# From A to Beyond

With its potent formula of striking design, intuitive safety and an exhilarating driving experience, the Subaru Impreza is the hot hatch that's ready to take you from A to Beyond.

This sporty hatch delivers the promise of gripping adventures thanks to Subaru's legendary Symmetrical All-Wheel Drive and pulsing Boxer engine. Infused with an all-encompassing human-centred design approach, finessed by Subaru's engineers, both the driver and passengers are rewarded with a level of occupant comfort which ensures an epic ride.

Inside, the sophisticated space reveals a dynamically styled cabin, complete with an impressive infotainment system featuring an 11.6" touchscreen and wireless Apple CarPlay® and Android Auto™ smartphone connectivity<sup>1</sup>. Behind the wheel every drive is empowered by superior Subaru confidence, thanks to cutting-edge safety features, including the latest generation Eyesight Driver Assist including the new Emergency Driving Stop System (EDSS)<sup>2</sup> and Subaru's Vision Assist. Born from the innovation of Subaru DNA, infused with bold attitude, the feature packed Subaru Impreza gives you permission to embrace every experience as it unfolds in front of you.

Symmetrical AWD

Boxer Engine

11.6" Touchscreen

1. Compatible Apple® or Android™ device required. 2. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details.

## Style that performs

The Subaru Impreza is embodied in a chiselled, athletic hatch design, with class-leading driving dynamics.

Unleashing a seductive blend of sharp lines, alluring curves and aerodynamic functionality, it bristles with an energetic sportiness that inspires Impreza to go beyond.

With Subaru Impreza's confident urban swagger and weekend ambitions, you're in for gripping adventures and a hefty dose of fun. Every drive is empowered by impressive Subaru DNA performance credentials, thanks to advanced driving technology and engineering excellence. The result, is an uninhibited and engaging driving experience that elevates it to the top of the class.

Whether you're doing the morning coffee run or navigating unsealed roads with ease, Subaru Impreza's human-centred approach rewards both the driver and passengers with a level of occupant comfort designed to inspire a life of discovery.

Subaru Impreza AWD 2.0S. Optional premium paint shown.

## Front row seats

The Subaru Impreza gives you a front row seat to enjoy the sophisticated, dynamically styled cabin loaded with the latest tech.

Subaru has dialled up the energy with an impressive infotainment system, to match Impreza's big personality. Connect to the world inside and beyond, via an 11.6" touchscreen and wireless Apple CarPlay® and Android Auto™ smartphone connectivity<sup>1</sup>. Immerse yourself in the beats of your favourite DJ, music and podcasts with the touch of a button, or engage voice command for the ultimate convenience. Turn up the volume and lose yourself in the brilliant clarity of the premium Harman Kardon® audio system in the Subaru Impreza AWD 2.0S.

Chill as you zip between urban laneways and weekend getaways, with dual zone climate control air conditioning, while recharging your social battery, and your phone – thanks to wireless Qi charging.<sup>2</sup>

## Co-pilot for the everyday

The Subaru Impreza pulses with advanced Subaru safety technologies, making it the perfect co-pilot for every journey.

Putting the human factor centre stage, Subaru Impreza has been designed from the perspective of the driver for a seamless journey. In collaboration with an expert medical school, Subaru designers studied the body's natural movement and applied a human-centred design approach to every aspect of the interior for refined driver and passenger ergonomics.

With everything within optimal reach, the cockpit delivers an intuitive and fully immersive experience. Advanced Subaru tech including the latest generation Eyesight Driver Assist featuring the new Emergency Driving Stop System (EDSS)<sup>1</sup> and Subaru's Vision Assist, serve as your co-pilot for a drive that helps keep you, your passengers and those around you safe. Intelligent features like Lane Centring Function and Adaptive Cruise Control, are designed to help reduce driver fatigue on longer trips. While for an aerial view of your Subaru Impreza, the Panoramic 360 Degree View Monitor<sup>2</sup> displays the area around you. So when taking off from A to Beyond, Subaru Impreza has your back.

1. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details.

2. Panoramic 360 Degree View Monitor available on Subaru Impreza AWD 2.0S.

Subaru Impreza AWD 2.0S.  
Optional premium paint shown.

## Gripping experience

Drawing inspiration from Subaru's rally and motorsport roots, this hot hatch is ready to unleash an exhilarating, fun drive. Built upon five generations of innovation, Subaru Impreza inspires new discoveries every day thanks to impeccable handling and superb driving confidence.

Hit up the best outta town spots with your friends, tackle country roads and revel in Subaru Impreza's serious performance credentials. The low centre of gravity and Subaru Global Platform meld seamlessly with the superior grip, dynamic control and balance synonymous with Subaru Symmetrical All-Wheel Drive and the iconic horizontally-opposed Boxer engine. While the lively Lineartronic® CVT matches your driving style for a performance that's naturally smooth, quiet and efficient, making choosing the Subaru Impreza, well, automatic.

