Comfort and functionality.

The cab is designed around you, with a car-like dashboard and a host of new features and functionalities to provide a superior work environment with a user-friendly interface, so you can focus on doing your job comfortably.

Functional dashboard

The new dashboard with ready-to-use storage compartments designed to make your life easy with phone and tablet holders, wireless charging* and all the spaces for your belongings.

Configurable cluster

Easily read all your vehicle's information on the standard 10-inch cluster with a wide screen and larger font sizes. Choose from three layouts, easily switching with the stalk lever button.

Infotainment

Enjoy your life on board with the 10 inch high-resolution* colour display integrated into the dashboard. Navigation is simple and intuitive, and you can link your mobile device with mirroring.

DAB radio

You can easily interact with the new DAB radio using the 7-inch (or optional 10-inch) touchscreen display and voice recognition, and connect your mobile device.

Supreme seating comfort

The seat cushion, backrest and headrest in memory foam deliver more safety and comfort with a premium driving experience. The seat and levers are designed to facilitate frequent entry and exit, typical of delivery

Hands-free entry & exit

Deliveries are fast and convenient with the new Keyless Entry & Go feature*, consisting of keyless operation of the Daily's door locks and engine Start&Stop function.

* Optional / part of pack contents

Effortless safety on the road.

The Daily offers a safe and stress-free driving experience with a host of new Advanced Driver Assistance Systems that will make driving on the road and in traffic, manoeuvring and stopping for deliveries effortless. The new ADAS are particularly valuable in urban applications, where they will help avoid possible collisions with pedestrians or cyclists.
