

RENAULT SYMBIOZ FULL HYBRID E-TECH 160 HP

also available in mild hybrid 140hp

Overseas model shown.
Australian specifications, features and availability may differ.

technology that reconnects you

The ultimate lifestyle car, Renault Symbioz combines all the advantages of a compact vehicle with those of a family car. The interior is both technologically advanced and comfortable to ensure your well-being, with generous interior space, Solarbay® opacifying panoramic sunroof⁽¹⁾, premium Harman Kardon® sound⁽²⁾ and the openR link multimedia system.

When technology meets interior comfort for an enhanced on-board experience.

Solarbay® opacifying panoramic sunroof⁽¹⁾	openR link system with Google built-in⁽⁴⁾	advanced driver- assistance systems
up to 695 litres⁽³⁾ of boot volume	available with a full hybrid E-Tech	up to 1,000 km of driving range⁽⁵⁾

(1) available as an option. (2) esprit Alpine variant only. (3) with rear bench slid forward, on Techno Mild Hybrid only. (4) My Renault connected services, Google Automotive Services (GAS), Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. Google, Android Auto, Google Maps, Google News, Waze and other brand names are all trademarks of Google LLC. To use My Renault connected services, you will need a compatible smartphone, a Google account for some apps, and an internet connection (which may incur data charges). Services may be affected by mobile network coverage. (5) Applies to Symbioz techno Hybrid E-Tech and esprit Alpine Hybrid E-Tech models. Range figure is based on WLTP (Worldwide Harmonized Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

avant-garde elegance

Its assertive personality defines the exterior style of Renault Symbioz. A long coupé, its dimensions remain compact to adapt to your needs. With its robust and refined grille with the new Renault identity, satin chrome logo and half-diamond lights, each element of the design accentuates its charisma.

The radiator grille, made up of micro-diamonds, is adorned with a graphic effect. At the rear, the Symbioz signature emphasises the sharp lines.

esprit Alpine

The Alpine spirit stands out through a number of distinctive features, including the matte grey F1 strip.

Special 19" esprit Alpine 'elixir' wheels and Alpine badge on the front wings for more sportiness. On board, the upholstery is stitched in the iconic Alpine blue and the distinctive badge features a blue/white/red tricolour label on the seatbacks and dashboard.

connect with well-being

Take a seat in a high-tech cockpit that enhances driving pleasure. With its steering wheel controls, the dashboard is streamlined and driving is simplified. Every passenger can enjoy the innovative view offered by the Solarbay® opacifying panoramic sunroof⁽¹⁾ and the customised sound environment created by Harman Kardon®⁽²⁾. Whatever the journey, share the fun with family and friends.

The optional Solarbay® technology can be activated by voice using GoogleAssistant⁽³⁾ or manually using a button on the ceiling light panel. Adjustable to 4 different opacity configurations, it maintains light and heat comfort on board in both summer and winter.

