For over 50 years, more Australians have hit the road with one name they know they can rely on — Jayco. Built with experience, backed nationwide, and trusted across generations of travellers.

BUILT IN AUSTRALIA

Built by local experts using quality parts from trusted suppliers.

VALUE FOR MONEY

283,000+ RVs built with features others only offer as upgrades.

RE-SALE VALUE

A smart long-term investment that holds its value over time.

SUPPORT NETWORK

Over 130 service agents ready to help across Australia & New Zealand.

TRADE-IN CONFIDENCE

We back our product — you can always trade in your Jayco when you're ready.

PARTS & ACCESSORIES

Easy access to parts, servicing, and upgrades right across Australia.

WHEREVER YOUR 'HERE' IS

Whether it's the pull of the coastline, the calm of a quiet forest, or the simple joy of the open road, a Jayco is made for the moments that matter most.

Made for Australian conditions. Made for confidence when the road stretches on. And made to feel like home, wherever you pull up for the night. From livable layouts and quality craftsmanship to practical features that make every journey easier, Jayco pop tops are designed to help you travel your way —

comfortably, reliably, and without compromise. Because adventure looks different for everyone. And wherever your adventure takes you, it helps to know your pop top was built for it.

EASY ESCAPES**

Jayco Starcraft 17.58-3

There's confidence in starting simple. Knowing your Pop Top is designed to be easy to tow, easy to set up and easy to live with — from your very first trip onward.

Starcraft Pop Top is a smart entry into Pop Top ownership, delivering genuine Jayco quality, everyday comfort and practical inclusions that make travel feel effortless. Thoughtful design removes the guesswork, so you can spend less time setting up and more time enjoying where you've arrived. From comfortable sleeping and practical living spaces to a well-equipped kitchen

and simple power solutions, everything has been considered to make short breaks and longer escapes just as enjoyable. Built to last and backed by Jayco's nationwide dealer and service network, Starcraft Pop Top delivers real long-term value and peace of mind.

Why buy second hand when you can buy new?

MADE FOR RELAXED TRAVEL

Comfortable Sleeping

A Queen Slumberest innerspring mattress (Queen island bed layouts only), relaxed seating with leatherette upholstery and lightweight aluminium framing create a welcoming interior that's easy to live in, day and night.

Fully Equipped Kitchen

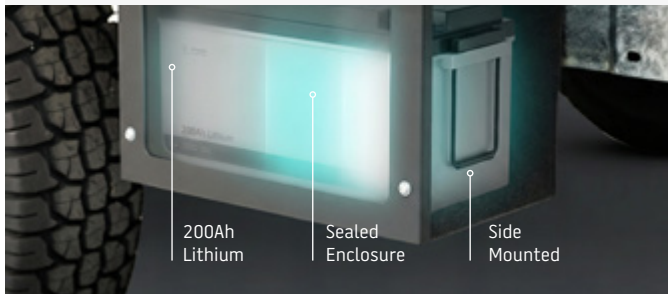

A modern kitchen includes a 150L 12V fridge with freezer, rangehood with 12V LED light and twin fans, microwave, and a 4-burner cooktop with built-in grill — all supported by smart storage throughout.

Easy Outdoor Living & Storage

A manual rollout awning creates a comfortable shaded outdoor space, while practical external storage provides easy access to the gear you need for relaxed, organised travel.

Reliable Power for Easy Touring

A 200Ah lithium chassis side-mount battery paired with the PM235J power system — featuring a 35amp AC charger, 30amp solar charging and Bluetooth app monitoring — works alongside a roof-mounted 200W twin-cell solar panel and external Anderson Solar input to support flexible, confident touring.

EXPANDA

POP TOP

**MADE FOR FAMILY
ADVENTURES** ←.....

Jayco Expanda 17.65-2 Outback

There's confidence in having space when you need it. Knowing your Pop Top is designed to expand, adapt and allow the whole family to enjoy the adventure.

The Expanda Pop Top is built around flexibility, with clever expandable beds, versatile living spaces and thoughtful inclusions that make travelling as a family feel easy and enjoyable. It's a design that grows with your plans, giving everyone their own space without sacrificing comfort or simplicity.

