DESIGN

SLEEK EXTERIOR

DESIGN THAT MATTERS

A confident stance and sleek front design give the Starray EM-i impressive road presence from the very first glance.

LED LIGHTING
Brilliance, built in.

STYLISH TAIL LIGHT
Light the way behind.

ALLOY WHEELS
Roll up in style.

4

EFFICIENCY. MASTERY. INNOVATION.

Enjoy a zero-emission drive on daily commutes and drive with confidence on longer distances with the flexibility of a petrol engine. The Starray EM-i adapts seamlessly to every journey.

COMFORT-DRIVEN INTERIOR

5

CRAFTED FOR COMFORT

Inside, the Starray EM-i features a thoughtfully crafted cabin with high-quality materials, smart storage, and a spacious design making every journey practical and comfortable.

PANORAMIC SUNROOF

The panoramic sunroof fills the cabin with natural light, while the glass panel can be opened to circulate fresh air. An automatic sunshade helps keep the interior cool and comfortable on sunny days.

WIRELESS SMARTPHONE CHARGING

The driver-side smartphone slot doubles as a wireless charger, keeping your device powered without the clutter of cables.

ELECTRIC HYBRID, FROM THE GROUND UP

Drive electric when you want, switch to hybrid when you need, and enjoy the best of both worlds. The Starray EM-i was born to be an electric hybrid, crafted on a dedicated platform that ensures uncompromised performance and efficiency.

