STYLE

DYNAMIC PUDDLE LAMP

The Dynamic Puddle Lamp is more than just an accessory—it’s a statement. Upon entry to your Aston Martin, this premium lighting feature projects a soft white, moving illumination of the iconic Aston Martin name onto the ground, enhancing the sense of luxury with every step.

ASTON MARTIN

CARBON FIBRE TAILPIPE FINISHERS

Featuring a 2x2 twill polished carbon fibre outer sleeve, the stainless steel interior has been laser cut hexagon perforation. The innovative design channels air flow between the carbon and stainless steel to ensure temperatures are controlled.

Not available for UK and EU.

ILLUMINATED TREAD PLATES

Located in the door sill, these simple but elegant stainless steel tread plates are a great way to personalise your car with the DBX logo. Illuminating in a soft white light as the door opens. Supplied as a set of four.

PERSONALISED SILL PLAQUE SET

Personalise sill plaques with an engraved name or short message of your choice and a reproduction of your signature.

DBX 707 FENDER BADGE

The discreet fender badge, tastefully integrated into your vehicle's design, quietly asserts the elevated status of your model. It's a nod to those who appreciate the finer details, without the need for extravagant declarations.

CARBON FIBRE CENTRE CAPS

Exquisitely crafted, precision hand laid carbon fibre wheel centre caps supplied with a high quality Obsidian Black leather and Alcantara® lined presentation case. Available in a deep gloss or smooth satin finish and featuring the Aston Martin wings logo in a beautifully inlaid silver foil.

VALVE CAPS

For that finishing touch, choose these Aston Martin branded tyre valve caps. High quality, chrome plated and supplied as a set of four.

CARE

INDOOR CAR COVER

Keep your car in flawless showroom condition with one of our DBX Indoor Car Covers. Each cover is fully tailored and made in a soft mix with a protective fleece lining. The yarn has been dyed to prevent fading and the breathable material allows moisture to evaporate.

OUTDOOR CAR COVER

The Outdoor Car Cover uses a special advanced Nano technology formula where particles are woven into the fabric to create a waterproof and fully breathable coating that repels water to ensure long term protection and care for your car. The fabric is strong and stretches, allowing the cover to fit closer to each contour.

ULTIMATE CAR COVER

The Ultimate Car Cover is made from a knitted polyester fabric with a Teflon coating, allowing water to 'bead' and run off. The fabric is strong, durable and custom made, and whilst being weather resistant allows air to penetrate. Supplied with a storage bag and available to order online in Black, Grey or Navy.

CLEAN & CARE KIT

This carefully selected kit of Swissvax car care and cleaning products contains everything needed to keep your Aston Martin in pristine condition.

All items are conveniently presented and stored in an Aston Martin carry bag.

ALL WEATHER FLOOR & BOOT MATS

Made from a durable, water-resistant material, the All Weather Floor Mats are hard wearing and stylish. Available for the interior and as a boot liner.

ASTON MARTIN BATTERY CONDITIONER

The Aston Martin Battery Conditioner, specifically engineered to suit the electronic architecture of Aston Martin. The conditioner will monitor the car's battery voltage to maintain 100% efficiency and performance without fear of over-charge. The unit features a unique 'select and forget' function providing automated recovery from mains power loss.

REAR BUMPER PROTECTOR

The quick release bumper protector, offers convenient protection from scuffs and scratches on the rear bumper. In addition it covers any collecting dirt, which maybe transferred to clothing whilst loading and unloading the boot. Fixed into place using existing "D loops" located in the boot, it can be easily rolled and secured with leather fastenings.

REAR SEAT COVER

This high quality durable rear seat cover, offers complete protection for the rear seats of your DBX. With its water resistant properties, it is easily installed whilst also being machine washable.

KEY POUCH

The perfect finishing touch for your DBX – a high quality leather pouch, lined with Alcantara, used to protect your key. Embossed with the Aston Martin logo, the pouch closes magnetically and has a key chain attachment.

LOCKABLE STOWAGE

Discreetly concealed under the rear of the front seats, this lockable drawer is finished in high quality leather and fixed permanently under one of the front seats of the car offering a secure location for stowing your valuables.

TYRE CUSHIONS

High density foam tyre cushions perfect for use when storing your Aston Martin for any length of time. Designed to reduce flat spots when parked, the cushions mould around the tyre offering added protection. Suitable for all Aston Martin models the cushions are capable of supporting 2.5 tonnes and tyres up to 500mm wide. Branded with the Aston Martin Logo.

WINTER WHEEL & TYRE KIT

Rain or shine. Sun or ice. DBX has been designed to deliver sure-footed handling whatever the weather. Our winter tyres have been proven to improve traction and handling when the temperature drops below 7C.

The Winter Wheel and Tyre Kit includes a set of Aston Martin option wheels with a set of Pirelli Scorpion Winter tyres.

For Extreme weather Conditions ask about Aston Martin approved Snow Chains.

SOFT-CLOSE DOORS

Enhance your daily experience with the soft-close door system, now available for all DBX models. Soft-close cinching locks work in harmony with the swan-wing mechanism and infinite door stops to quietly and gracefully shut the doors without force.