From sleeping up to eight to practical storage and family-friendly layouts, every detail is designed to make life on the road feel relaxed and enjoyable. Built to last and backed by Jayco's nationwide dealer and service network, Expanda Pop Top delivers long-term value and peace of mind — wherever your here takes you.

MADE FOR COMFORT & FLEXIBILITY

Expandable Family Sleeping

Expandable comfort beds allow the Expanda Pop Top to sleep up to eight, with slide-out beds, bunks and a convertible dinette creating flexible sleeping options for families of all sizes.

Comfortable Master Sleeping

Slumberest innerspring mattresses (foam to bunks) delivers supportive, restful sleep, giving parents a comfortable retreat at the end of the day.

Family-Friendly Kitchen & Fridge

A 150L 12V fridge/freezer and practical kitchen layout make it easy to prepare meals and store food for longer family trips.

Smart Living & Entertainment

A 7-inch LCD touchscreen panel provides clear system monitoring, while a 24" Smart TV and soundbar create a comfortable space for relaxing together indoors.

MADE FOR EASY SETUP & OUTDOOR LIVING

1. Relaxed Outdoor Living

A Dometic manual rollout awning paired with a fold-out picnic table creates a comfortable outdoor space for family meals, downtime and relaxing together outside.

2. Safer Maneuvering & Arrival

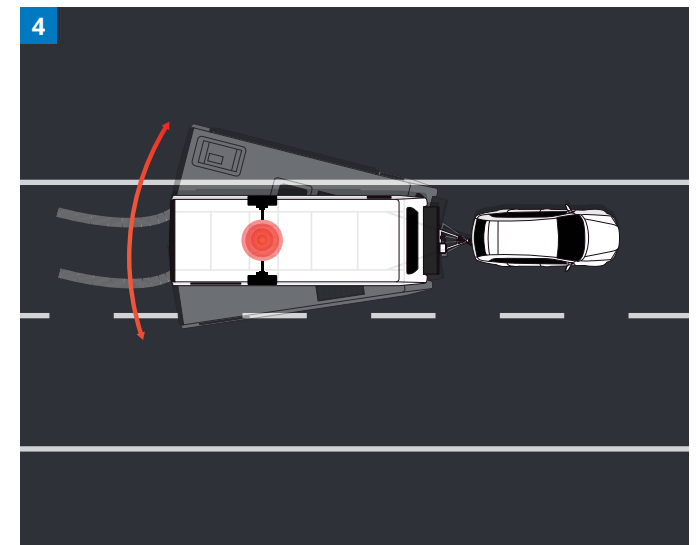

A wireless reversing camera improves rear visibility, making parking, hitching and campsite arrival easier and more reassuring — especially in busy holiday parks.

3. Practical External Storage

Well-considered external storage options provide space for outdoor gear, chairs and family essentials, helping keep the interior organised and clutter-free.

4. Built-In Safety & Stability

Electronic Stability Control (Sway Command), electric brakes, hydrogen filled tyres and integrated safety systems help keep towing steady and controlled, giving you added confidence on the road with the whole family on board.

MADE FOR OFF-GRID FREEDOM

Expanda Pop Top is designed for confident off-grid stays, combining a 300Ah lithium battery system with Jayco's PM535J power management system. Featuring a 35amp AC charger, MPPT solar charging and Bluetooth app monitoring, it's easy to manage power usage while travelling away from powered sites.

Twin roof-mounted solar panels support everyday energy needs, while generous onboard water storage — including 170L of fresh water — helps families stay comfortable for longer. Together, these systems deliver the freedom to camp further from the crowds and enjoy longer, more self-sufficient stays.

QUALITY CONSTRUCTION

MADE FOR THE LONG JOURNEY

Jayco pop tops are built using advanced materials and proven construction methods — not to impress on paper, but to perform where it matters. Designed for Australian conditions and real-world travel, every detail is made to deliver lasting strength, everyday comfort and confidence over years of ownership — not just the first trip.

Image for illustration purposes only. This cutaway representation is indicative only and does not depict all construction details. Specifications, features and materials may vary between models.

1. COMPOSITE WALL & ROOF SYSTEM

Vacuum-bonded composite walls and a one-piece domed roof improve insulation, reduce noise and enhance durability.

