(1) Fuel consumption figures are according to Australian Design Rule (ADR) 81/02. Driving style, road and traffic conditions, fitment of accessories, environmental influences and vehicle condition can lead to consumption figures which may differ from those calculated with these standards. (2) Range and energy consumption values are calculated based on the WLTP test procedure and according to ADR 81/02. Real world values will vary depending on many factors related to, for example, driving style, route, weather and road conditions, vehicle condition, use and equipment. Values for purpose of comparison amongst vehicles only. (3) Apple Carplay® requires an iPhone 5 or later version of iPhone, running iOS 7.1 or above. The function of Apple Carplay® requires mobile data for full capability. Compatibility and performance can vary and change. (4) Android Auto™ requires an Android 5.0 or later version of Android, installed with the Android Auto™ Application. The function of Android Auto™ requires mobile data for full capability. Compatibility and performance can vary and change. (5) This warranty will cover the costs of parts and labour needed to repair any manufacturing faults associated with your new vehicle (except those items listed in the Warranty Handbook under the section titled "What is not covered"). The warranty is subject to specific terms and conditions. Please contact your local dealer and refer to the vehicle warranty handbooks for full details of the factory warranty. (6) Terms & conditions apply. 8 years from the date of vehicle registration or 160,000km (whichever comes first). Please refer to alfaromeo.com.au for more information. (7) Roadside Assistance membership is provided by Digicall Assist Pty Ltd ABN 92 152 605 340 trading as 'Digicall Assist'. Whenever you request roadside vehicle assistance under your membership, you will be making that request to Digicall Assist, who will provide the services on the terms and conditions. The terms and conditions contain exclusions and limitations.
