- + LEAP Pilot (L2 ADAS)⁽⁵⁾
- + 360° Camera with Dynamic Guidelines
- + Integrated 360° Dashcam Recorder
- + Power Tailgate
- + LED Rear Light Bar (with Lighting Animation)
- + Leapmotor Connected Services
- + Over The Air Updates
- + NFC & Bluetooth® Key

4 40kW-720Nm sec 0-100km/h

(1) Range and energy consumption values are calculated based on the WLTP combined cycle test procedure. Real world values will vary depending on many factors related to, for example driving style, route, weather and road conditions, vehicle condition, use and equipment. Values for purpose of comparison amongst vehicles only. (2) Range and energy consumption values are calculated based on the NEDC test procedure and according to ADR 81/02. Real world values will vary depending on many factors related to, for example, driving style, route, weather and road conditions, vehicle condition, use and equipment. Values for purpose of comparison amongst vehicles only. (3) 6 years from the date of vehicle registration or 150,000km (whichever comes first). See your service and warranty manual for full details. (4) 8 years from the date of vehicle registration or 160,000km (whichever comes first). See your service and warranty manual for full details. (5) This system is a driver's convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions.
