XUV 3XO

Disclaimer: Creative visualisation. For illustrative purpose only.

Life is full of possibilities. The new XUV 3XO is engineered to help you seize them all. Whether you're conquering your daily hustle, planning a weekend escape, or embarking on epic road trips, the XUV 3XO is your capable companion.

We've packed it with the features you need to make the drive of your life effortless, safe, and enjoyable without any compromise.

It's the XUV 3XO.

Standout Design Advanced Technology World-Class Safety Superior SUV Comfort Spirited Performance

Standout Design

The XUV 3XO introduces a bold, athletic silhouette that commands attention.

It features a distinctive front grille and headlamp design with a piano black finish on the grille and LED headlamps, LED DRLs and LED fog lamps. Several unique wheel designs have been penned for the different XUV 3XO models, including a stylish 17" diamond-cut alloy wheel on luxury models.

The XUV 3XO's interior complements its striking exterior with a blend of premium finishes and modern design elements and equipment.

The XUV 3XO's interior complements its striking exterior with a blend of premium finishes and modern design elements and equipment.

Its cabin boasts premium interiors with a soft-touch leatherette dashboard that extends to the door trims and leatherette seat upholstery to elevate the sense of sophistication. Leather accents on the steering wheel, gear knob and front armrest further enhance the premium feel.

Infinity LED tail lamps.

Advanced technology

The XUV 3XO is at the forefront of automotive technology twin 26.03 cm (10.25") HD screens having functionality of wireless Android Auto & Apple car play.

Advanced features, like a 65 W USB-C charging point and Electronic Parking Brake with Auto Hold, are tailored for tech-savvy users seeking convenience on the go.

harman/kardon

Wireless Charger &
65 W USB - C Fast Charging

Dual floating high-resolution screens - with the largest 10.25" digital cluster and 10.25" infotainment system

Adding to the list, an immersive audio experience is created through a Harman Kardon Premium Audio with a dedicated amplifier and sub-woofer that also offers Sonic Expanse, Bass Enhancer, a nine-band equaliser and four Ambient Sound Modes.

- Harman Kardon Premium Audio system, 7 speakers
- Wireless charging and connectivity with Apple and Android systems
- Ultra-fast 65W USB Charging that is capable of charging a laptop

World-Class Safety

The XUV 3XO sets a benchmark with 55 standard safety features, ensuring a safe cocoon for you and your loved ones. While the responsive handling and powerful engine transform every drive into an exhilarating experience, features like Level 2 Advanced Driver Assistance Systems (ADAS) offer a comprehensive package promising paramount safety.

Additionally , 360-degree surround view system with Blind View Monitor, new-generation Electronic Stability Control (ESC) with hill hold control and hill descent control, ensuring superior control in challenging driving conditions.

The vehicle comes standard with six airbags, four disc brakes, 3-point seat belts and seat-belt reminder for all seats along with passenger airbag on/off for child safety, ISOFIX child seats with top-tether, among others, providing comprehensive protection for all occupants.

Electronic Power Brake & Autohold

Level 2 Advanced Driver Assistance Systems make the XUV 3XO an impenetrable fortress. With a radar and a camera that detects obstacles, avoids collisions, and assists the driver, there's no place as safe and exciting on the road as this.

Diamond Cut Alloy Wheels

Superior SUV Comfort

The SUV's credentials are further enhanced by its bonnet, adding a sense of robustness and forward motion.

With a commanding seating position where the driver's eye level is almost 1.4 metres above the ground, the XUV 3XO offers best-in-class forward visibility of 23.7°.

Bold wheel arches and large tyres underscore its ruggedness, with the largest tyre outside diameter (OD) in its class, contributing to a formidable stance. The impressive ground clearance, calibrated approach and departure angles amplify the XUV 3XO's SUV-ness factor. Complementing these features are the segment-leading R17 Diamond Cut Alloy Wheels, which further accentuate its authoritative presence.

Spirited Performance

The XUV 3XO is powered by a turbo-petrol engine that is designed for exhilarating performance and superior efficiency.

