Ready, set, Tundra.

• • • • •

The Toyota Tundra is the ultimate expression of power, flexibility and luxury – a full-size pick-up that's as strong as it is sophisticated.

As the most powerful Toyota ever sold in Australia, the Tundra's show-stopping presence is matched by the effortless confidence it inspires behind the wheel. Combining supreme comfort, space and quality with an expansive view of the world, Tundra is all about hitting the road in the most enjoyable way possible.

It's exciting to look at and even more exciting to drive, and is underpinned by the robustness that Toyota is renowned for. To re-engineer for right-hand drive and build the Tundra to Toyota's exacting standards, we have partnered with Walkinshaw Automotive Group – a global leader in the design, engineering, development and small-scale manufacture of performance vehicles.

The pinnacle of Platinum

• • • • •

The Platinum elevates the sophistication of the Toyota Tundra to a truly premium level. From its plated mesh-style front grille to its unique 20" black alloy wheels and bold two-tone, black-accented power tailgate, the Platinum combines first-class splendour with athletic muscularity.

Open the doors and you're greeted with high-quality leather accented upholstery on the seat facings and the heated steering-wheel rim with telescopic power adjustment. Platinum's luxurious front seats feature a built-in massage system as well as heating and ventilation, 4-way power lumbar support and 10-way

power adjustment for the passenger. Outboard rear seating positions also enjoy heating and ventilation.

A large panoramic glass sunroof offers the widest opening of any full-size pick-up in Tundra's class, while a 10.9" driver's colour head-up display conveys everything from digital speed to safety warnings, gearshift position and drive-mode selection.

Comfort and convenience are enhanced by rain-sensing wipers and new LED tub lamps.

Embrace the wide open space

Inside Tundra, you'll find yourself in a generously spaced cabin surrounded by the latest technology.

The 14" multimedia display features wired Android Auto™,² and wireless Apple CarPlay®.² You are supported by the 12-speaker premium JBL®³ audio system plus other functions including navigation – accessible through Apple CarPlay®² and Android Auto™,² only.

When on the move, the 12.3" Multi Information Display (MID) delivers essential performance data and travel information that can be quickly configured to suit your needs.

The seats are supportively contoured, providing both durability and comfort for long or short trips, on or off the road.

In Tundra Platinum, a new seat-massage system with 25 different settings can refresh the driver and front passenger on a long drive, helping to reduce fatigue.

The power and the glory

Tundra drives on-road presence and performance to new levels, drawing attention and turning heads wherever it goes.

The Tundra's 3.5L V6 twin-turbo engine with 1-Motor Hybrid produces 326kW of power and 790Nm of torque, all harnessed by a 10-speed automatic transmission for smooth acceleration and rock solid performance on the road. A 1-Motor Hybrid is a powertrain technology where an additional electric motor, which typically serves to improve the power and performance of a vehicle, works in conjunction with the internal combustion engine.

The box section chassis delivers impressive body rigidity with reduced weight and is supported by multi-link rear suspension for improved ride and towing stability.

Everything about Tundra is designed and built to exceed your everyday expectations.

May 2024 Limited production models onwards may have updated specifications.

Check vehicle's Owner's Manual before attaching loads. 2024 production model shown.
May 2024 Limited production models onwards may have updated specifications.

When it comes to shouldering a heavy load, the Tundra can get the job done, offering a maximum braked towing capacity of 4.5 tonnes⁴.

Tundra comes fitted with a 3.5 tonne integrated Towing Kit as standard and you have the option to purchase a 4.5 tonne Towing Kit or Load Distribution Hitch⁵ for your towing needs. When towing loads above 2.2 tonne, Toyota recommends the use of a Load Distribution Hitch⁵ to get the most out of your towing experience.

When towing, you'll also have the added on-road confidence that comes from a Towing Brake Controller and Trailer Back-up Guide.

Toyota Safety Sense

Toyota
Safety
Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our ongoing pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense⁶ (TSS). A suite of active safety features designed to help protect us all through helping to support safe driving.

Tundra features TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit toyota.com.au for vehicle and specification information.

Pre-Collision Safety system with pedestrian and daytime cyclist detection

Pre-Collision Safety⁶ (PCS) system with pedestrian and daytime cyclist detection is a multi-stage warning system. Using an integrated camera and radar to help detect other vehicles in front of you, the PCS system is designed to assist the driver where there is a likelihood of frontal collision with cars and pedestrians during day or night, or cyclists during the daytime. The PCS system includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision appears to be unavoidable automatic braking to help mitigate impact.

