

# SILVERLINE

LUXURY AS STANDARD

# MADE FOR HERE

For over 50 years, more Australians have hit the road with one name they know they can rely on — Jayco. Built with experience, backed nationwide, and trusted across generations of travellers.

## **BUILT IN AUSTRALIA**

Built by local experts using quality parts from trusted suppliers.

## **VALUE FOR MONEY**

283,000+ RVs built with features others only offer as upgrades.

## **RE-SALE VALUE**

A smart long-term investment that holds its value over time.

## **SUPPORT NETWORK**

Over 130 service agents ready to help across Australia & New Zealand.

## **TRADE-IN CONFIDENCE**

We back our product — you can always trade in your Jayco when you're ready.

## **PARTS & ACCESSORIES**

Easy access to parts, servicing, and upgrades right across Australia.

# LUXURY THAT STANDS THE TEST OF TIME

For over 50 years, Jayco has been trusted by generations of Australians to deliver quality, comfort and confidence on the road. The MY26 Silverline is the ultimate expression of that legacy — where enduring craftsmanship meets contemporary luxury.

Designed for travellers who value refinement as much as reliability, Silverline brings together thoughtful design, premium materials and proven innovation to create a truly elevated travel experience.

Step inside and discover interiors shaped by experience — generous, beautifully finished spaces designed to feel calm, welcoming and effortlessly liveable.

From intuitive technology to carefully considered details, every element of the MY26 Silverline has been crafted to enhance comfort wherever you choose to stay.

This is luxury built on experience.  
Designed for today.  
Refined over generations.

# A PREMIUM EXPERIENCE

Jayco Silverline 21.65-3 Outback

There's confidence in choosing something exceptional.

Knowing your caravan is designed to deliver comfort, refinement and space exactly when you need it — without compromise. Silverline is built for those who value quality you can feel on every adventure.

Silverline is Jayco's most refined touring experience, shaped by thoughtful design, premium materials and luxury inclusions throughout. Spacious interiors, flexible layouts and carefully considered finishes create a sense of ease on the road.

From relaxed evenings outdoors to beautifully finished living spaces inside, every detail supports a more effortless way to travel. Built to last and backed by Jayco's nationwide dealer and service network, Silverline delivers enduring comfort and peace of mind — wherever your journey takes you.

# MADE FOR EFFORTLESS LUXURY

## Premium Comfort & Private Ensuite

Hotel-inspired comfort with a queen-size Tempur® luxury mattress and a fully appointed ensuite with 3.3kg washing machine.

## Refined Kitchen & Dining

A beautifully designed kitchen featuring a large 216L 12V fridge, premium appliances and generous storage for effortless everyday living.

## Intelligent Comfort Control

A 10-inch touchscreen control panel provides intuitive monitoring of power, water levels and onboard systems

## Sophisticated Interior Finishes

High-quality materials, modern cabinetry, European leather and carefully curated finishes create a calm, luxurious interior environment.

# MADE FOR EFFORTLESS TOURING

## Outdoor Living, Elevated

A 12V electric rollout awning with integrated LED strip lighting creates a comfortable, usable outdoor space day or night. External entertainment hatches, picnic table with built in storage and external hot & cold shower make it easy to relax, cook and unwind outdoors.

## Confident Towing & Safety

Silverline is engineered for composed towing, with electric brakes, Electronic Stability Control (Sway Command), nitrogen filled tyres and Tow Secure emergency braking. Twin wireless reversing cameras improve visibility when manoeuvring or hitching, adding confidence on every journey.

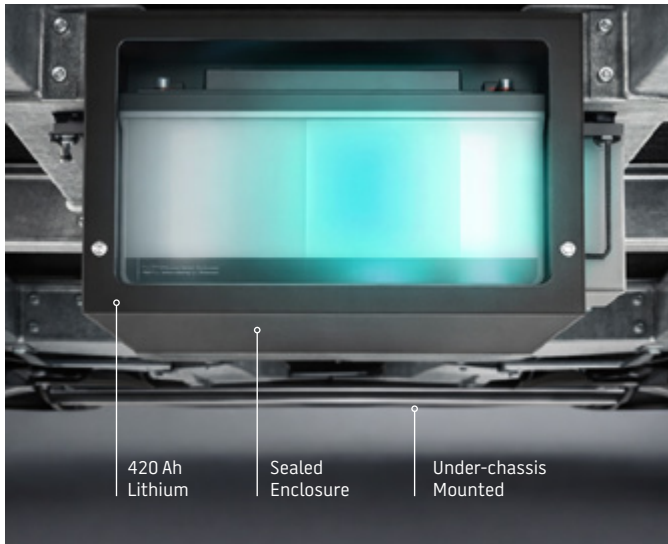

## Practical Storage, Thoughtfully Designed

A large front tunnel boot with access from the front and both sides makes packing and accessing bulky touring gear simple. Additional external storage solutions help keep the interior organised and clutter-free.

