Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’ From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million ute and pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years. We attribute our success to passion, drive and a commitment to listening to our customers.

Tough never looked so good.

With more style inside, and more power out,
we've chucked more in the new Cannon.

Don't be fooled by its rugged exterior, the GWM Cannon is a smooth and sophisticated driving experience. Locally-tuned, independent front suspension, paired with heavy duty rear leaf suspension creates outstanding load-carrying in any terrain.

Discover the thrill of driving in the refined, European designed cabin, with plenty of legroom and all the features you need. Depending on the model, the driver and passengers can also feel the benefit of heated power-adjustable seats*, a clever 360 degree camera* and a huge 12.3 inch colour instrument cluster.

Rugged on the outside. Luxurious inside.

*Ultra and above variants only

Integrated tailgate step ladder⁺

3.5 tonne towing[^]

60/40 split folding seats

[^]2.4L variant only
⁺Ultra and above variants only

We've chunked in more power.

Powered by a new 2.4 litre turbo diesel engine delivering 135kW and 480Nm or a 2.0 litre turbo diesel engine delivering 120kW and 400Nm, the GWM Cannon is a capable partner for just about anything.

When paired with the GWM self-developed 9-speed automatic transmission, the driving experience is nothing short of impressive whether carrying a light load or towing the boat or caravan.

The advanced 4x4 system engineered by respected global supplier Borg Warner provides the driver with superior technology including a rear differential lock and 4WD low range* to tackle tough off-road environments with ease.

*4x4 variants only

**Powered by a
new 2.4 or 2.0 litre
turbo diesel engine
delivering up to
135kW and 480Nm.**

More tech? Yep, we've chucked that in.

Staying connected has never been easier with Apple CarPlay® and Android Auto™ standard across the GWM Cannon range and displayed on a crystal clear 12.3 inch colour touchscreen for infotainment on demand.

There's also the added benefit of Wireless Charging, a dedicated Dash Cam USB Port*, Keyless Entry and Push button Start. The GWM Cannon truly is one of the most advanced and convenient utes available today.

*Ultra grade and above

Born tough. Built smart.

ANCAP Safety test

The GWM Cannon was born to tackle the toughest jobs but it was also built smart with a full suite of comprehensive safety systems designed to protect occupants and other road users.

Having achieved the highest possible 5 star safety rating by ANCAP in 2021*, the GWM Cannon comes with a number of advanced safety features including Autonomous Emergency Braking (AEB), Lane Keep Assist and Adaptive Cruise Control. Whether at work or play, you can be sure that GWM is looking out for you.

*Cannon-XSR variant not ANCAP rated

Protection from all angles.

Smart tech, active and passive safety features and front and side monitoring mean worry-free travel.

The Cannon-XSR is made for roads less travelled.

Built, bred and designed like no other, the XSR is a true 4x4 that completely changes the off-road game for good. With a rugged exterior including full underbody protection, snorkel, as well as front and rear steel bumpers, it'll go anywhere you point it. Plus, with a powerful turbo diesel engine, smart off-road tech, and an impressive collection of active and passive safety features, it will get you home comfortably from wherever it was you were.

If you need to chuck in more work than play.

This sturdy Cab Chassis body styling offers up to 1,150kg of payload is available in both single and dual cab. The aluminum tray offers great durability and versatility with a flat surface perfect for transportation of pallets or bulky items. Rated to tow between 3.2 to 3.5 tonne the Cannon CC is ready to go.

GWM Genuine Accessories. For the road ahead.

Visit gwmmanz.com/models/ute/cannon/accessories

See your GWM Dealer to confirm Genuine Accessories are suitable for your vehicle prior to ordering, as specifications, applicability, availability and fitment requirements may change over time. Consider combined mass of load and accessories to ensure gross vehicle mass limits are not exceeded. Fitment of certain accessories may require recalibration, relocation or removal of standard equipment (which may be retained by GWM Dealer). The displayed image serves as a representation of the actual part and may vary. Contact your GWM dealer for further information.