Staying true to the brand's legacy of offering thrilling performance, the mStallion TCMPEi turbo-petrol engine delivers 82 kW and 200 Nm of torque. The engine features new vehicle management software and intelligent turbo-charging to clock a 0-60 km/h run in 4.6s while offering exceptionally low fuel consumption.

The XUV 3XO comes standard with a 6-speed AISIN Third Generation Automatic Transmission, renowned for its durability and reliability.

The transmission offers smooth gear shifts and is optimised to deliver great fuel efficiency as well as a 'fun to drive' experience.

**Boot space as per ISO V215. Disclaimer: Creative visualisation. For illustrative purpose only.

Its expansive interior offers ample legroom, headroom, and cargo space, ensuring the right space where counts. Experience the freedom of movement without compromising on style.

The XUV 3XO excels in providing a spacious and comfortable environment for all its occupants. This is complemented by the spacious boot space, which can accommodate up to 364 litres*. Additionally, the XUV 3XO offers leg and hip room for the first and second row passengers, ensuring a comfortable ride for all.

Space:

- Boot Space of 364 L**
- 60:40 split rear seats standard

The XUV 3XO is equipped with an advanced suspension system that includes a MacPherson Strut Fully Independent Front Suspension and a Twist Beam Semi-independent Rear Suspension.

This set-up ensures a ride quality that is quiet and comfortable, with quietness.

The SUV also features custom drive modes—Zip, Zap and Zoom, each designed to enhance the driving dynamics on varying terrains by adjusting the vehicle's performance characteristics. Moreover, the XUV 3XO incorporates MTV-CL (Multi-Tuned Valve Concentric Land) technology within the dampers. This advanced valving technology significantly improves ride and handling performance by optimising the suspension response to different driving conditions.

XUV 3XO

Disclaimers: All features mentioned in this booklet are not available on all the variants of Mahindra XUV 3XO ("Vehicle"). Accessories shown on the Vehicle are not part of the standard configuration and needs to be purchased separately. Performance figures shown are based on internal tests done by the experts in controlled environment. Actual performance figures may vary due to various factors such as driving conditions, maintenance, etc. and may differ in conditions. The images of the Vehicle shown are creative visualization and for illustrative purpose only. Tinted glass on the Vehicle is due to lighting effect. The colour of the Vehicle depicted in the image may differ from its actual appearance. Kindly visit your nearest Mahindra dealership to check the actual appearance of the Vehicle. Sunroof of the Vehicle is the largest sunroof in terms of dimensions in UVC segment and this feature is available only in select variants of the Vehicle. AdrenoX Application is available in select variants of the Vehicle. Harman Kardon audio system is available in select variants of the Vehicle. Harman Kardon and all related marks are registered trademarks of Harman and or its affiliates. Alexa feature is introduced to assist the Driver and improve the safety and convenience of driving a Vehicle. Alexa is only available in certain languages and regions. Alexa functionality may vary by location and variant of the Vehicle. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. In view of our policy of continuously improving our products, we reserve the right to alter specifications or designs without prior notice and without liability to you. We reserve the right to add or delete any feature without prior notice and without any liability. Drive Modes are available only in Petrol Automatic variants. 'Android Auto' is a trademark of Google LLC and its affiliates. To use Android Auto on the Vehicle display, you will need an Android phone running Android 6.0 version or higher, an active data plan, and the Android Auto app. Apple Carplay is compatible only with select mobile devices with iOS operating system. The software and security mechanisms in the Vehicle are subject to ongoing developments. Like with computers or the operating systems of mobile devices, the software and security mechanisms in the Vehicle may also be updated at irregular intervals. MicroHybrid is available in all the variants. Smart Pilot Assist and Adaptive Cruise Control is only available on Luxury pack (L) Petrol Automatic variants of the Vehicle. Advanced Driver Assistance System (ADAS) are meant to assist the driver to keep the passengers and pedestrians safe on the roads. ADAS is not a substitute for human eye and driver's vigilance. The driver shall remain fully responsible for safety, vigilant and attentive driving. Only the Luxury pack variants (L) come with Electronic Park Brake. AX7 and above variants come only with dual tone colour options. The spare tyre does not come with an alloy.