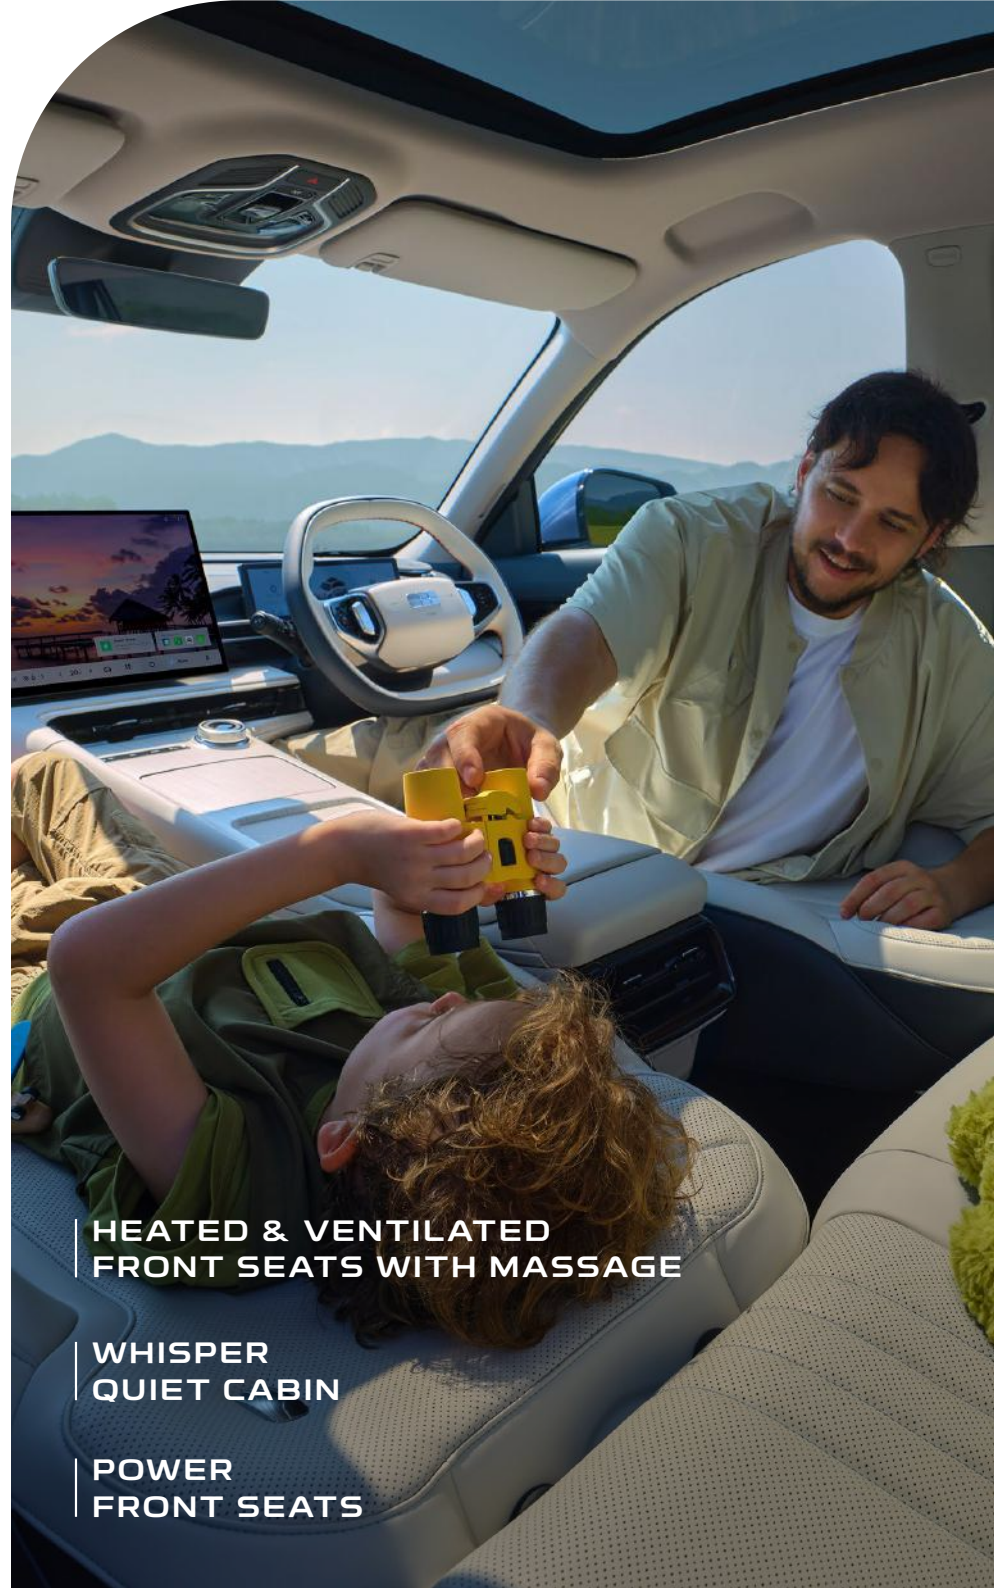

**ALL FOR
THIS**

SIT BACK & RELAX

COMFORT TAKES THE FRONT SEAT

Regulate the temperature of the front seats with both heating and ventilation. Invigorate your body with massage for the front seats. The Starray EM-i is developed to keep you comfortable (Seat ventilation and massage only available on the Starray EM-i Inspire).

HEATED & VENTILATED
FRONT SEATS WITH MASSAGE

WHISPER
QUIET CABIN

POWER
FRONT SEATS

SMART STORAGE SOLUTIONS

CLEVER STORAGE SPACES

Enjoy 16 litres of storage under the centre console bridge or charge devices via either a USB Type A, Type C, or a 12V Power Outlet.

10

MORE ROOM, MORE POSSIBILITIES

Lift the luggage floor to reveal a hidden storage compartment, or drop it lower to gain an extra 100 litres of boot space.

ALL FOR THIS

OVER THE AIR, INTO YOUR CAR

Keep your Starray EM-i up to date with Over-the-Air (OTA) updates, bringing the latest features and enhancements straight to your vehicle—without leaving home.