When you're ready to change up the pace, Impreza is ready to please, with Subaru Intelligent Drive (SI-Drive) providing two driving modes to match your mood. Dial up the sportiness for a responsive drive, made to match Subaru's legendary all-round driving balance and grip. It's all part of the unique DNA that sets the Subaru Impreza apart.

## Packed to go

The more you put in to every day, the more you get out of it – and that's what drives Subaru Impreza. Take the cargo area, with its wide flat load floor and expansive boot opening, you can effortlessly pack everything you need to make your day.

The Subaru Impreza cabin is designed for spontaneous adventures too, with a 60/40 split rear seatback that lets you customise your cargo and passenger space. Fold down one, or both of the rear seats to carry a larger load, with the flexibility to accommodate passengers big and small. Putting the fun into functional, the Subaru Impreza's versatility lets you take on adventures across town – or across the country.

Subaru Impreza AWD 2.0S. Optional premium paint shown.

## Heart and soul

When fine-tuning every element of Subaru Impreza's dynamic attitude, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

The heart and soul of Subaru Impreza owes its vitality to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Impreza's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution, Subaru Impreza boasts twice the grip capacity, compared to conventional two wheel drive vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru Impreza, learn more about the advanced engineering at [www.subaru.com.au/safety-active](http://www.subaru.com.au/safety-active)

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

## Towards zero fatal road accidents by 2030<sup>1</sup>

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet - working towards zero fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup>. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru Impreza aims to provide inherent safety and peace-of-mind, to help you make the most of every moment.

Road user safety is expressed in the design of countless Subaru innovations [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/outline/about/zeroaccident/](http://www.subaru.co.jp/en/outline/about/zeroaccident/).

The EyeSight® Driver Assist system, is standard on Subaru Impreza.

EyeSight® Driver Assist

## Second pair of eyes

This world-renowned preventative safety system is designed to operate like an ever-attentive second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

Subaru EyeSight® Driver Assist system incorporates a host of primary functions - Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning, Lane Departure Prevention, Lane Sway Warning and the new Emergency Driving Stop System (EDSS)<sup>1</sup>.

Intelligent features include Lane Departure Warning if the vehicle is about to depart from its detected lane. Lane Centring Function works with Adaptive Cruise Control to provide steering assistance, as well as accelerator and brake functions, to help maintain position in the detected lane. EDSS<sup>1</sup> can detect if the driver becomes unresponsive and bring the vehicle to a controlled stop while alerting other road users. Autonomous Emergency Steering, using EyeSight® cameras and the rear radar system, assesses the presence of other vehicles before assisting with evasive steering control, while Speed Sign Recognition displays the detected speed limit in the Multi-Information Display (MID) unit.

You'll look at safety with new eyes when you learn more about Subaru's advancements at [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details.

Subaru Impreza AWD 2.0S. Optional premium paint shown.

A smart driving companion to have on your side, Subaru's Vision Assist uses embedded cameras and radar technology on Subaru Impreza to detect vehicles and obstacles you can't see. Combined with the forward vision features of EyeSight® Driver Assist technology, Subaru's Vision Assist empowers drivers with a sixth sense to support preventative safety.

Vision Assist

Subaru Safety Sense

#### PANORAMIC 360 DEGREE VIEW MONITOR<sup>1</sup>

The Panoramic 360 Degree View Monitor<sup>1</sup> provides added visibility and precision to help with that perfect park.

Reverse Automatic Braking shown.

## All knowing, all seeing

Subaru's Vision Assist can give drivers a greater awareness of the world around them. Using EyeSight® Assist Monitor, lights are projected onto the lower windscreens to alert the driver when the various safety functions are engaged. Blind Spot Monitor uses rear sensors to make lane changes safer, by warning of vehicles detected in the blind spot. Meanwhile, Lane Change Assist can detect fast approaching vehicles from behind in the adjacent traffic lane and warn the driver of their presence. Rear Cross Traffic Alert can warn the driver that another car is approaching when reversing out of a parking space. Meanwhile, if the vehicle sensors detect an obstacle behind the vehicle while reversing, Reverse Automatic Braking can apply braking if the driver doesn't react first.

