#NEXTGEN

They say, the best things come in three and the all new MG3 brings this to life! One of Australia's best-selling cars has been redesigned from the ground-up, and is ready to turn heads on the streets with its sleek aerodynamic design and classy interior cabin. Here at MG, we strive to provide excellent value and quality. The all-new MG3 is no different, with no compromises on performance or style. Whether you're roaming around town, or escaping for a weekend adventure, the all-new MG3 is your perfect companion.

## Take Charge.

Available in both a traditional petrol variant, and for the first time a hybrid, the MG3 continues to prove that big things come in small packages, and without the need to plug in and charge, you can start and stop as you please and let the good times continue to roll.

Boasting a sleek, and sporty look, the all-new MG3 exudes savvy style to ensure its place as the newest head turner on the road. From the striking grille to the sleek spoiler and the illuminated taillights, the MG3 pulsates with dynamic style, resting on 16" five-spoke alloy wheels, designed to enhance aerodynamics as well as looks.

The compact size of the all-new MG3 ensures it's a perfect fit for urban environments, but also packs the punch and power for the open road, leaving no stone left unturned. It's said that you can't judge a book by its cover, but with the MG3, we can assure you that this time you can.

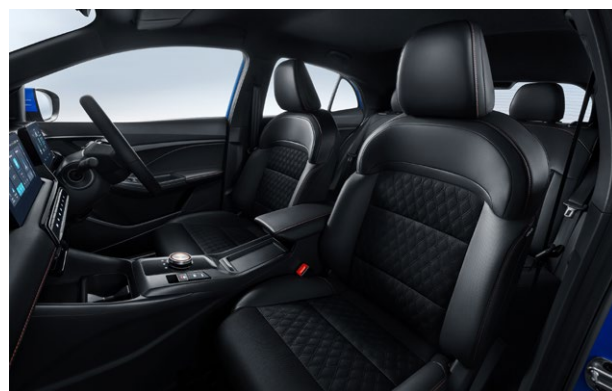

## Designed to make a statement.

Explore ample cabin space within the sleek silhouette of the all-new MG3. Anchoring the refined interior are lux, ergonomic, leather-style front seats<sup>#</sup>, which provide optimal comfort no matter the driving conditions. With up to 938 litres of cargo space when the rear seats are folded down, you'll have more than ample room to tackle any adventure.

The strength of savvy technology lies in its ability to prioritise people. In the MG3, all essential controls and information are conveniently accessible, right at your fingertips.

Featuring a top-of-the-line 10.25" infotainment screen, enjoy a high-definition display and user-friendly interface in the MG3. With Apple CarPlay<sup>®</sup> and Android Auto<sup>™</sup> compatibility, along with a host of other features, your driving experience is enhanced to the fullest.

A 7" virtual cluster keeps your eyes firmly on the road, displays clear and concise driving information, including range, speed, and driving mode, with added options to accessorise to your liking.

MG iSMART compatibility<sup>#</sup> empowers the driver with a range of convenient features accessible directly from your smartphone. These include remotely monitoring and locating your vehicle, along with locking, and unlocking features.

<sup>#</sup> Only available on MG3 Essence and MG3 Essence Hybrid + models

## Best of both worlds.

At MG, we're dedicated to offering a wide array of options, empowering our customers to drive exactly as they desire. That is no different in the all-new MG3, with both a petrol and hybrid variant available.

### MG3

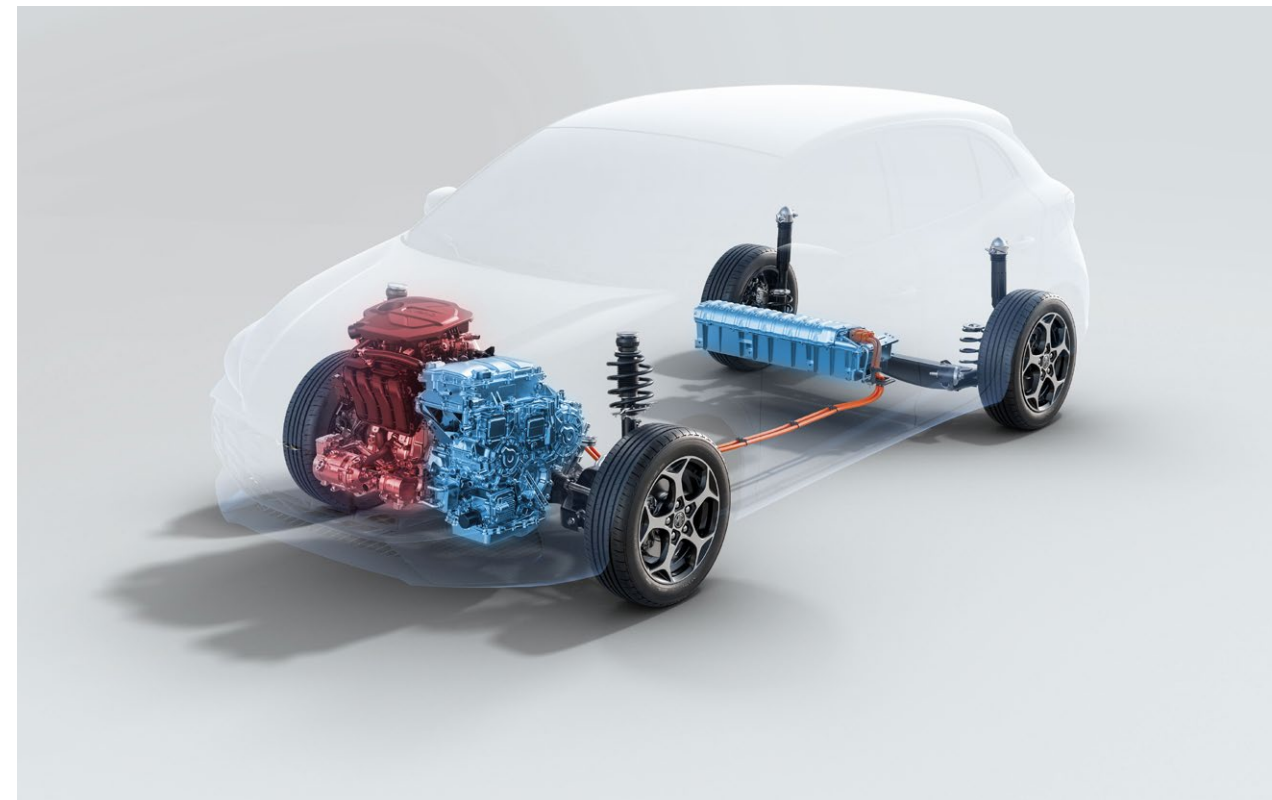

Responsive handling and ready to journey with you. The all-new MG3 features the evolved 1.5L petrol engine, delivering a new standard of driving for the nameplate with increased torque and faster response. All while bringing you an impressive combined efficiency of 6.0L/100km and reduced emissions.

### MG3 HYBRID+

Experience the best of both worlds: harness the power of petrol while enjoying efficient electric driving in the groundbreaking MG3 Hybrid+. This pioneering hybrid hatchback marks a historic milestone in the brand's century-long legacy. With a 100kWh electric motor, a robust 75kWh hybrid engine, and a class-leading 1.8kWh battery, each journey promises electric smoothness, with a 0-100km/h time of eight seconds.

### DRIVE YOUR WAY

The MG3 Hybrid+ offers a versatile selection of three drive modes: ECO, Standard, and Sport. Tailored powertrain calibration, precise driving control, and enhanced fuel economy ensure a personalised driving experience, adding to the pleasure of every journey.
