Disclaimer:

1. AdBlue® diesel exhaust fluid is required. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V. 2. Intended for off-road use only. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use. 4. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. 5. All payloads are calculated by deducting the vehicle's Maximum Kerb Weight from its Gross Vehicle Mass (GVM). Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with factory fitted optional equipment included. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. Maximum gross axle loads to be confirmed closer to launch. 6. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 7. 800mm Water Wading achieved when maintaining a steady speed of 7 km/h. 8. 3rd row seats optional at additional cost on Ambiente. 9. Measured laden to roof, using VDA methodology.

P = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost

NCO = Factory Option that can be ordered before a vehicle is manufactured at no additional cost

Disclaimer:

¹⁰ Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. ¹¹ Leather accented refers to seats with a combination of real and artificial leather. No leather in 2nd row middle seat or 3rd row seats.

Disclaimer:

12. Wireless Charging only available with compatible phones. **13.** If the Rough Terrain Pack option is selected, the auxiliary switch panel replaces the sunglasses holder overhead console. **14.** Use of FordPass is subject to the FordPass Terms and Privacy Policy available on ford.com.au/FordPass and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the modem in your vehicle are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well-ventilated areas where you are aware of your vehicle's surroundings. **15.** BANG & OLUFSEN©2022 and B&O©2022. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive Systems Manufacturing Kft. All rights reserved. **16.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **17.** Connected Built-In Navigation services require SYNC 4A, FordPass Connect modem, and the FordPass App (FordPass terms apply). Eligible vehicles receive a 1-year connected navigation service that begins on the new vehicle warranty start date. Connected services depend on compatible network availability, including access to the 3G/4G telecommunications networks. **18.** Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4A features are compatible with all phones. For compatibility, see ford.com.au/sync. **19.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **20.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

Disclaimer:

21. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. iACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. **22.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **23.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar. **24.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Hill Descent Control on 4x4 models only. **25.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Evasive Steer Assist does not control steering. See Owner's Manual for details and limitations. **26.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. **27.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **28.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. See Owner's Manual for Limitations. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. It does not replace safe driving. See Owner's Manual for Limitations. **29.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. **30.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **31.** Drivers are responsible for maintaining the correct legal speed limit at all times and should not rely solely upon the Traffic Sign Recognition system. **32.** Maximum towing capacity-braked using a Genuine Ford tow pack (optional as part of a pack at additional cost). Subject to State and Territory regulations. To comply with these limits, any load transported by the vehicle may need to be restricted to not exceed the GCM and GVM limits. For further details regarding load restrictions, please consult your authorised Ford Dealer and / or refer to the owner manual. **33.** Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit.

Important information:

This brochure is designed to provide you with a general introduction to the Ford products (including available optional equipment) referred to and should be read in conjunction with the latest specification sheet. Features, designs, materials, colours and other specifications may vary from those depicted. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
