

As smart as it looks.

# HR-V

# Beyond first impressions.

Captivating, from the moment you lay eyes on it. The HR-V isn't just a car, it's an elegantly designed modern statement. And its allure is more than skin deep.

Step inside and discover an interior for those who crave more. A space where

technology and comfort come together to make every detail count. This is where form meets function. Where accessible meets innovation. And where your ambitions meet the road. Because beauty is more than just a shiny exterior.

## Street smarts, smooth starts.

Packed with smart engineering and a stylish new design, the Honda HR-V is as smart as it looks.

The e:HEV hybrid system intelligently combines multiple drive modes, switching seamlessly between combustion and electric to create a more responsive and smooth hybrid driving experience. Also available in petrol.

Honda Connect<sup>®D52</sup> offers added convenience – remotely lock the doors, geo-locate your car, and check your fuel level, all without stepping in your vehicle. Combined with Honda SENSING<sup>®D30</sup> safety features like Traffic Jam Assist and Collision Mitigation System, driving has never been more comfortable and intuitive.

From the sporty front grille to the seamless LED rear tail lights, and a spacious, driver-friendly interior that is both desirable and accessible, the Honda HR-V is built with uncommon smarts, sleek styling, and features that make every drive extraordinary.

D52 Vehicle is Honda Connect enabled. Honda Connect features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. D30 Honda SENSING is driver-assist technology. Drivers must continue to drive safe and monitor the road and not rely on technology. Accuracy and operation of Honda SENSING may vary based on weather, speed, traffic, road conditions, markings and other factors. Refer to owner's manual.

# UNFORGETTABLE

## Magic Seats<sup>®</sup>

The secret to the HR-V's miraculous use of space lies in its seats.

### Impressively versatile

Featuring 18 unique combinations, Honda's Magic Seats adapt effortlessly to pack almost anything in.

### Room for whatever matters most

Fold flat for maximum cargo space or flip the seats up to accommodate for tall or bulky items.

### Remarkably spacious cabin

The HR-V's spacious design makes every trip feel comfortable, no matter what you need to bring.

## Make a statement.

Inside and out, the HR-V is full of head-turning touches that help you make the most out of every moment.

### 18" Alloy Wheels

Add a little more joy to your drive with a slimline design that enhances road presence.

### LED Combination Headlights

Automatic dusk-sensing LED headlights, daytime running lights and turn signals make for one stylish and functional package.

### LED Fog Lights\*

Stunning fog lights that add presence to the grille and brilliantly illuminate the path in foggy conditions.

### Black Leatherette Seats with Fabric\*

Be comfortable in any climate with black leatherette seats that never go out of style.

### Hidden Handles and Privacy Glass

Cleverly integrated rear door handles for 5-door versatility with 3-door style. Plus, rear Privacy Glass for that extra bit of comfort.

\*Only available on e:HEV grades.

## The next evolution of self-charging

# HYBRID

e:HEV

### Intelligent Hybrid System

Unlike some hybrids, the e:HEV engine aids the electric motor – not the other way around. The result? A more responsive and efficient driving experience.

### All Torque

With an impressive 253Nm of torque, the e:HEV delivers an engaging driving experience.

### Fuel Consumption

Go further for less. Our e:HEV is rated for a combined fuel consumption of just 4.3L/100km.<sup>D47</sup>

### Reduced Emissions

Producing just 98g/km of CO<sub>2</sub><sup>D47</sup> the HR-V e:HEV helps to reduce your driving emissions.

<sup>D47</sup>The figures quoted are based on ADR81/02 combined test results. You may experience different results depending on driving conditions and the condition of the vehicle.

## Effortlessly Efficient

The HR-V's intelligent hybrid system combines multiple drive modes for a smoother and more responsive ride.

### **Electric Drive**

Delivers instantaneous acceleration from stationary using the energy stored in the battery.

### **Hybrid Drive**

Where the petrol engine and electric motors work together to provide a seamless driving experience.

### **Engine Drive**

Uses the petrol engine to help maintain higher speeds while charging the battery at the same time.

# Playfully sophisticated.

### 9-inch Touchscreen with Android Auto™<sup>D2</sup> and Wireless Apple CarPlay®<sup>†</sup>

Get directions, make calls and interact with some of your favourite apps – all while staying focused on the road.

### Dual-Zone Climate Control with Rear Vents\*

Individual zones keep your friends and fur babies nice and comfy. And with clever L-shaped vents, it'll feel more like a gentle breeze than a gust to the face.

### Multi-Angle Reversing Camera with Dynamic Guidelines

Get a better view of what's behind you with normal, top-down and wide angles. Plus, Dynamic Guidelines based on where your wheels are pointing.

## A few extra touches...

### Satellite Navigation

Handy for getting out of sticky situations. Like being outside of mobile range. Or forgetting your phone at home. It happens.

### Tyre Pressure Monitoring System

Smartly monitors and compares the rolling radius in all four tyres, alerting you long before they become an issue.

# Honda Connect.®<sup>D52</sup>

Honda  
CONNECT

A Honda HR-V first. Honda Connect®<sup>D52</sup> Gen1 gives you next-level telematics features that enhance safety, connectivity and convenience - right at your fingertips.

### Remote Climate Control

Prepare your Honda in advance with remote climate control. Remotely set your ambient temperature on your Honda Connect smartphone app to keep you and your passengers comfortable as soon as you step inside.

### Remote Lights On/Off

Never lose your car in a parking lot. With Honda Connect, you can remotely interact with your vehicle and locate your car by flashing your headlights and taillights on and off until you find your Honda.