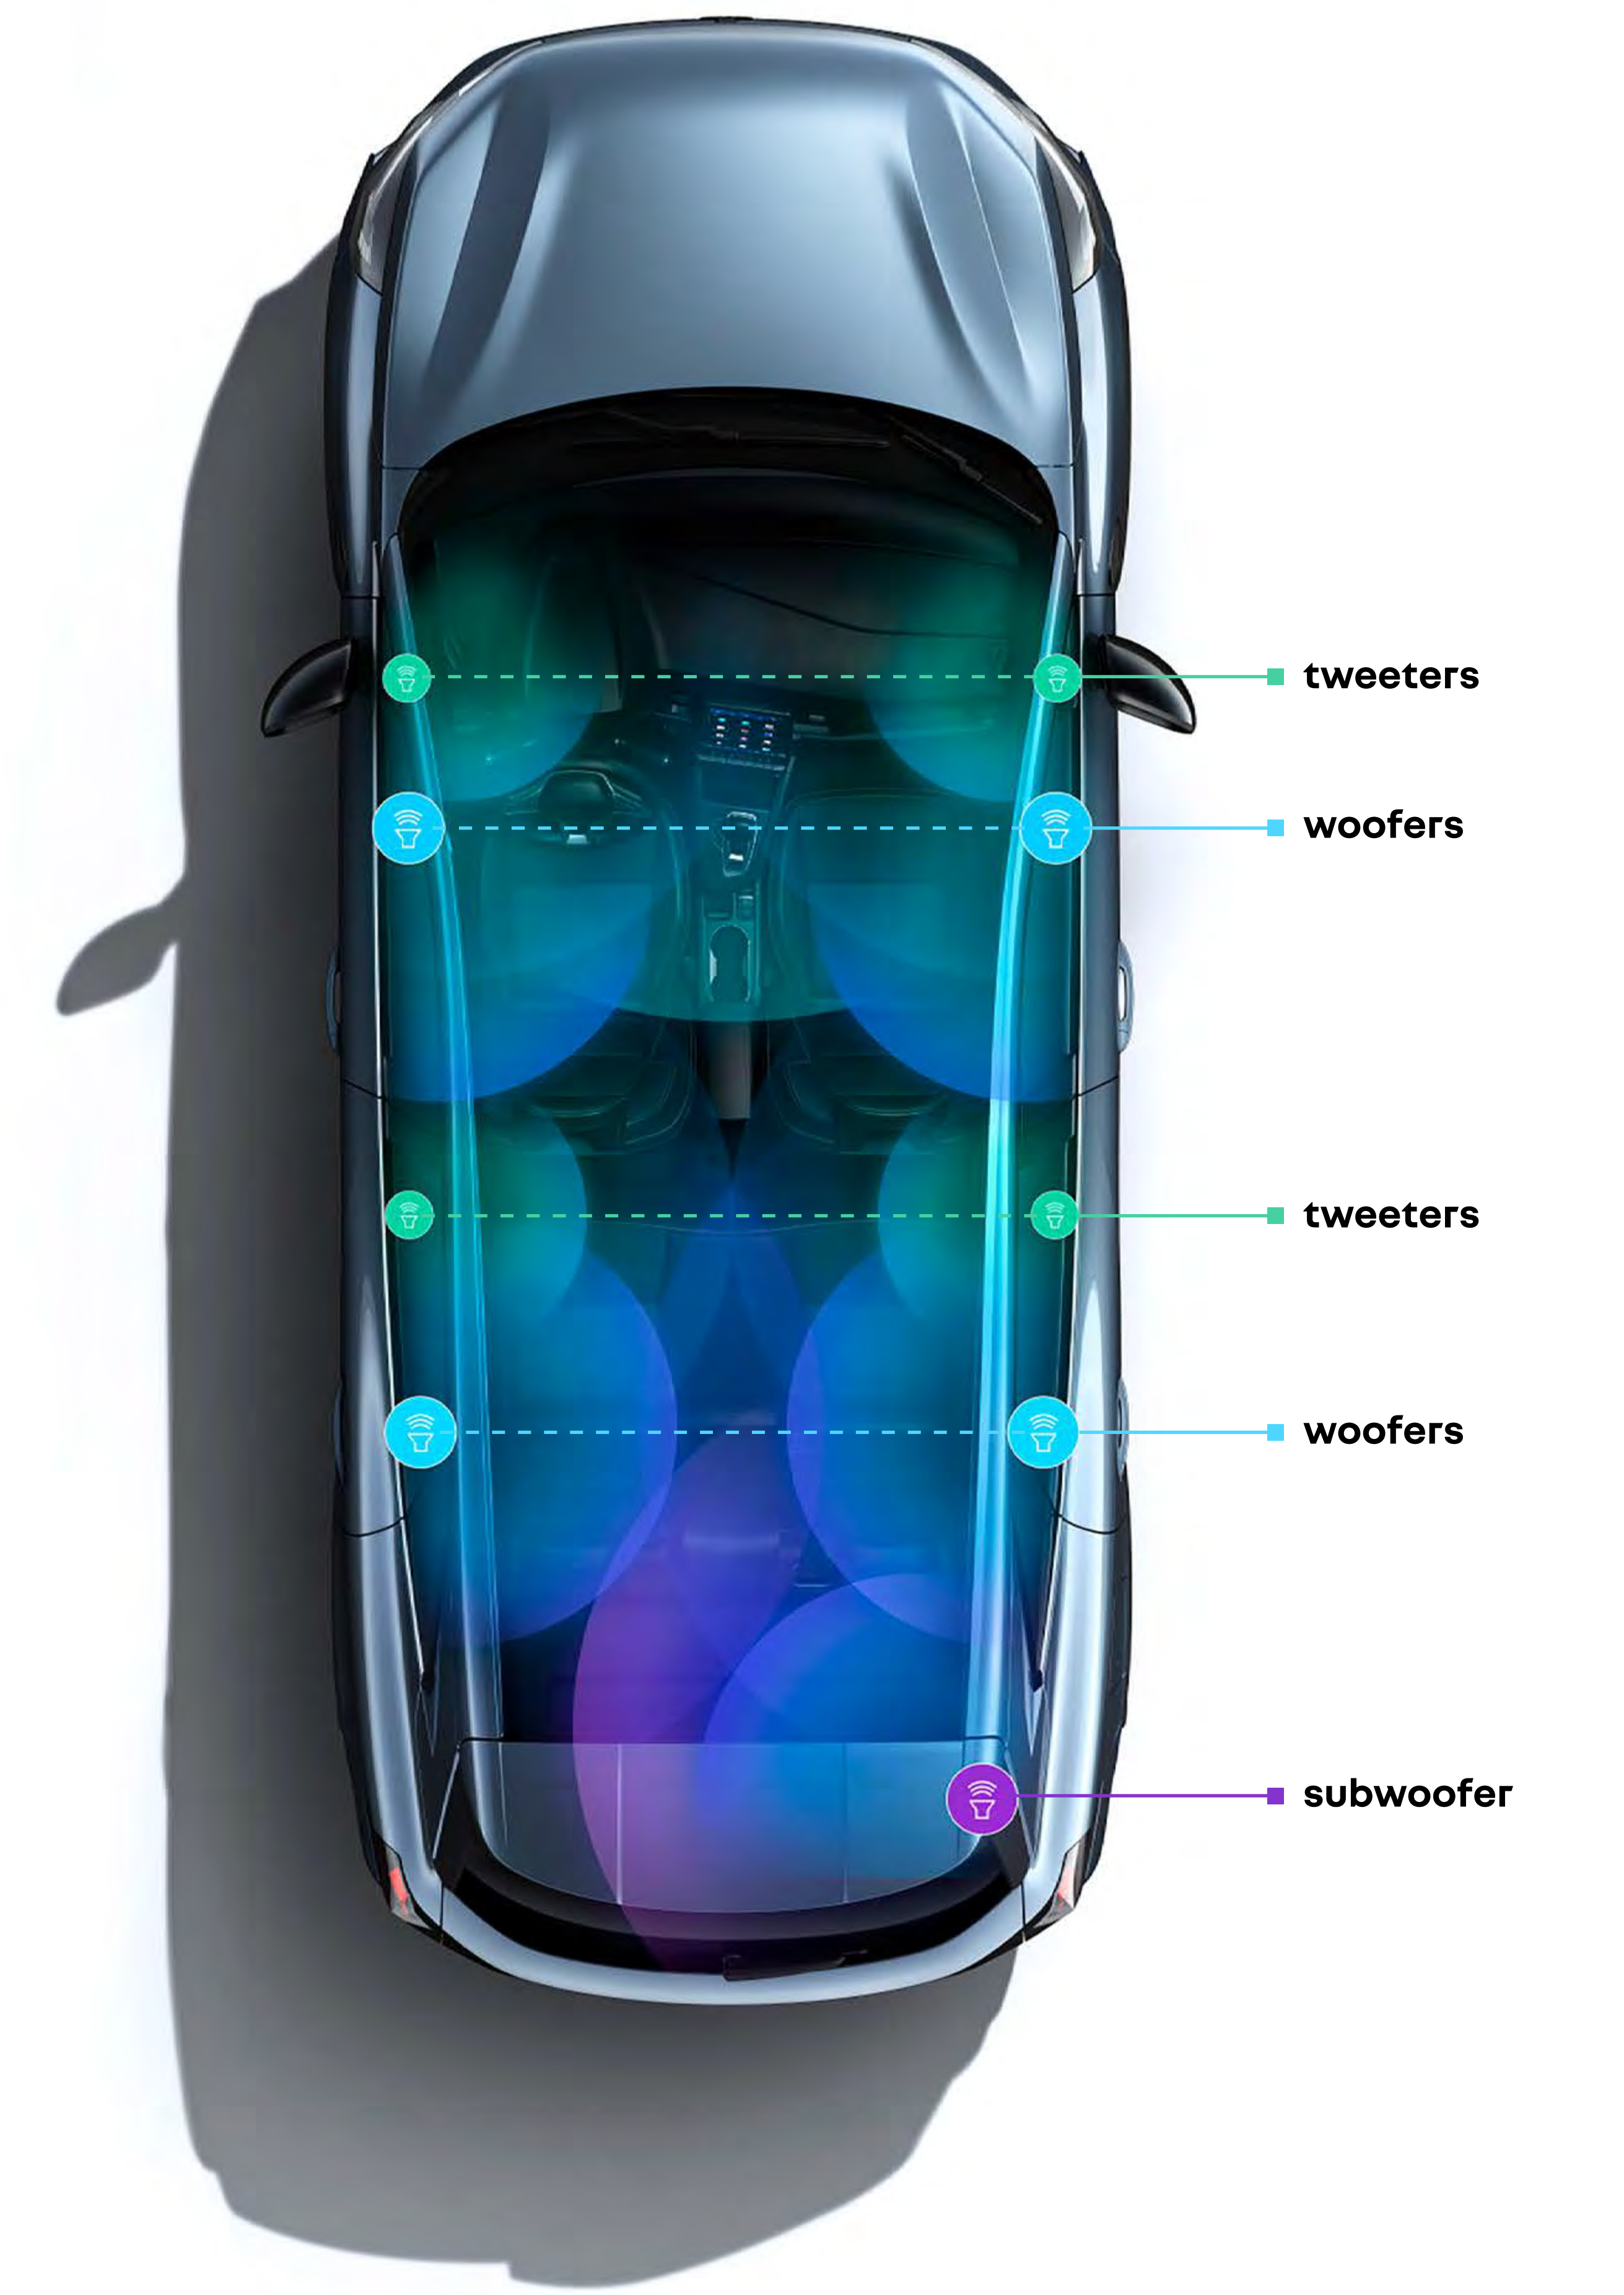

The passenger compartment has a wireless charging point. Lay down your compatible smartphone and your device stays charged wirelessly without interruption.

(1) available as an option. (2) esprit Alpine variant only (3) My Renault connected services, Google Automotive Services (GAS), Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. the space adapts to you

The spacious passenger compartment has the ideal dimensions and modular design for perfect versatility, with electric front seats⁽¹⁾, 22 cm of legroom in the rear and a folding rear bench seat. The innovative upholstery with bio-sourced materials combines comfort and elegance.

With the rear bench seat folded down, you have a total volume of 1,668 litres⁽²⁾ to carry your luggage, groceries or equipment. The practical handsfree system allows the tailgate to be opened with one foot movement⁽¹⁾.

Save space in a flash. Thanks to the sliding rear bench seat with 16 cm of travel, the boot capacity is increased from 563 litres to 695 litres⁽²⁾.

