced Drive-Assist® Display instrument cluster. It lets you customise every detail of your drive, from range to power use to navigation, on a stunning, full-colour screen. This is the information age on full display.

Browse your audio system easily.

Turn-by-turn navigation has never been easier to follow, with every turn displayed right in front of you.

SEAMLESS MOBILE INTEGRATION Apple CarPlay® and Android Auto™ are the safer, smarter ways to enjoy the things you love. Access music, maps, make calls, send and receive messages – all without touching your phone. Just plug in your phone and go.

YOUR MUSIC. YOUR WAY Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

An interior truly designed around you
with your LEAF

With its ergonomic layout, distinctive centre console and a floating central screen that puts your phone on centre stage, this interior was clearly designed with a more connected experience in mind. Nissan LEAF puts all the tools you need to control your car right in your pocket.

*Carplay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC. Connecting a mobile phone should only be done when the car is parked safely. Use of the system should always be in accordance with the Australia Road Rules. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle. Functionality and compatibility will vary depending on the device. Compatible device and USB connection required.

DISTINCTIVE DASH

HEATED FRONT AND
REAR OUTBOARD SEATS

IMPRESSIVE LEGROOM

UNIQUE BLUE ACCENTS

Experience

comfort at the sound of silence

What would it be like to drive a silent car? Try stepping inside the luxuriously quiet cabin and you'll find a new level of silence - until you turn up the Bose® energy efficient premium audio system, that is. With comfort features such as heated seats and heated steering wheel, every drive has a chance to be amazing.

BOSE

BOSE® ENERGY EFFICIENT PREMIUM AUDIO SYSTEM

Even the audio system is energy-conscious. With seven small, lightweight, and strategically placed speakers, the Bose® engineers created an audio system that saves power, without sacrificing sound quality. All so you can rock out more efficiently.

Load up whatever the day demands

LEAF is ready for your next outing with an impressive amount of cargo space, a low rear cargo floor and 60:40 split rear seats that fold down easily. It all adds up to a vehicle that can handle just about anything you ask of it with a capacity of 1,176 litres when second row seats are folded flat.

Nissan LEAF will lead the way
Simply Amazing.

LEAF

Powertrain & Charging equipment

- e-Powertrain with 39 kWh (usable) laminated lithium-ion battery
- 110kW of power
- 320Nm of torque
- Indicative driving range of 270km (WLTP combined cycle)[#]
- ECO mode
- e-Pedal
- Shift-by-wire drive selector
- Intelligent Trace Control
- Intelligent Ride Control
- Charge ports (AC Type-2 & DC CHAdeMO)
- MODE-3 EVSE cable (Type-2) supplied

Exterior

- LED signature daytime running lights
- 17" alloy wheels
- Privacy glass (second row & rear windows)
- Power adjustable heated door mirrors with integrated LED turn indicators
- Front and rear fog lights
- Automatic LED headlights

MYNISSAN OWNERSHIP

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

10 YEAR

300,000 KILOMETRE WARRANTY WHEN SERVICING WITH NISSAN[†]

Receive assurance with up to 10 year/300,000 kilometre warranty (whichever occurs first)*.

10 YEAR

24/7 ROADSIDE ASSISTANCE WHEN SERVICING WITH NISSAN[†]

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge[†].

5 YEAR

NISSAN FLAT PRICE SERVICE*

All Nissan vehicles first registered from 1 January 2025 are eligible for Nissan Flat Price Service. As part of this servicing program, we've set one flat price you'll pay for every service for the first five services according to your vehicle's service schedule.*

FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and Nissan Genuine Parts they'll keep your vehicle in top condition.

OPTIONAL PRE-PAID MAINTENANCE PLANS

Our optional Pre-paid Maintenance Plan takes the hassle out of budgeting for scheduled service costs over time, instead offering you the convenience of a one-off payment when you purchase your new Nissan vehicle.

NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of Nissan Genuine Accessories to protect, enhance and personalise your Nissan.

FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

For more information please visit [Nissan.com.au/owners](https://www.nissan.com.au/owners), ask your Nissan Dealer or phone 1800 035 035 during normal AEST business hours.

[^] Whichever occurs first, when servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added so 10 year/300,000km warranty (whichever occurs first) may not apply. Warranty protection will remain 5 year/unlimited km warranty, plus any additional service activated years previously added. Conditions apply. Lithium-ion battery pack warranted against battery capacity loss below 9 bars out of 12 (as shown in vehicle capacity gauge), for a period of 8 years or 160,000 kilometres, whichever occurs first. Full terms at [Nissan.com.au/warranty](https://www.nissan.com.au/warranty).

NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

[†] When servicing at authorised Nissan dealers. Where vehicle is not serviced through Nissan or ceases to be serviced at Nissan, additional years will not be added, so 10 year/300,000km roadside assist (whichever occurs first) may not apply. Roadside assist duration will remain as 1 year/unlimited kilometre roadside assist, plus any service activated years previously added. Conditions apply. Full terms at [Nissan.com.au/roadsideassistance](https://www.nissan.com.au/roadsideassistance).

* Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 5 services or 5 years, whichever occurs first. Some exclusions apply. Ask your Nissan Dealer or view full terms at [Nissan.com.au/service](https://www.nissan.com.au/service).
