283,000+ RVs built with features others only offer as upgrades.

RE-SALE VALUE

A smart long-term investment that holds its value over time.

SUPPORT NETWORK

Over 130 service agents ready to help across Australia & New Zealand.

TRADE-IN CONFIDENCE

We back our product — you can always trade in your Jayco when you're ready.

PARTS & ACCESSORIES

Easy access to parts, servicing, and upgrades right across Australia.

WHEREVER YOUR 'HERE' IS

Whether it's the pull of the coastline, the calm of a quiet forest, or the simple joy of the open road, a Jayco is made for the moments that matter most.

Made for Australian conditions. Made for confidence when the road stretches on. And made to feel like home, wherever you pull up for the night. From livable layouts and quality craftsmanship to practical features that make every journey easier, Jayco caravans are designed to help you travel your way —

comfortably, reliably, and without compromise. Because adventure looks different for everyone. And wherever yours takes you, it helps to know your caravan was built for it.

MADE FOR ADVENTURE

1. Elevated Outdoor Comfort

A 12V electric rollout awning with integrated LED lighting creates a comfortable outdoor living space from day into night.

2. On-Demand Hot Water

An on-demand gas hot water system delivers reliable hot water when you need it, making showers, washing up and everyday routines easy wherever you stop.

3. Purpose-Built Storage Solutions

A heavy-duty slide-out tunnel boot tub provides easy access to external storage for longer trips.

4. Safety and Stability on the Road

With Electronic Stability Control, electric brakes, a Tow Secure emergency braking system, nitrogen filled tyres and a wireless reversing camera, Discovery is designed to help keep every journey steady, controlled and reassuring — especially when conditions are less predictable.

ADVANCED POWER FOR LONGER STAYS

A high-capacity 300Ah lithium battery works seamlessly with Jayco's PM535J power system, combining a 35A AC charger, 30A DC/DC charging, MPPT solar regulation, and 520W solar with twin-cell technology.

With 7-inch LCD touch screen control panel and Bluetooth app monitoring, this integrated system delivers reliable off-grid power for longer, more independent stays.

QUALITY CONSTRUCTION

MADE FOR THE LONG JOURNEY

Jayco caravans are built using advanced materials and proven construction methods — not to impress on paper, but to perform where it matters. Designed for Australian conditions and real-world travel, every detail is made to deliver lasting strength, everyday comfort and confidence over years of ownership — not just the first trip.

1. COMPOSITE WALL & ROOF SYSTEM

Vacuum-bonded composite walls and a one-piece domed roof improve insulation, reduce noise and enhance durability.

2. ALUMINIUM FRAME CONSTRUCTION

An aluminium frame — not timber — provides increased structural strength with reduced weight, supporting confident towing and long-term reliability.

3. INSULATED COMPOSITE WALL CORE

High-density insulation within the composite wall system improves thermal performance and interior comfort.

4. ONE-PIECE COMPOSITE FLOORING

Rot-resistant composite flooring delivers long-lasting durability and improved thermal insulation.‡

5. HOT DIPPED GALVANISED ENDURANCE CHASSIS

Each chassis is hot dipped galvanised inside and out, delivering superior corrosion resistance, strength and reduced maintenance over time.

6. JTECH 2.0 INDEPENDENT SUSPENSION*

Jayco's JTECH 2.0 suspension system enhances stability, handling and ride comfort, helping deliver smoother, more predictable towing.

EUROSTYLE FURNITURE

Unique to Jayco is the aluminium furniture construction which consists of aluminium extrusions incorporated into the furniture framing to increase strength and durability.

* Available on Outback models only. ‡ N/A Starcraft

MADE FOR CONFIDENCE. LONG AFTER THE BUILD.

Buying a caravan is a big decision — and confidence matters well beyond the first trip. From how your Jayco is built, to how it's supported years down the track, everything is designed to deliver lasting value, reliability and peace of mind at every stage of ownership. Because being made for here isn't just about where your journey starts — it's about knowing you're backed wherever it leads.

BUILT HERE. BACKED FOR THE LONG HAUL.

Proudly designed and built in Australia for over 50 years, Jayco caravans are engineered using quality materials and local expertise to suit Australian conditions. Just as importantly, they're supported long after you leave the showroom — so you can travel with confidence today, and for years to come.

MORE INCLUDED. FEWER COMPROMISES.

Jayco caravans come equipped with features many brands list as optional extras. That means better value from day one, fewer surprises, and a setup that's ready to go when you are — without needing to add more just to get started.

PARTS, ACCESSORIES & PEACE OF MIND.

With one of the largest parts and accessories networks in Australia and New Zealand, Jayco makes it easy to service, maintain and personalise your caravan over time. From routine maintenance to upgrades down the track, ownership is simple, supported and stress-free.

STRONG RESALE. SMARTER INVESTMENT.

Built with quality and long-term reliability in mind, Jayco caravans hold their value exceptionally well. It's an investment that delivers enjoyment now — and confidence when it's time to upgrade.