## Made for Adventure

A hot-dipped galvanised chassis, durable composite construction and quality exterior finishes are designed to handle Australia's varied conditions — delivering long-term durability wherever the road leads.

## MADE FOR OFF-GRID CONFIDENCE

### High-Capacity Solar Power

Silverline is equipped with 3 × 260W roof-mounted solar panels using twin-cell technology, delivering up to 780W of solar input to support extended off-grid touring without reliance on powered sites. An external off-side Anderson solar input allows additional portable solar panels to be connected when needed, giving you greater flexibility to capture power wherever you stop.

### Advanced Battery & Charging Systems

Power is stored in a 420Ah lithium under-chassis battery system, with optional upgrades available. A PM635J 60A AC charger, 45A DC/DC charger and MPPT solar charging work together to efficiently charge from mains, vehicle or solar sources.

### High-Output Inverter Power

An optional 3000W inverter (with 4000W 48V inverter option) provides reliable 240V power for everyday appliances while off-grid, giving you the flexibility to travel further without compromise.

### Smart Monitoring & Water Support

A 10-inch touchscreen control panel allows real-time monitoring of battery, solar and water levels at a glance. Combined with freshwater capacity of up to 3 × 95L tanks and an onboard water filtration system, Silverline is designed to support longer stays away from refilling points.

# EXPERIENCE THE OUTBACK DIFFERENCE

Jayco Silverlines can be upgraded to an Outback model.

- Protective aluminium checker plate
- RHS black powder coated bumper bar
- Higher ground clearance
- Outback drop jacks
- 16" Rims with all-terrain tyres
- External under chassis mount toolboxes
- A-frame mounted stone guard
- External 12v power socket
- External Anderson solar input to offside
- Recessed coupling

**NOTE:** A Jayco Outback upgrade allows towing on limited unsealed roads. Always take care to prepare for unsealed road usage by understanding the road conditions and the associated towing requirements. We also recommend reading your Jayco Owner's Handbook and Service & Warranty book for more information.

MPPT solar charging

+ offside provision

# QUALITY CONSTRUCTION

Jayco caravans are built using advanced materials and proven construction methods designed to deliver lasting strength, everyday comfort and confidence over years of ownership — not just the first trip.

## 1. COMPOSITE WALL & ROOF SYSTEM

Vacuum-bonded composite walls and a one-piece domed roof improve insulation, reduce noise and enhance durability.

## 2. ALUMINIUM FRAME CONSTRUCTION

An aluminium frame — not timber — provides increased structural strength with reduced weight, supporting confident towing and long-term reliability.

## 3. INSULATED COMPOSITE WALL CORE

High-density insulation within the composite wall system improves thermal performance and interior comfort.

## 4. ONE-PIECE COMPOSITE FLOORING

Rot-resistant composite flooring delivers long-lasting durability and improved thermal insulation.‡

## 5. HOT DIPPED GALVANISED ENDURANCE CHASSIS

Each chassis is hot dipped galvanised inside and out, delivering superior corrosion resistance, strength and reduced maintenance over time.

## 6. JTECH 2.0 INDEPENDENT SUSPENSION

Jayco's JTECH 2.0 suspension system enhances stability, handling and ride comfort, helping deliver smoother, more predictable towing.

## EUROSTYLE FURNITURE

Unique to Jayco is the aluminium furniture construction which consists of aluminium extrusions incorporated into the furniture framing to increase strength and durability.

