Mountain Top Cross Bars to suit Roller Cover*	LV589-CBFLEXLB02	Luxe
---	------------------	------

- Quick Release Functionality: Mountain Top Cross Bars are designed with a quick-release mechanism, allowing for swift and easy installation and removal when not needed
- High-Quality Aluminium: These cross bars are constructed from lightweight yet durable aluminium, offering strength and longevity
- Versatile Rack Systems: Mountain Top Cross Bars are versatile and can accommodate major rack systems, making them suitable for transporting various types of cargo
- Weight Capacity: With a load capacity of up to 75kg, these cross bars can handle a wide range of cargo, from offroad equipment to work-related items
- Secure Locking Mechanism: The quick-release system includes a secure locking mechanism to keep your cargo safely in place during transport
- Rubber Grips: The rack includes rubber grips to minimise wind noise during travel and to secure cargo items in place effectively.

ACCESSORY	PART NO.	MODELS
	LV589	Luxe
Mountain Top Roller Cover to suit Sailplane	LV589	Luxe

- Spring Retractable: The Mountain Top MTR Roll Cover features a spring retractable making it easy to open and close with minimal effort
- Durable Construction: Built to last, the MTR Roll Cover is designed to withstand tough conditions and protect your cargo from the elements
- Secure Cargo Protection: Keep your belongings safe and secure with the MTR Roll Cover's locking mechanism
- Sleek Design: Enhance the appearance of your Ute with the MTR Roll Cover's sleek and modern aesthetic, combining style and function seamlessly.

Mountain Top Bed Divider to suit Roller Cover*	LV589-BDLDV90P01	Luxe
--	------------------	------

- Adjustable Design: Fully adjustable lightweight panel, allowing you to configure your Ute's cargo space into different-sized zones
- Durable Construction: Built to withstand demanding use, the Bed Divider is crafted from high-quality aluminium, ensuring durability
- Enhanced Cargo Control: By using the Bed Divider, you can secure cargo more effectively during transportation, reducing the risk of shifting or damage
- Easy Installation: The Bed Divider is easily installed or removed from the Ute's integrated C-channel.

Tailgate Central Locking Kit*	LV541	All
-------------------------------	-------	-----

- The HSP Tail lock is truly a revolutionary product allowing you to sync your tailgate with your existing vehicle remote. Installation takes less than an hour as there is no drilling required along with simple wiring. The Tail Lock gives peace of mind knowing that when your car is locked, so is the tailgate.