### Remote Lock/Unlock

Worried you forgot to lock up? Does a passenger need access, but they don't have a key? With Honda Connect, you can remotely lock or unlock your Honda with a simple tap on your smartphone.

### Automatic Collision Detection<sup>D65</sup>

In the event of airbag deployment, a notification will get sent promptly to the device logged into Honda Connect. The app will also alert a Honda Connect Customer Care agent, who will call the Honda Connect user and dispatch emergency services to the location if there's no response.

Scan to learn more about Honda Connect.

\*Available on e:HEV L only. D2 Google, Android and Android Auto™ are trademarks of Google LLC. To use Android Auto™ on your car display, you'll need an Android phone running Android 5.0 or higher, an active data plan, and the Android Auto™ app. †Apple CarPlay®, iPhone and Siri are trademarks of Apple Inc. CarPlay® and Siri requires iPhone 5 model and above running iOS 7.1 or higher.

D52 Vehicle is Honda Connect enabled. Honda Connect features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. D65 Automatic collision detection is unavailable where there is no telecommunications network coverage, and may be unavailable during system maintenance or unplanned interruptions. This feature should not be relied on in the event of an emergency.

# Honda SENSING<sup>®D30</sup>

## Low Speed Braking Control

Detects obstacles and applies brakes to help prevent collisions at low speed.

## Traffic Sign Recognition System

Reminds you of certain road sign information such as the current speed limit your vehicle has just passed through, showing it on the gauge.

## Traffic Jam Assist

Works in conjunction with the Lane Keep Assist System (LKAS) to apply steering torque, keeping your vehicle centred in lane during heavy traffic.

## Lane Keeping Assist System (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

## Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a vehicle detected ahead of yours and, if the detected vehicle comes to a stop, can decelerate and stop your vehicle.

## Collision Mitigation Braking System (CMBS)

CMBS is designed to alert you when a potential front collision is determined, as well as to reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

## Road Departure Mitigation System (RDM)

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings, or approaching the outer edge of the road surface or a detected oncoming vehicle.

## High-Beam Support System (HBSS)

Automatically changes your headlights from low to high on a clear road, and then back to low beam when an oncoming vehicle is detected.

Honda SENSING

# Bringing safety to life.

With Honda SENSING<sup>®D30</sup> and an array of intuitive safety features at your disposal, the HR-V will help keep you safer on the roads.

## Front and Rear Parking Sensors

Helpful sensors that let you know how much space exists between you and an object.

## Rear Cross Traffic Alert (RCTA)\*

Designed to assist by monitoring and alerting you to approaching vehicles from either side when reversing out of car parking spaces.

## SRS Airbags

Front, side and curtain airbags are at the ready if you ever happen to get into an accident.

## Blind Spot Information System\*

Detects vehicles on either side in your blind spot. And if they get a little too close while you're indicating to merge, it'll alert you with a beep, too.

### Hands-Free Power Tailgate with Walk Away Close#

Open and close your boot with a gentle kick of your foot. And walk away with confidence, knowing that your car will be locked and secure.

## Honda Price Promise.

No would've, could've or should've. Your new Honda has the same price\* no matter which Honda Centre you visit in your state or territory. That's our Price Promise.

**Hit the road happy, no haggling required.**

5 Year Premium Roadside Assist

5 Low Price Services~

5 Year Unlimited KM Warranty†

Plus, 5-year Honda Connect<sup>5052</sup> subscription.

†5 year unlimited kilometre warranty available on all vehicles except those used for a Commercial Purpose, where a 5-year/140,000 kilometre (whichever occurs first) warranty is applicable. "Commercial Purpose" means the purpose of carrying passengers or goods in the course of business or trade, and includes, without limitation, a vehicle being used at any time, as a taxi, or for hire, rental, delivery, courier, ride sharing, driving school, tourist or security purposes. ~Five Low Price Services applies to new Honda vehicles only. Ex-Demonstrator or ex-service vehicles please speak to your Honda Centre. To find out more about what's included refer to your Owner's Warranty and Service Manual. Visit [Honda.com.au](http://Honda.com.au) for T&Cs. D52 Some Honda Connect app features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. Remote vehicle features vary by model and not all vehicles will have all features. \*The estimated driveaway price is based on the State/Territory. It includes metallic/pearlescent paint (where applicable), 12 months registration, 12 months compulsory third party insurance (CTP), a recommended Honda Centre delivery charge, stamp duty and administration charges, but excludes any reduction as a result of concession entitlements. An additional Cross Border Delivery fee and any resulting additional government charges will apply if you choose a vehicle with a specific colour and grade or an accessory that has to be delivered from another State or Territory. We recommend confirming pricing with your Honda Centre. Honda Australia may change vehicle pricing at any time.

^Loan products are issued, distributed and offered by Taurus Finance Holdings Pty Ltd ("Taurus") ABN 78 625 555 464 Australian credit licence 514213. Honda Australia Pty Ltd ("Honda Australia") ABN 66 004 759 611 and its sales agents promote the loan products under agreements with Taurus [and may receive administration fees or commissions in relation to loans]. Honda Financial Services is a registered trademark of Honda Motor Co., Ltd ("Honda") and Taurus holds a sub-licence to use that trademark. †For eligible applicants.

## Honda Finance made easy.

At Honda, we believe getting auto finance pre-approval shouldn't require a complicated process, or only be available at Honda Centres. That's why we've made it easy.

With Honda Finance, now you can get your pre-approval online in just 4 steps.†^

No paperwork and no impact on your credit score. Nice and simple.
