Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear²	●
Electromechanical parking brake	●
First aid kit, warning triangle and high visibility vests	●
Seat belts with pre-tensioners for front and outer rear	●
Seat belt reminders for all passengers	●
Tyre pressure loss indicator	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving²	●

● = Standard | * = Optional equipment, Manufacturer’s Recommended List Price (MRLP) shown | — = Not available | NCO = No cost option

Δ Figures are calculated on the basis of 20 inch wheels.

° The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

Δ Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

* Manufacturer’s Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

Standard Equipment and Options

	Option Code	A6 45 TFSI quattro S line
Assistance systems ²		
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist ²		●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●
Audi side assist – blind spot warning system ²		●
Audi parking system plus front and rear with visual display ²		●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ²		●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening ²		●
Light and rain sensor – automatic control of lights-on function and windscreen wipers ²		●
Predictive efficiency assistant ²		●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●
Speed sign recognition – detected speed signs are displayed in the Audi virtual cockpit plus ²		●
Exterior features		
Audi Matrix LED headlights – combines LED light sources with precision optics for highly adaptive light distribution. If other vehicles are detected, the system selectively masks just the area of the detected vehicles. Other functions include position light, turning light, all-weather light, junction light, motorway light and dynamic indicators at the rear		●
Audi HD Matrix LED headlights – combines LED light sources with high definition precision optics for even higher resolution adaptive light distribution. If other vehicles are detected, the system precisely masks just the area of the detected vehicle. Other functions include position light, turning light, all-weather light, junction light, motorway light and dynamic indicators at front and rear. Also includes Coming home and Leaving home animation for front and rear lights		Included in Premium plus package
S line exterior package		●
Black exterior styling package – adds black highlights around the Audi Singleframe, the trim strips on the side windows, the front and rear bumpers and exterior mirrors in black	4ZD	\$1,600*
Convenience key, full keyless entry and start, and gesture control for the luggage compartment		●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side		●
Privacy glass – dark tinted rear and rear side windows		Included in Premium plus package
Sunroof, panoramic, tinted glass, electrically tilting and opening with electric sun shade	3FB	\$3,600*

● = Standard | * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | — = Not available | NCO = No cost option

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). ● = Standard | * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

≅ Conditions and exclusions apply, see <https://www.audi.com.au/au/web/en/owners/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

⚠ The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

⚠ Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

‡ The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Automatic service reminder are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is an A6 overseas model with optional equipment.
