

2024MY
F-150

Don't worry about service.
That's our job.

Fit your Ford with
insurance made for it.

Know what you'll pay

When you buy a new Ford, you'll know exactly how much each of your first four general car services will cost.

Service made easier

We have great offerings that make servicing more convenient, like loan cars¹, pick up and drop off², Express Service³ and online booking.

Roadside Assistance⁴

When you purchase a new F-150, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

New Genuine Ford Parts⁵

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Automatic off-road cover⁷

Enjoy peace of mind with automatic off-road coverage included.

Dealer fitted accessories⁶

Accessories which are fitted on your vehicle by a dealership are automatically included.

Removal of excess for glass damage⁸

The Standard Excess under your policy won't be applied for windscreen, sunroof or window glass only claims.

Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please email askfleet@ford.com

1. Subject to availability. Participating dealers only. Other dealer conditions or requirements may apply.
2. Pick Up and Drop Off available for a general service or warranty repair only subject to dealer capacity and vehicle roadworthiness and driveability. Participating dealers only. Other dealer conditions or requirements may apply.
3. When a 90-minute Express Service is booked. 90 minutes from key handover to service completion for a General Service only, as set out in your vehicle's Service Portfolio. Does not include other work or repairs that may be required. Participating dealers only.
4. Available to Retail Customer or a Blue Business Fleet Customer only. Customer must comply with schedule service intervals at participating dealers to be eligible for 12 months Ford National Roadside assistance. see <https://www.ford.com.au/owners/service/t-and-c/> for full terms.
5. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.
6. When purchasing your vehicle from a dealership, accessories included on the purchase invoice are included in cover, without the need to list them on your schedule. Refer to the Ford Insure PDS for full details.
7. If Your Vehicle is damaged while it is being driven on a beach or off any public road, coverage may be available. Any claim will be subject to any applicable excess being doubled and the PDS terms and conditions. Refer to the Ford Insure PDS for full details.
8. Automatic removal of your standard excess on glass damage means the Standard Excess will not apply if you sustain a loss where the only damage to your Vehicle was glass damage. Refer to the Ford Insure PDS for full details.

Disclaimer:

1. Overseas model power & torque figures, tested to SAE J1349 standards. **2.** Fuel consumption and emissions as per ADR81/02 (combined cycle) and to be used for vehicle comparison purposes only. Actual fuel consumption will depend on many factors including driving habits, prevailing conditions, vehicle condition and use. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for more information. **4.** Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Payload is calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **5.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. All Pick-up box dimensions take into account the spray-in bedliner.

Disclaimer:

9. Wireless Charging only available with compatible phones. **10.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay/Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on select-ed SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **11.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **12.** BANG & OLUFSEN© 2024 and B&O© 2024. BANG & OLUFSENTM and B&OTM are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive System Manufacturing Kft. All rights reserved. **13.** Use of Ford app is subject to the Ford app Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and vehicle's modem can only work when both are connected to the telecommunications network. The vehicle's modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the mo-dem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop (available on LARIAT model only) responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **14.** Eligible vehicles receive Connected Navigation Services for 1 year from the Ford Express New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To use Connected Navigation Services, users must have created a Ford app account (terms apply), have fully activated the vehicle's mo-dem and have SYNC Location set to 'on'. **15.** Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **16.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. **17.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for more information. Trailer Coverage system (requires a genuine factory fit tow bar) supports conventional trailer dimensions: up to 2.6 m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. **18.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for more information. **19.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Intelligent Adaptive Cruise Control (iACC) uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator or via steering wheel controls. In some circumstances, iACC will use map data to set the vehicle speed. Ford recommends keeping map data updated by fully activating the vehicle's modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. Adaptive Cruise Control and Lane Centring has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby when iACC is active. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Lane Centring feature should be disabled via the Driver Assistance menu in SYNC before towing. Customers should read the Owner's Manual for details of the limitations of the iACC system before activating. **20.** Speed Sign Recognition will not always detect the correct speed limit and may display a speed that is above or below the actual speed limit. In some circumstances Speed Sign Recognition will use map data to display the speed limit on the digital instrument cluster. Ford recommends keeping map data updated by fully activating the vehicle's modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **21.** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Please see Owner's Manual for more information. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h.

Disclaimer:
22. Maximum towing capacity braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with regulations and vehicle GCM and GVM limits, the weight of any load transported by the vehicle may need to be restricted. For further details regarding load weight restrictions, please consult your authorised Ford Dealer and refer to the Owner's Manual. **23.** Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. **24.** Trailer Light Check requires a Genuine Ford Tow Bar to be fitted and can be used via SYNC, or via Ford app as a Connected Service. Where used via the app as a Connected Service, eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date after which time, the Connected Service may cease to be available, or may be subject to a subscription fee. Users must have created a Ford app account (terms apply) and have fully activated the vehicle's modem to use this feature via the app. **25.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for more information.