2. ALUMINIUM FRAME CONSTRUCTION

An aluminium frame — not timber — provides increased structural strength with reduced weight, supporting confident towing and long-term reliability.

3. INSULATED COMPOSITE WALL CORE

High-density insulation within the composite wall system improves thermal performance and interior comfort.

4. ONE-PIECE COMPOSITE FLOORING

Rot-resistant composite flooring delivers long-lasting durability and improved thermal insulation.‡

5. HOT DIPPED GALVANISED ENDURANCE CHASSIS

Each chassis is hot dipped galvanised inside and out, delivering superior corrosion resistance, strength and reduced maintenance over time.

6. JTECH 2.0 INDEPENDENT SUSPENSION*

Jayco's JTECH 2.0 suspension system enhances stability, handling and ride comfort, helping deliver smoother, more predictable towing.

EUROSTYLE FURNITURE

Unique to Jayco is the aluminium furniture construction which consists of aluminium extrusions incorporated into the furniture framing to increase strength and durability.

* Available on Outback models only. ‡ N/A Starcraft

MADE FOR CONFIDENCE. LONG AFTER THE BUILD.

Buying a pop top is a big decision — and confidence matters well beyond the first trip. From how your Jayco is built, to how it's supported years down the track, everything is designed to deliver lasting value, reliability and peace of mind at every stage of ownership. Because being made for here isn't just about where your journey starts — it's about knowing you're backed wherever it leads.

BUILT HERE. BACKED FOR THE LONG HAUL.

Proudly designed and built in Australia for over 50 years, Jayco pop tops are engineered using quality materials and local expertise to suit Australian conditions. Just as importantly, they're supported long after you leave the showroom — so you can travel with confidence today, and for years to come.

MORE INCLUDED. FEWER COMPROMISES.

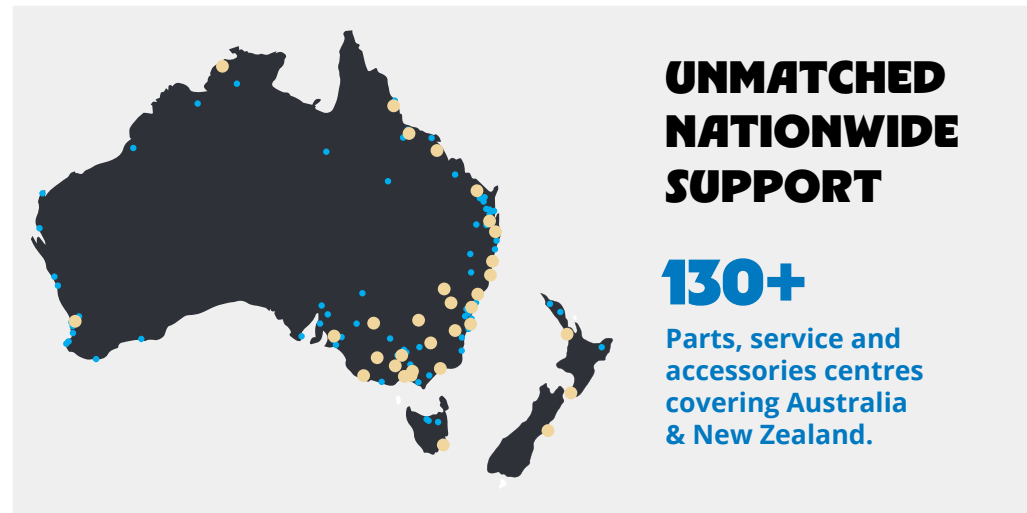

Jayco pop tops come equipped with features many brands list as optional extras. That means better value from day one, fewer surprises, and a setup that's ready to go when you are — without needing to add more just to get started.

PARTS, ACCESSORIES & PEACE OF MIND.

With one of the largest parts and accessories networks in Australia and New Zealand, Jayco makes it easy to service, maintain and personalise your pop top over time. From routine maintenance to upgrades down the track, ownership is simple, supported and stress-free.

STRONG RESALE. SMARTER INVESTMENT.

Built with quality and long-term reliability in mind, Jayco pop tops hold their value exceptionally well. It's an investment that delivers enjoyment now — and confidence when it's time to upgrade.