WORLD LEADING FLYME AUTO SYSTEM

A SMARTER WAY TO DRIVE

Control your car like a smartphone with Flyme Auto, featuring:

FLYME SOUND

The 1,000W 16-speaker Premium Sound System delivers a powerful and dynamic sound experience (Only available on Starray EM-i Inspire).

VOICE RECOGNITION

Set destinations, open and close windows, change climate control settings, all with a natural set of voice commands.

CONTROL WHEEL

Crafted for convenience and customisation, gives you control right at your fingertips.

WHAT IS EM-i?

EM-i SUPER HYBRID POWERTRAIN

Experience the best of both worlds of electric and petrol power with Geely's advanced EM-i system, which combines a high-efficiency dedicated hybrid engine fuelled by a 51L petrol tank, an intelligent Eleven-in-One electric drive unit (E-DHT) powered by an 18.4kWh Lithium Iron Phosphate (LFP) battery in the Complete and a 29.8kWh LFP battery in the Inspire.

EM-i SUPER HYBRID DEDICATED ENGINE

The Starray EM-i petrol engine has the highest thermal efficiency of any mass-produced hybrid vehicles in the world. This means that the engine makes the most out of every drop of fuel you put in.

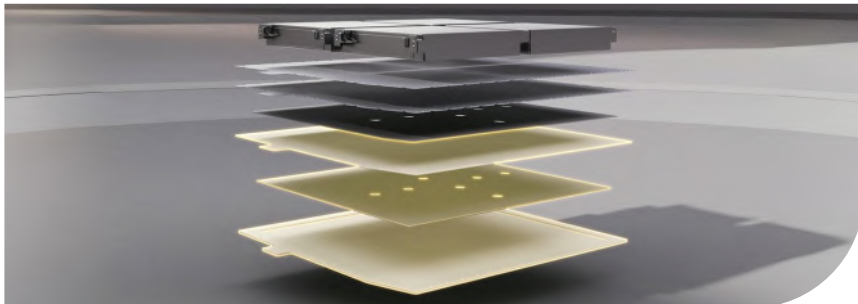

E-DHT ELEVEN-IN-ONE ELECTRIC DRIVE

The compact unit can both power the vehicle and recharge the battery at the same time thanks to its 2-motor setup. The electric drive achieves its high efficiency thanks to innovations like flat-pin wiring of the motor.

LITHIUM IRON PHOSPHATE BATTERY

The LFP battery can be charged and discharged without any significant degradation over time. The pack is encased in a structure that far exceeds safety standards.

HOW DOES IT WORK?

EM-i functions in three modes; Pure, Hybrid, and Power which are designed to meet your needs.

PURE

Get the pure BEV experience with the Electric Motor powering the vehicle. The vehicle's battery is recharged via regenerative braking in this mode.

