assertive SUV design

A strong identity with its Renault branded grille, a bold silhouette adorned with protective materials and 18"⁽¹⁾ diamond cut alloy wheels. Power combines with elegance in a unique way.

The rear adopts a powerful style centered around the new Renault emblem. Its assertive light signature and roof spoiler underline its dynamic character.

Designed to venture off the beaten track, new Renault Duster adopts side protection and wheel arches primarily made of recycled materials. The high ground clearance of 212mm⁽²⁾ asserts its sporty personality.

explore your comfort zone

True pleasure on every journey with its carefully designed interior, generous space for you and your passengers, and comfort enhanced with the latest technologies. The driver-oriented high console puts the e-shifter⁽¹⁾ at your fingertips to enjoy an intuitive driving experience.

The technology on board is at your service. 10.1" openR multimedia touchscreen with wireless smartphone replication to enjoy your favorite apps, multi-view camera⁽²⁾ to facilitate your manoeuvres, and an induction wireless charger. Thanks to the 7" colour digital cluster, easily adapt your displayed driving information and 4x4 driving parameters⁽³⁾ such as the pitch angle or the compass.

The YouClip system with up to 7 anchor points distributed from the front to the boot, allows you to securely attach various items throughout the vehicle⁽⁴⁾.

With the smart 3-in-1 accessory, you have a light, a cup holder, and a hook for your bag or cap.

04. advanced driving assistance systems

a suite of advanced driver-assistance systems

multi-view camera⁽¹⁾
Get a specific view for easy manoeuvring. New Renault Duster is fitted with 4 cameras to give you complete visibility of your surroundings.

driver attention alert
The system analyses the driver's behaviour through steering wheel movements in particular, and prompts the driver to take a break when needed.

distance warning
The front radar calculates the following distance and triggers an audible and visual warning if there is a risk of collision.

traffic sign recognition
The system uses the front camera, to identify the current speed limit. The speed limit is displayed on the vehicle's instrument panel.

active emergency braking system
Warns the driver of an imminent risk of frontal collision with an obstacle such as another vehicle or a pedestrian. Emergency braking is applied when needed to avoid or mitigate the impact of a collision.

lane keep assist
Applies a correction to the steering wheel to bring the vehicle back into its lane if you veer from your lane without unintentionally, that is, activating your indicator. Activates above 70km/h.

driving assistance

- automatic high/low beam⁽¹⁾
- cruise control & speed limiter
- distance warning
- active emergency braking system with vulnerable road user & motorcycle detection
- driver attention alert⁽¹⁾
- hill start assist
- hill descent control⁽²⁾
- lane departure warning
- traffic sign recognition

parking assistance

- front & side parking sensors⁽¹⁾
- rear parking sensors
- rear view camera
- multi-view camera⁽¹⁾

accessories

adventure accessories
To make the most of the outdoors, we have partnered with Rhino-Rack to provide a variety of storage & mounting solutions for your next adventure. You can mix and match to include a roof rack, roof top tent, awning, cargo case & utility holder, and more.

side steps
Complete the adventurous style of your new Duster, with our practical side steps. They provide easy access to the vehicle and roof, while protecting the bodywork from everyday knocks and bumps.

roof box
This practical and robust roof box, equipped with a central locking key, allows you to easily increase your vehicle's storage capacity by up to 400 litres.