## CONSTRUCTION

	TR	OB
Chassis - hot dipped galvanised	•	•
Floor - One Piece Polyethylene Terephthalate (PET)	•	•
Furniture - euro style with aluminium seat framing	•	•
Roof - sandwich construction, one piece fibreglass skin	•	•
Suspension - JTECH 2.0 suspension independent coil	•	•

# MADE FOR CONFIDENCE. LONG AFTER THE BUILD.

Buying a caravan is a big decision — and confidence matters well beyond the first trip. From how your Jayco is built, to how it's supported years down the track, everything is designed to deliver lasting value, reliability and peace of mind at every stage of ownership. Because being made for here isn't just about where your journey starts — it's about knowing you're backed wherever it leads.

## BUILT HERE. BACKED FOR THE LONG HAUL.

Proudly designed and built in Australia for over 50 years, Jayco caravans are engineered using quality materials and local expertise to suit Australian conditions. Just as importantly, they're supported long after you leave the showroom — so you can travel with confidence today, and for years to come.

## MORE INCLUDED. FEWER COMPROMISES.

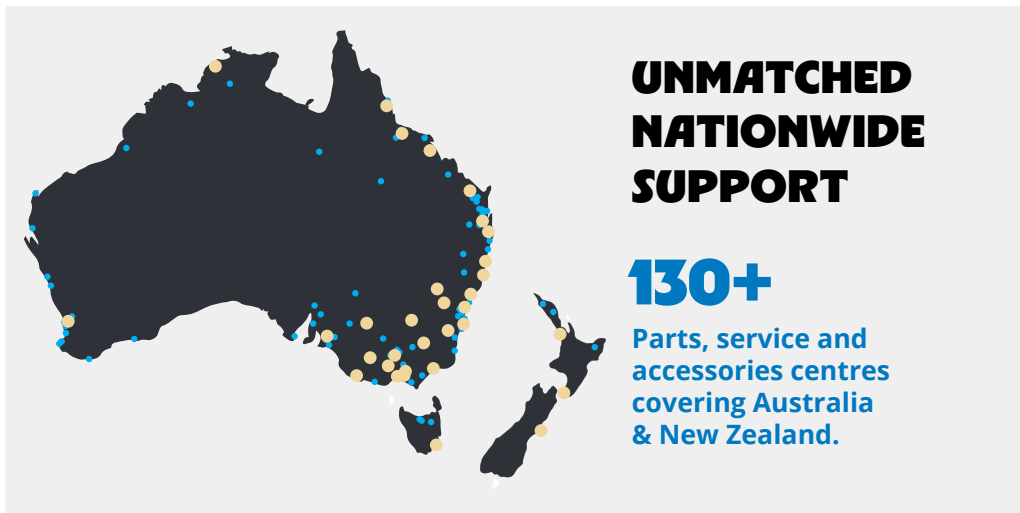

Jayco caravans come equipped with features many brands list as optional extras. That means better value from day one, fewer surprises, and a setup that's ready to go when you are — without needing to add more just to get started.

## PARTS, ACCESSORIES & PEACE OF MIND.

With one of the largest parts and accessories networks in Australia and New Zealand, Jayco makes it easy to service, maintain and personalise your caravan over time. From routine maintenance to upgrades down the track, ownership is simple, supported and stress-free.

## STRONG RESALE. SMARTER INVESTMENT.

Built with quality and long-term reliability in mind, Jayco caravans hold their value exceptionally well. It's an investment that delivers enjoyment now — and confidence when it's time to upgrade.

### RELAX. YOU'RE IN A JAYCO.

Jayco's comprehensive warranty promise offers 2 years manufacturing and 5 years structural warranty coverage. Our warranty provides added peace of mind for our travelling customers. All warranty repairs are managed by our extensive reach of dealerships and authorised service agents who have direct access to Jayco's knowledge bank and systems for warranty repairs and delivery of parts.

### HERE FOR YOU ON YOUR JOURNEY

Jayco RV owners can enjoy the reassurance of the Jayco Assist program available with every purchase of a new Jayco RV\* to the original owner. Jayco Assist provides 24/7 emergency support and assistance for the first three years of Jayco RV ownership whilst travelling and away from home.

Jayco Financial Services Pty Ltd Credit Representative number 513573 of My Local Broker PTY LTD (Australia Credit License no 481374) Finance will be supplied to approved applicants only (not available to fleet, government or rental buyers), subject to credit assessment and lending criteria. Fees and charges are payable. Full conditions available on application.

\* RVs used for commercial use are not covered by the Jayco Assist. Jayco RVs in New Zealand are not covered under Jayco Assist. New Zealand Jayco RV owners are recommended to seek an independent emergency assist program.