Active Cruise Control (high speed)

Active Cruise Control⁶ is designed to help keep a constant distance between vehicles. It uses a millimeter wave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

Lane Departure Alert with Steering Assist

Lane Departure Alert⁶ with steering assist is designed to help prevent vehicles drifting from their lane by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane. It may also apply additional steering force if needed to help you stay in your lane.

Tundra Limited

Pre-production model shown.

- 3.5L V6 twin-turbo with 1-Motor Hybrid⁷
- 10-speed automatic transmission
- Part-time 4-Wheel Drive, electronic 2-speed transfer case

Accessories to personalise your Tundra

Toyota Genuine Accessories⁸ can elevate your Tundra's capabilities even further. All accessories have been designed, developed and tested to meet the rigours of Australian conditions and comply with all applicable safety regulations, as well as being covered by a Toyota Warranty Advantage⁹.

To best support Tundra's maximum towing capability,⁴ vehicles come with a standard 3.5 tonne tow ball and tongue. Toyota Genuine Accessories offer a specific 4.5 tonne tow ball and tongue, sold separately.

Owners wanting to keep their Tundra looking pristine even during heavy use could accessorise with Door Edge Guards, Door Handle Protection Film and All Weather Floor Mats. Enhancing Tundra's utility is made possible with a sleek Tri-fold Tonneau Cover, Cargo Net, Swing Out Bed Storage and even a Camera Mount.

To make your Tundra do more and go further you also have the option of adding these other Toyota Genuine Accessories:⁸

- Tailgate Insert Badge
- Mini Tie Down with Hook
- Emblem Overlays
- Exhaust Tips
- Dash Cam
- First Aid Kit

A All-weather Floor Mats – front shown

B Swing Out Bed Storage – sold separately

C 4.5T Tongue and Tow Ball – 3.5T tongue and tow ball is supplied as standard with vehicle

A Black Tailgate Insert Badge – also available in chrome

B Black Emblem Overlay – shown on Limited grade

C Tri-fold Tonneau

D Cargo Net

E Black Exhaust Tips – also available in chrome

F First Aid Kit

G Door Edge Guard – available in black only

H Camera Mount – camera not included

I Mini Tie Down with Hook – contents not included

J Load Distribution Hitch⁴ – available in 3.5 and 4.5 tonne. Sold separately

Unlock it all

.....

When you join the Toyota family, you get so much more than a new car feeling. You unlock a whole range of benefits to keep you moving now and well into the future.

Discover your Toyota lifetime of advantages at toyota.com.au/owners

Toyota Genuine Accessories⁹

Developed alongside the vehicle, this unique advantage allows Toyota to design accessories, so they integrate harmoniously with the vehicle structure and safety systems. For more information, visit toyota.com.au/accessories

Toyota Service Advantage¹⁰

We'll keep the cost of your standard logbook service at a capped price for up to your first 3 or 5 years on the road, depending on the vehicle model. To find out your low capped service price, visit toyota.com.au/owners/service/service-pricing-calculator

Toyota Genuine Insurance¹¹

Designed by the people who know your Toyota best. Our policies are here to help you get back on the road with the certainty of Toyota Genuine Parts and a range of cover to suit you. For more information, visit toyotainsurance.com.au

Toyota Access

Offering flexible finance options, lower monthly repayments¹² and a Guaranteed Future Value,¹³ a Toyota Access Loan means you can drive the Toyota you want today, knowing the future is taken care of. When your loan ends, you have options to trade, keep or return your vehicle. For more information, visit toyota.com.au/toyota-access

Toyota Certified Pre-Owned Vehicles

Enjoy the reassurance that comes with a Toyota Certified Pre-Owned Vehicle. Including an additional 1-year Toyota-backed warranty,¹⁴ full-service history and 90-point inspection by Toyota Technicians. For more information, visit toyota.com.au/certified

Toyota Warranty Advantage¹⁵

Stick to your service schedule, and we'll extend your engine and driveline warranty from five to seven years, so you can drive stress-free for longer. For more information, visit toyota.com.au/owners/warranty