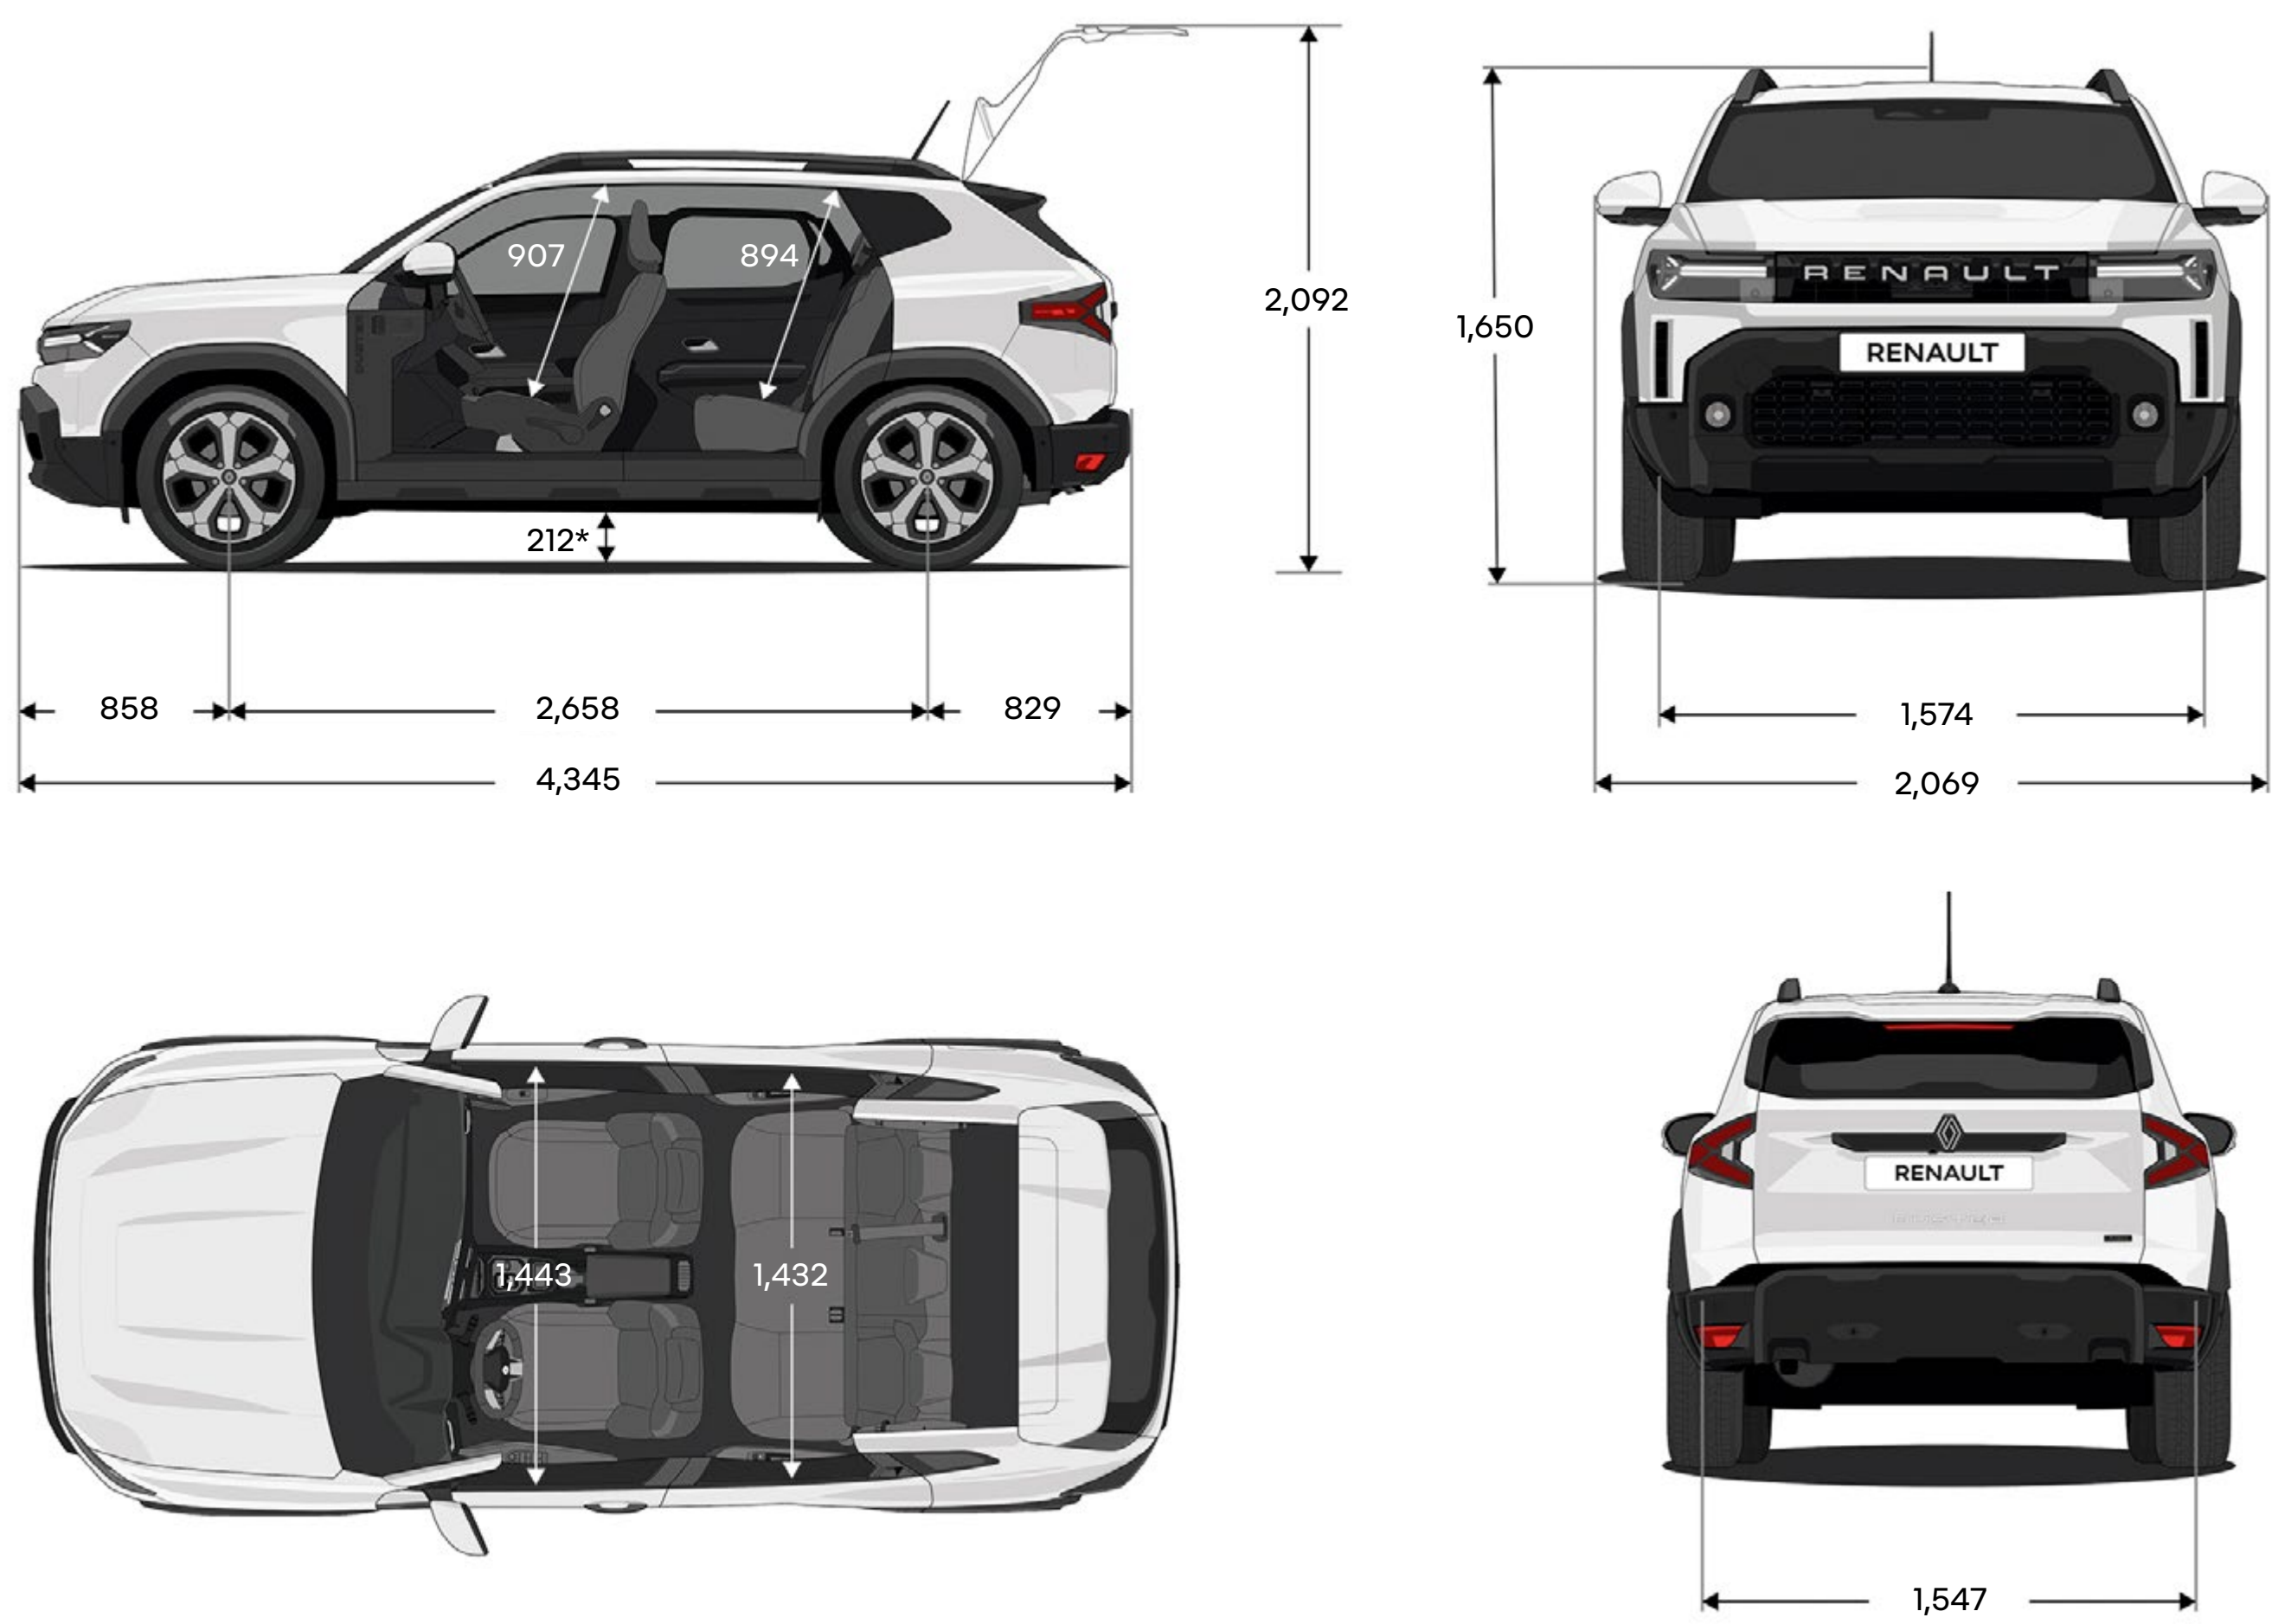

bicycle rack for roof bar
This product is designed to be quickly attached to roof bars and is adaptable to many bike sizes. It is the easiest way to transport your bike safely.

shark fin antenna
enhance the design of your new Duster with a gloss black shark fin antenna.

Renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building motor vehicles for more than 125 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for 5 years, regardless of how many kilometres you travel. Available 365 days a year.

Renault Genuine Servicing

You can rest assured knowing you'll be taken care of with the latest diagnostic equipment and specialty tools. At Renault, we set out to offer our customers service coverage that provides peace of mind that your vehicle will receive the best care from our technicians at the best price. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first).

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.