HYBRID

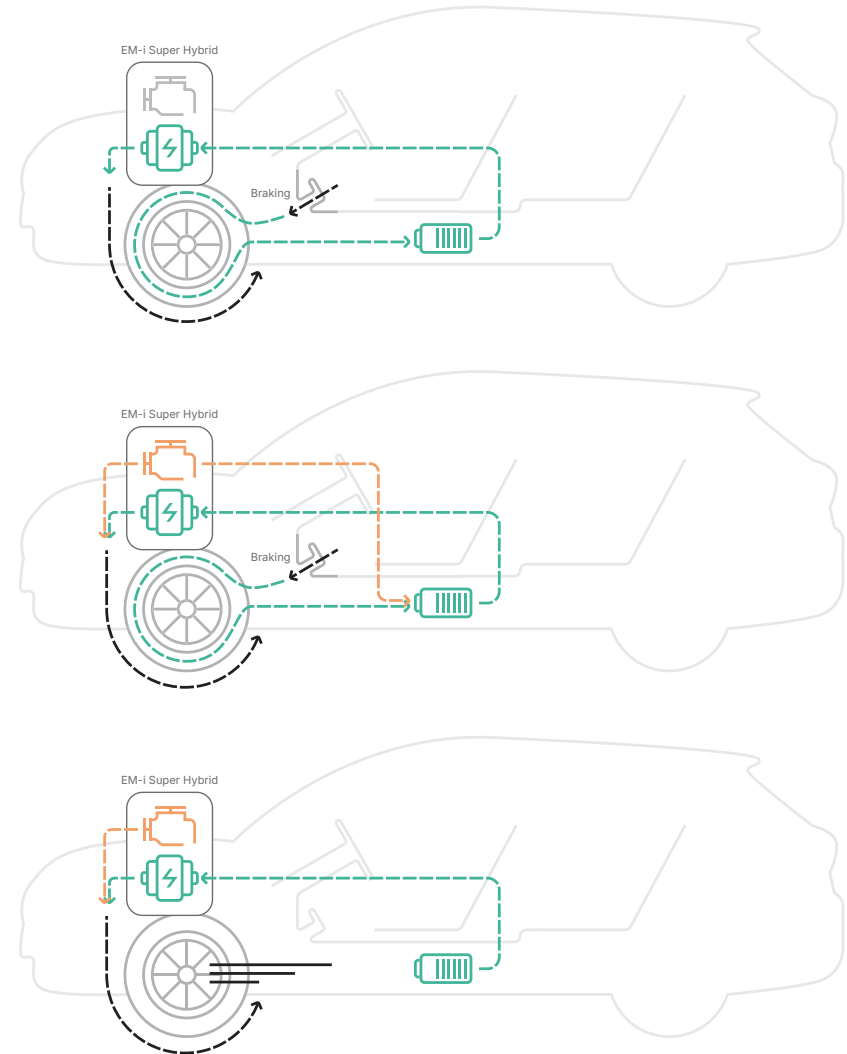

Go further with the Electric Motor and the Petrol Motor performing in perfect harmony. In this mode, the vehicle's battery can be charged either via regenerative braking or the Petrol Motor.

POWER

Get a move-on with power delivered by both the Electric and Petrol Motors.