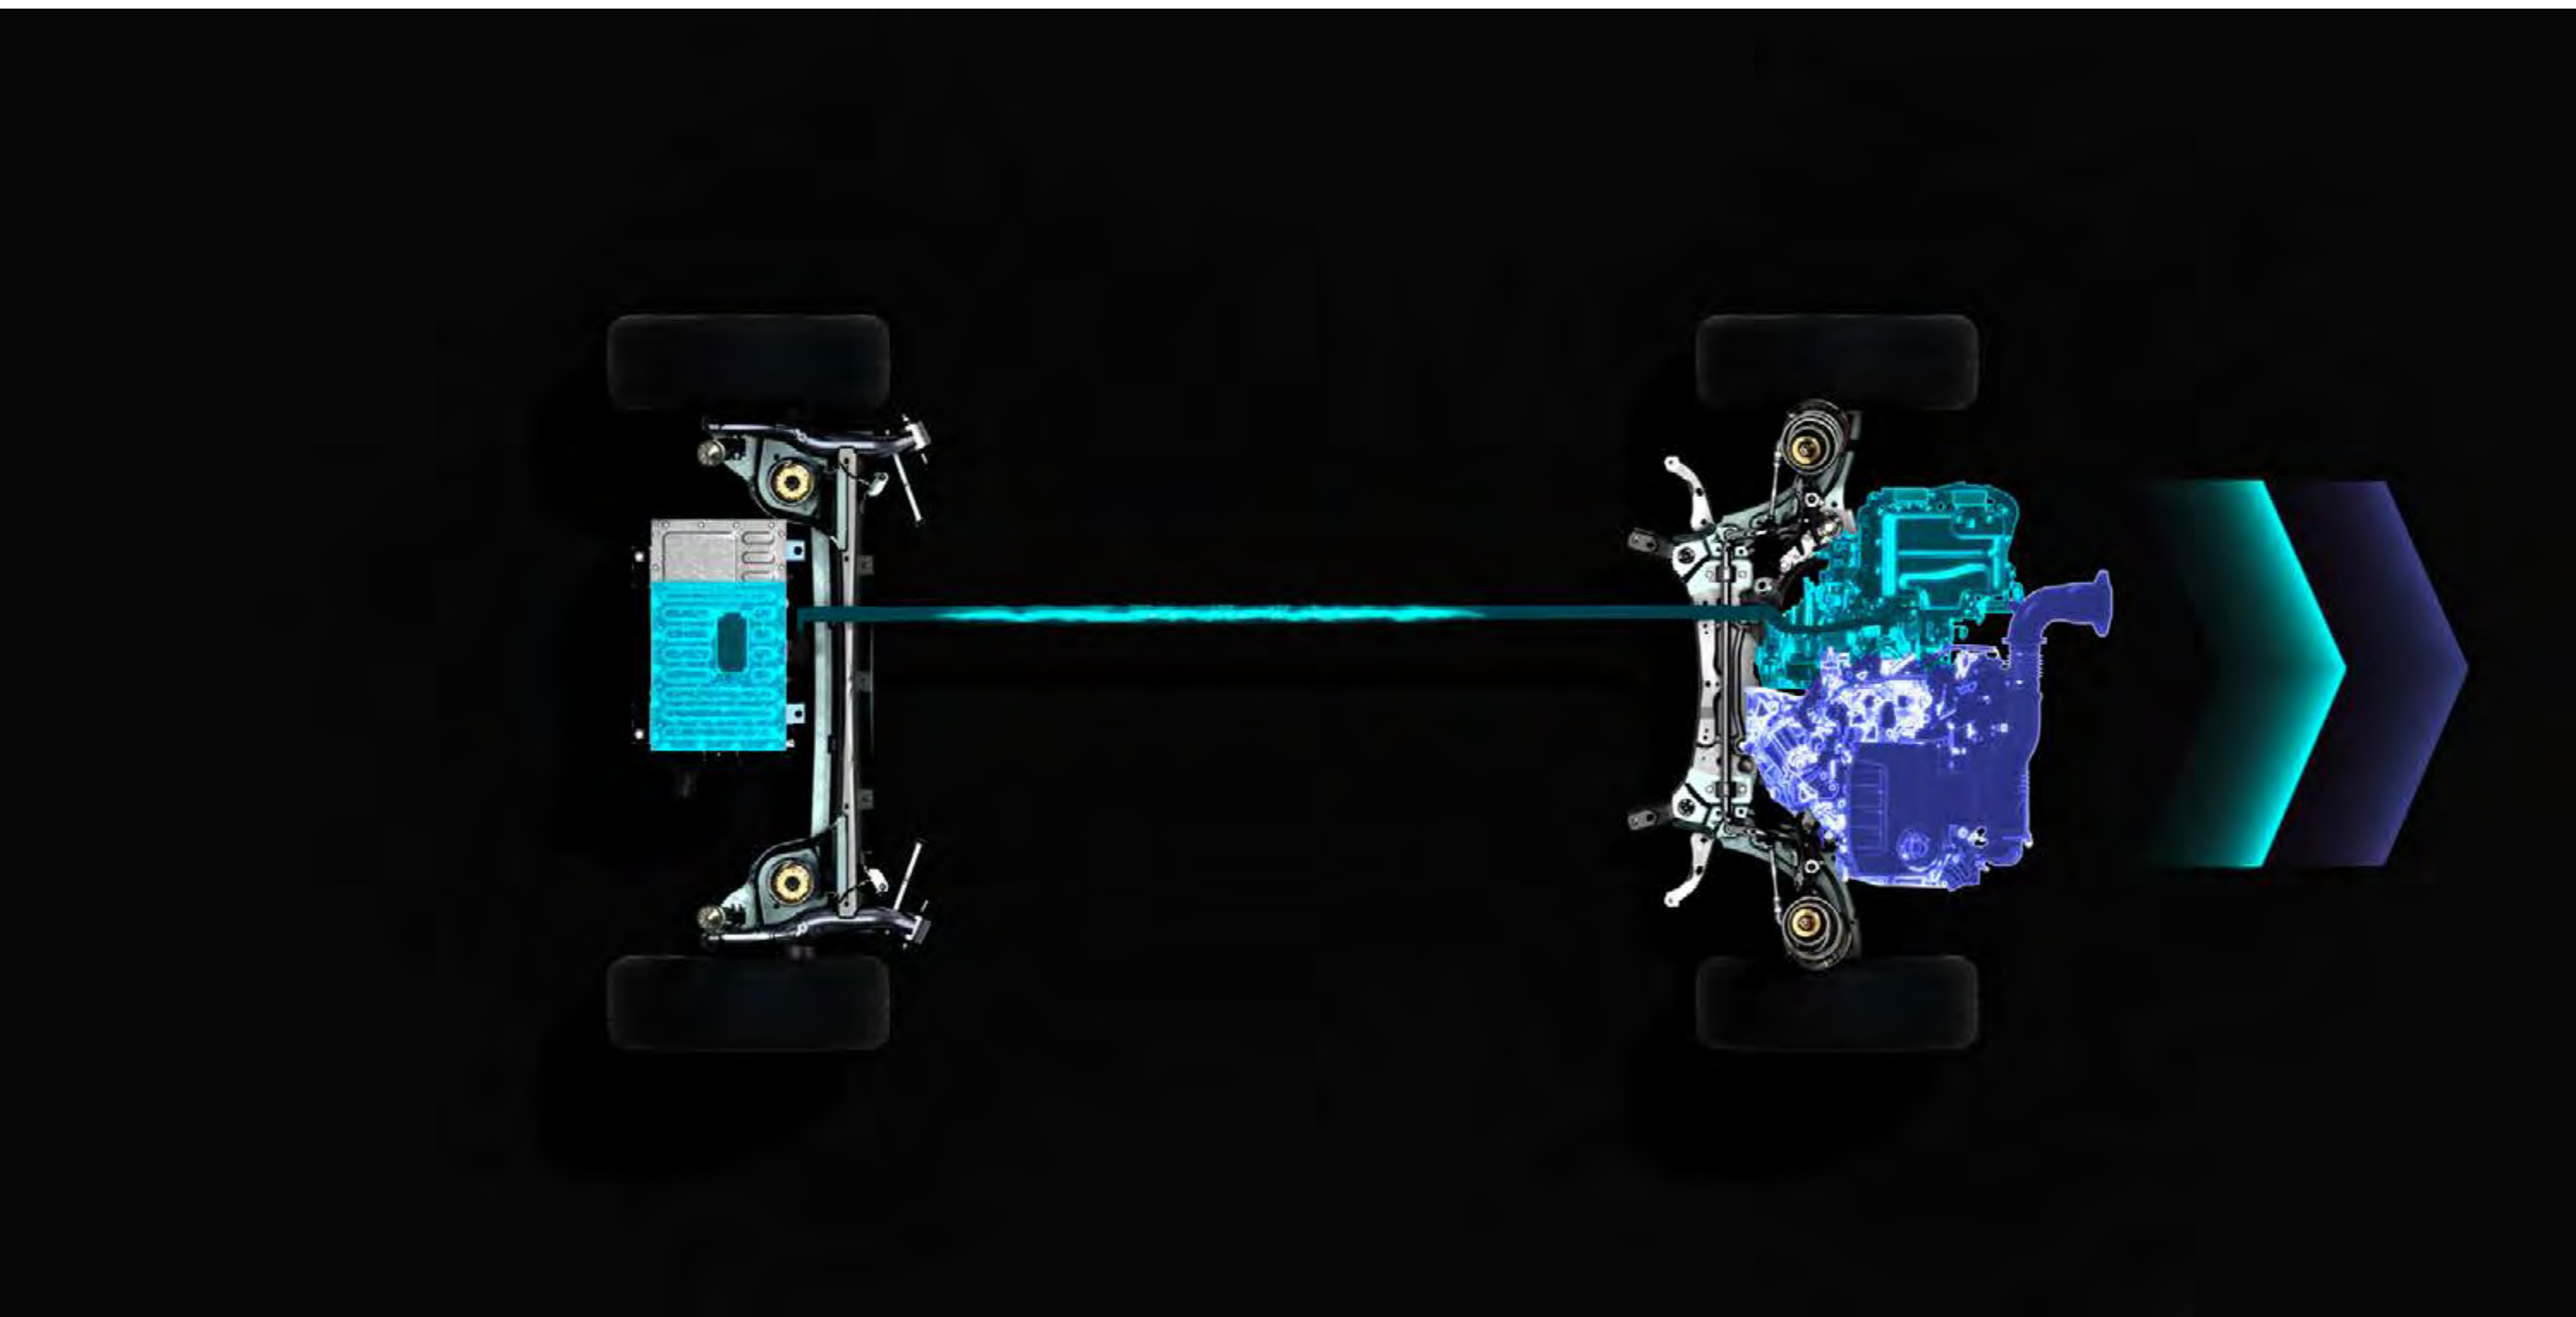

(1) esprit Alpine variant only. (2) with bench seat folded down, on Techno mild hybrid variant only.

full hybrid E-Tech engine

1.8L full hybrid E-Tech	up to 1000 km of driving range ⁽¹⁾	4.7l/100km of fuel consumption ⁽²⁾
-------------------------	---	---

Treat yourself to hybrid driving with Renault Symbioz. Enjoy responsive acceleration while designed to reduce your fuel consumption and CO₂ emissions. Thanks to regenerative braking, the battery recharges automatically when you brake or decelerate. No need to plug your vehicle into a power outlet.

mild hybrid engine

1.3L mild hybrid	6.4l/100km of fuel consumption ⁽²⁾	144 g/km CO ₂ emissions ⁽²⁾
------------------	---	---

(1) Applies to Symbioz techno Hybrid E-Tech and esprit Alpine Hybrid E-Tech models. Range figure is based on WLTP (Worldwide Harmonized Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. (2) WLTP figures shown for the purpose of comparison amongst vehicles. Actual real world driving results may vary depending on factors including the fullness of the tank, starting charge of the battery, accessories fitted after registration, weather conditions, driving styles and vehicle load / source: internal Renault, 2024, techno vs WLTP fuel consumption figures.

advanced driver-assistance systems⁽¹⁾

active driver assist
This system regulates your speed by taking the road environment into account, maintains safe distances and ensures you remain in lane. When traffic slows down, the vehicle stops and restarts automatically.

360° around view 3D camera⁽²⁾
The 4 cameras, whose images recreate the vehicle's direct environment 360° around it, allow you to perform your manoeuvres effortlessly.

rear active emergency braking
This system detects obstacles at the rear and stops the vehicle automatically in the event of danger.

lane keeping assist
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

occupant safe exit alert
This system alerts you if a vehicle is approaching from the rear when you want to open the door.