On Subaru Impreza AWD 2.0S, Front View Monitor<sup>1</sup> uses a grille mounted camera to capture images of the area in front of the vehicle to help avoid damage when parking. Side View Monitor<sup>1</sup>, uses a camera in the passenger door mirror to show the distance of the front passenger side of the vehicle from the kerb or a parked vehicle. Meanwhile, High Beam Assist<sup>1</sup> automatically adjusts the headlight beam to prevent dazzling other detected nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

1. Only available on Subaru Impreza AWD 2.0S.

**ANCAP**  
SAFETY

TESTED  
2024

Designated crumple zones direct impact energy away from the passenger cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

## Peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero

fatal road accidents in a Subaru vehicle by the year 2030<sup>1</sup> represents Subaru's ambitious future target, decades of astute observation, structural development and design research

has informed the remarkable safety advances built into the 5 star ANCAP<sup>2</sup> safety rated Subaru Impreza.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru Impreza's carefully engineered body structure and Subaru Global Platform, including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine, is designed to allow the engine to 'submarine' under the floor during a severe frontal collision - protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of nine SRS<sup>3</sup> airbags in Subaru Impreza can help reduce the possibility of serious injury in the event of a serious accident.

 This impressive line-up of advanced safety technologies is designed to protect you and your passengers on every journey. It's why the Subaru Impreza has been awarded a 5 star ANCAP<sup>2</sup> safety rating. Discover more reasons why Subaru Impreza gives you peace of mind protection at [www.subaru.com.au/safety](http://www.subaru.com.au/safety)

1. Subaru Corporation has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit [www.subaru.co.jp/en/outline/about/zeroaccident/](http://www.subaru.co.jp/en/outline/about/zeroaccident/).  
2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Impreza tested in 2024. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

Subaru Impreza tackles driver distraction and fatigue with Subaru's ingenious Driver Monitoring System - Driver Focus (DMS)<sup>1</sup>. This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System<sup>1</sup>

## Always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why DMS<sup>1</sup> has been developed to offer another layer of safety, coupled with personalised driver convenience.

Featuring advanced technology, the Subaru Impreza's DMS<sup>1</sup> uses near infrared LEDs and a camera designed to recognise when the driver's attention is waning or if they start to fall asleep. An alert can then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can also identify up to five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control setting and MID screen display.

Learn how the DMS<sup>1</sup> watches out for signs of driver distraction at [www.subaru.com.au/safety-preventative](http://www.subaru.com.au/safety-preventative)

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Harman Kardon<sup>®</sup> is a registered trademark of HARMAN International Industries, Incorporated. 3. Compatible Apple<sup>®</sup> or Android<sup>™</sup> device required. 4. Digital radio reception not available in all areas. 5. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth<sup>®</sup> wireless technology specification of individual device. 6. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 7. Compatible Qi enabled and compliant device required. 8. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 9. Every eligible Model Year 2026 onward Subaru Impreza comes with Subaru's 5 Year/75,000 Km (whichever occurs first) Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program).

Subaru Impreza AWD 2.0S. Optional premium paint shown.

# Welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you.

Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

## SUBARU NEW CAR WARRANTY - 5 YEAR UNLIMITED KILOMETRES<sup>1</sup>

Every new Subaru purchased for private use is covered by a 5 Year Unlimited Km manufacturer's national warranty. Visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty) or ask your Subaru Retailer for more information.

## SUBARU CAPPED PRICE SERVICING<sup>2</sup>

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing)

## 1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

## SUBARU'S MAP UPDATES<sup>3</sup>

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 2. Every eligible Model Year 2026 onward Subaru Impreza comes with Subaru's 5 Year/75,000 Km (whichever occurs first) Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit [www.subaru.com.au/service/pricing/capped-price-servicing](http://www.subaru.com.au/service/pricing/capped-price-servicing). 3. Subaru's Map Update Program is available on 2026 Subaru Impreza models purchased with the factory line fit Gen 4.0 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit [www.subaru.com.au/servicing/subaru-map-update-program](http://www.subaru.com.au/servicing/subaru-map-update-program).

## SUBARU ROADSIDE ASSISTANCE<sup>1</sup>

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

## SUBARU CERTIFIED COLLISION REPAIRER NETWORK<sup>2</sup>

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

## GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our Genuine Accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Impreza accessories visit [www.subaru.com.au/impreza/accessories](http://www.subaru.com.au/impreza/accessories). For more information on Genuine Subaru Accessories, visit [www.subaru.com.au/accessories-information](http://www.subaru.com.au/accessories-information).

## SUBARU INSURANCE<sup>3</sup>

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

## SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 152-point quality inspection giving you peace of mind - from participating Subaru Certified Used Car Retailers.

## AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/15,000km service intervals and 5 Year/Unlimited Km Warranty<sup>4</sup>. Affordable ownership gives you the freedom to enjoy where the fun takes you.

## SUBARU FINANCIAL SERVICES<sup>5</sup>

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit [www.subaru.com.au/roadside-assistance-program](http://www.subaru.com.au/roadside-assistance-program). 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit [www.subaru.com.au/retailers](http://www.subaru.com.au/retailers) to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit [www.subaru.com.au/owners/warranty](http://www.subaru.com.au/owners/warranty). 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