Electricity
Petrol
Force

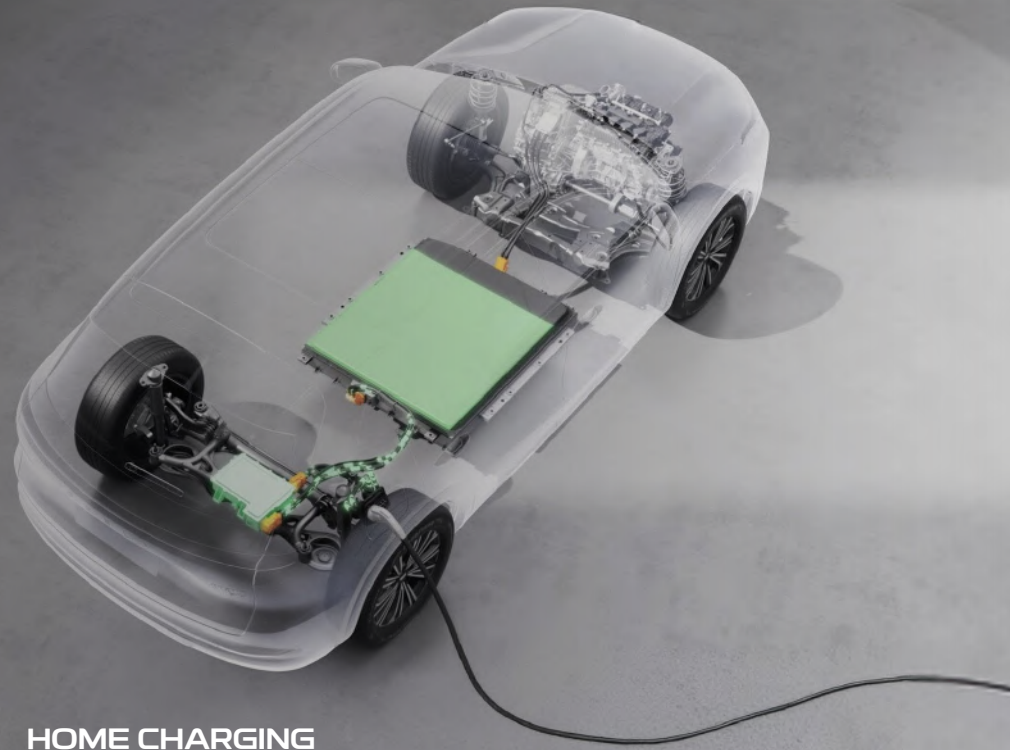

Combustion Engine
Electric Motor
Battery

BEYOND YOUR AVERAGE HYBRID

HYBRID WHEN YOU NEED, ELECTRIC WHEN YOU WANT

With more and more charging solutions becoming available, it has never been easier to get the best out of your Geely Starray EM-i.

HOME CHARGING

Plug in your vehicle as you do with your mobile phone. Home charging offers the ultimate in convenience for charging.

Contact your Authorised Geely Dealer to explore home charging solutions that fit your lifestyle.

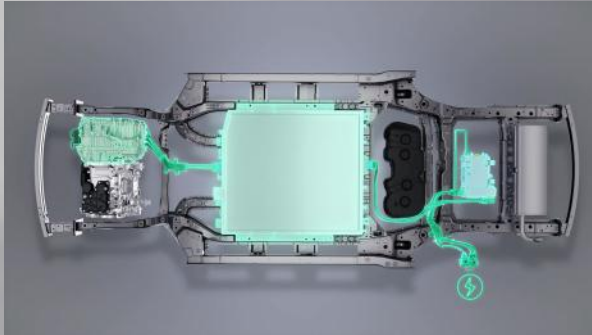

PUBLIC CHARGING

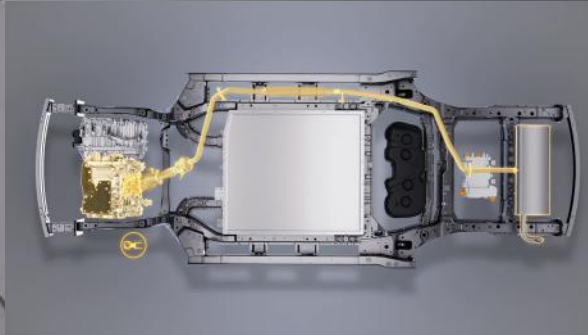

Enjoy access to Australia's ever-expanding public charging network. Make the most of your Starray EM-i's fast-charging capability by charging while you do your grocery shopping or have your morning coffee.

Contact your Authorised Geely Dealer to learn more about how to find the closest public chargers near you.

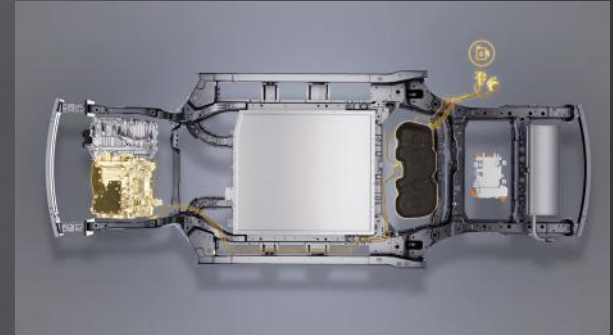

EFFICIENCY MEETS INTELLIGENCE

HIGH-VOLTAGE CIRCUIT SYSTEM

EXHAUST SYSTEM

FUEL SYSTEM

Safety is the cornerstone of every design decision. The purpose-built platform allows for design innovations to make the Starray EM-i as safe as possible. The three main channels of energy and exhaust are cleverly packaged so as to not interfere with each others' operation, maximising your safety on every drive.

20

PURPOSE-BUILT FOR ELECTRIC DRIVING

Enjoy smooth, silent acceleration and instant torque from the electric motor, while our hybrid technology enables you to drive further without a worry.

