

2026.50MY

Transit Custom

Don't worry about service.
That's our job.

Fit your Ford with
insurance made for it.

Know what you'll pay

When you buy a new Ford, you'll know exactly how much each of your first four general car services will cost.

Service made easier

We have great offerings that make servicing more convenient, like loan cars¹, pick up and drop off², Express Service³ and online booking.

Roadside Assistance⁴

When you purchase a new Transit Custom, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

New Genuine Ford Parts⁵

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Automatic off-road cover⁷

Enjoy peace of mind with automatic off-road coverage included.

Dealer fitted accessories⁶

Accessories which are fitted on your vehicle by a dealership are automatically included.

Removal of excess for glass damage⁸

The Standard Excess under your policy won't be applied for windscreen, sunroof or window glass only claims.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured at an additional cost P = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost.

Disclaimer:

1. Auto Stop/Start will not occur in all situations. **2.** Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption and emissions figure will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. **3.** Based on a full charge. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, route profile, vehicle maintenance, and lithium-ion battery age and condition. WLTP Overall Range reflects a combined driving cycle. This test is conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load. **4.** Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V. **5.** Charging times may vary. Charging rate and time are dependent on battery state of charge, charger output, battery temperature and ambient temperature. **6.** Requires professionally installed Wall Box at home (not supplied) or can be used at public charging stations. **7.** One pedal drive is an extra driving aid.It does not replace the driver's attention and judgement,or the need to apply the brakes. **8.** Weight capacity = 155kg when using all 3 cross bars. Weight capacity refers to dynamic load condition. 155kg load rating applies to loads applied evenly across all 3 cross bars, maximum load capacity loaded across 2 crossbars is 100kg for ICE variants and 75kg for PHEV and BEV variants. Refer to the vehicle's owner manual for further information.

Disclaimer:

9. Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available or may be subject to a subscription fee. Users must have created a Ford app account, have fully activated the Vehicle's modem and have SYNC Location set to 'on' to use this feature. The Ford app Terms and User Guide and the Ford app Privacy Collection Notice are available at <https://www.ford.com.au/privacy/>. **10.** Use of Ford app is subject to the Ford app Terms and User Guide and Ford app Privacy Collection Notice, which are available on <https://www.ford.com.au/privacy> and requires a compatible mobile device, internet access and software (including software updates from time to time). The Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and the Vehicle's Modem can only work when both are connected to the telecommunications network. The Vehicle's Modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the modem in your vehicle are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that the Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. If the Ford app is unavailable, the ability to lock or unlock your vehicle remotely could be limited, and a physical key might be needed. Always keep your key with you to ensure you can access your vehicle at all times even if the Ford app is unavailable. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **11.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **12.** Don't drive while distracted. Use voice-operated systems when possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4 features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **13.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **14.** Wireless charging only available on compatible phones.

Disclaimer:

15. Rear Window Defrost with Wiper & Washer will not be available if Secure Visibility Pack option is selected. **16.** Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner’s Manual for details and limitations. **17.** Intelligent Adaptive Cruise Control (iACC) uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator or via steering wheel controls. In some circumstances, iACC will use map data to set the vehicle speed. Ford recommends keeping map data updated by fully activating the Vehicle’s modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. Adaptive Cruise Control has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby when iACC is active. Customers should read the Owner’s Manual for details of the limitations of the iACC system before activating. **18.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. **19.** Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner’s Manual for details and limitations. Intelligent Speed Limiter (ISL) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISL system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISL can be temporarily overridden by the driver firmly pressing the accelerator. Customers should read the Owner’s Manual for details of the limitations of the ISL system before activating. In some circumstances, ISL will use map data to limit the vehicle speed. Ford recommends keeping map data updated by fully activating the Vehicle’s modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **20.** Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner’s Manual for details and limitations. Pre-collision Assist with Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner’s Manual for Limitations. **21.** Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner’s Manual for details and limitations Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. **22.** Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner’s Manual for details and limitations. Traffic Sign Recognition will not always detect the correct speed limit and may display a speed that is above or below the actual speed limit. In some circumstances Traffic Sign Recognition will use map data to display the speed limit on the digital instrument cluster. Ford recommends keeping map data updated by fully activating the Vehicle’s modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **23.** Option available at additional cost.

Disclaimer:

24. Prestige paint colours available at additional cost. **25.** SVO paint colours available at additional cost. **26.** Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be considered when calculating kerb weight. **27.** Subject to State and Territory regulations. Maximum payload is calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Payload is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **28.** A compatible tow pack rated to or above the published maximum braked towing capacity is required to achieve the vehicle's maximum braked towing capacity. Please note: the Ford genuine towbar for Transit Custom is rated to 2,500kg only. Subject to State and Territory regulations. To comply with regulations and vehicle GCM and GVM limits, the weight of any load transported by the vehicle may need to be restricted. For further details regarding load weight restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **29.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **30.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. **31.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **32.** Load Area Protection Kit may impact cargo area dimensions and capacities. **33.** Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. All dimensions (shown in mm) are approximate, are subject to manufacturing tolerances, do not include additional equipment and should be confirmed before fitting any accessories or otherwise relying on this value. **34.** Maximum load volume method simply measures the volume of a fine-grained material such as sand or rice which can be deposited into the loadspace. Load Area Protection Kit may impact cargo area dimensions and capacities. **35.** VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted and the numerical result is converted into cubic meters.

Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please email askfleet@ford.com

- 1. Subject to availability. Participating dealers only. Other dealer conditions or requirements may apply.
- 2. Pick Up and Drop Off available for a general service or warranty repair only subject to dealer capacity and vehicle roadworthiness and driveability. Participating dealers only. Other dealer conditions or requirements may apply.
- 3. When a 90-minute Express Service is booked. 90 minutes from key handover to service completion for a General Service only, as set out in your vehicle's Service Portfolio. Does not include other work or repairs that may be required. Participating dealers only.
- 4. Available to Retail Customer or a Blue Business Fleet Customer only. Customer must comply with schedule service intervals at participating dealers to be eligible for 12 months Ford National Roadside assistance. see <https://www.ford.com.au/owners/service/t-and-c/> for full terms.
- 5. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.
- 6. When purchasing your vehicle from a dealership, accessories included on the purchase invoice are included in cover, without the need to list them on your schedule. Refer to the Ford Insure PDS for full details.
- 7. If Your Vehicle is damaged while it is being driven on a beach or off any public road, coverage may be available. Any claim will be subject to any applicable excess being doubled and the PDS terms and conditions. Refer to the Ford Insure PDS for full details.
- 8. Automatic removal of your standard excess on glass damage means the Standard Excess will not apply if you sustain a loss where the only damage to your Vehicle was glass damage. Refer to the Ford Insure PDS for full details.

Important information:
This brochure is designed to provide you with a general introduction to the Ford products (including available optional equipment) referred to and should be read in conjunction with the latest specification sheet. Features, designs, materials, colours and other specifications may vary from those depicted. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