Disclaimers and Notice

- 1 Paint featured is an optional extra at additional cost.
- 2 CarPlay® and Siri® are trademark of Apple, Inc. registered in the U.S. and other countries. Android Auto™ is a trademark of Google LLC. Requires compatible device, USB connection or Bluetooth® connection for vehicles fitted with wireless CarPlay,® mobile data, network reception and GPS signal. Mobile usage at user's cost. Apps subject to change. For details, see toyota.com.au/connected
- 3 Product and company names are trademarks of their respective owners.
- 4 Maximum vehicle braked towing capacity is subject to state and federal regulatory requirements. Before towing, customers should consider the vehicle's limitations, including towing capacity specifications, gross vehicle mass (GVM), gross combined mass (GCM), kerb weight specified by the manufacturer, and ensure that individual front and rear axle load limits are not exceeded as also specified by the manufacturer. Vehicle payload calculation is GVM less kerb weight or as otherwise specified in the vehicle owner's manual. Actual payload is affected by any added load to the vehicle, including the number of occupants, luggage, accessories, and tow ball download weight. It is important to consider the actual payload, to ensure the fully loaded vehicle remains within the specified GVM limits. For more details, please refer to the vehicle's Owner's Manual/ **Toyota Basic Towing Guide** or consult your authorised dealer
- 5 Toyota recommends use of a Load Distribution Hitch (LDH) when towing loads greater than 2.2T as specified in the Owner's Manual. Based on road conditions, an LDH may not be suitable. Refer to **Toyota Basic Towing Guide**. Toyota Genuine LDH sold separately at additional cost. Warranty conditions apply. Refer to **Toyota Warranty Advantage**.
- 6 Driver assist feature. Only operates under certain conditions. Check your Owner's Manual for explanation of limitations. Please drive safely.
- 7 A 1-Motor Hybrid is a powertrain technology where an additional electric motor, which typically serves to improve the power and performance of a vehicle, works in conjunction with the internal combustion engine.
- 8 See your Toyota Dealer to confirm Toyota Genuine Accessories suitable for your vehicle prior to ordering, as specifications, applicability, availability and fitment requirements may change over time. Consider combined mass of load and accessories to ensure gross vehicle mass limits are not exceeded.
- 9 Toyota Genuine Parts/Accessories purchased at and fitted to a Toyota vehicle by a Toyota dealer are warranted for the remainder of that vehicle's Toyota Warranty Advantage period, or 2 years from installation (whichever is greater). Genuine Parts/Accessories purchased from, but not fitted by, a Toyota dealer are warranted for 2 years from date of purchase. See toyota.com.au for T&Cs. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 10 Standard scheduled logbook services only. T&Cs apply. Visit toyota.com.au/advantage
- 11 Terms and conditions apply. This advice is general in nature and does not take into account your objectives, financial situation or needs. Before making a decision to purchase any of the insurance products you should consider the appropriateness of the advice taking into account your own objectives, financial situation and needs and refer to the current PDS and Target Market Determination for the relevant product available from participating Dealers, via our website at toyotainsurance.com.au or by calling 137 200. Toyota Car Insurance purchased in a dealership or via the Toyota Insurance National Customer Solutions Centre is facilitated by Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536 as agent for, and on behalf of, the insurer. The insurer of Toyota Car Insurance is Aioi Nissay Dowa Insurance Company Australia Pty Ltd ABN 11 132 524 282, AFSL 443540 (Adica). If Toyota Car Insurance is purchased online, the issuer and insurer is Adica.
- 12 Lower monthly repayments compared to a similar term with no Guaranteed Future Value (GFV) or equivalent balloon final payment. Total interest charges will be higher if a GFV or balloon final payment is selected.
- 13 Guaranteed Future Value (GFV) is the minimum value of your new or approved demonstrator Toyota at the end of your finance contract, as determined by Toyota Finance subject to fair wear and tear and agreed kilometres being met. Ask your dealers for more information. Approved applicants only. T&Cs apply. Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
- 14 Applicable to pre-owned vehicles purchased as a Toyota Certified Pre-Owned (TCPO) vehicle on or after 01/01/2022. TCPO 2022 Warranty expires 1 year after sale, or 1 year after the current New Vehicle Warranty expires (if applicable), or 10 years from date of registration in original owner's name, or at 160,000kms (whichever occurs first). TCPO Warranty does not apply to vehicles used for commercial purpose (eg taxis or rideshare). See toyota.com.au/owners/warranty for details. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 15 The Toyota Warranty Advantage Extended Engine and Driveline coverage is for 7 years from delivery, provided your vehicle is properly serviced and maintained per its Warranty and Service Book. Excludes vehicles used for a commercial purpose, such as taxis, hire vehicles and vehicles transporting people or goods for payment including rideshare. See toyota.com.au/owners/warranty for details. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