INTELLIGENCE IN MOTION

The Geely Starray EM-i can use the petrol engine to recharge the High-Voltage battery at just the right moments, keeping fuel use low while maximising electric power when you need it.

EFFICIENCY YOU CAN FEEL

An advanced thermal management system ensures optimal engine and battery performance, minimising energy loss and maximising every kilometre.

SAFETY AT EVERY LEVEL

The GEA safety structure shields both passengers and the battery, offering peace of mind in every drive.

GEELY CONNECTED SERVICES

4G CONNECTIVITY

Every Geely comes with 2 years 4G Connectivity as standard giving you access to the best we have to offer³.

OVER THE AIR UPDATES

Download the latest updates from Geely to receive the freshest features for your vehicle.

MEDIA STREAMING

Get direct access to your favourite music, podcasts or audiobooks, without having to touch your phone.

ENHANCED VOICE CONTROL

Have your burning questions answered by your Geely, like "what's the weather in Adelaide tomorrow?"

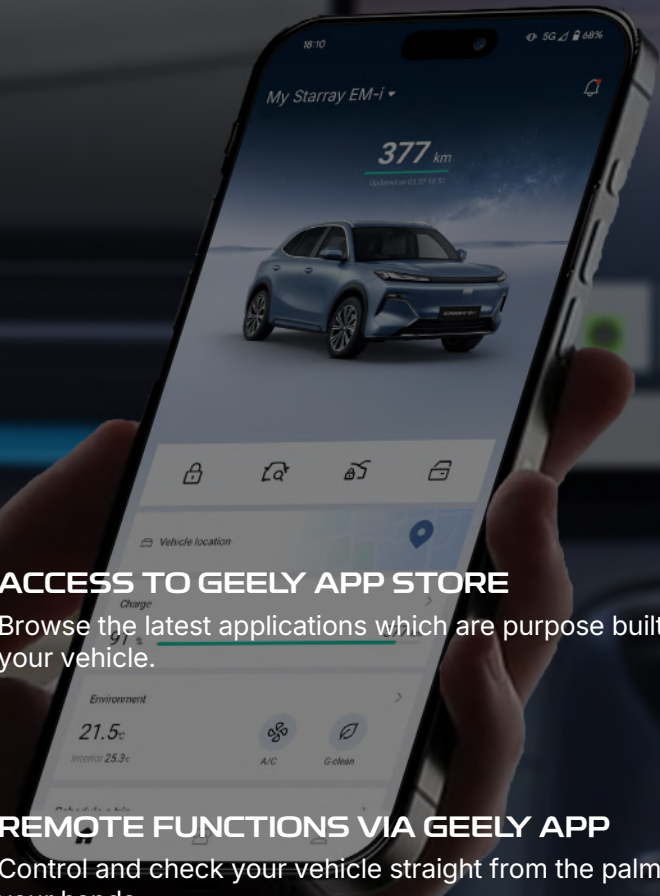

ACCESS TO GEELY APP STORE

Browse the latest applications which are purpose built for your vehicle.

REMOTE FUNCTIONS VIA GEELY APP

Control and check your vehicle straight from the palm of your hands.

REMOTE VEHICLE FUNCTIONS

The 4G connectivity of your Geely allows you to communicate with your vehicle via the Geely smartphone app³.

COMFORT SEATS

Heat or cool your seats before you enter your vehicle.

VEHICLE LOCATION

Find your vehicle on a map or activate the horn.

VEHICLE STATUS

Check the interior temperature, or if you have left the doors or sunroof open for peace of mind.

SCHEDULED CHARGING

Set your vehicle charging times to take advantage of off-peak periods at home.

CLIMATE

Activate air conditioning functions like demister and temperature control.

DOORS & WINDOWS

Lock and unlock your doors or crack open a window to get some airflow.

TAILGATE

Lock and unlock the tailgate to allow for remote access.
