

BMW iX3.

SPECIFICATION GUIDE.

OPTION PROGRAMME.

iX3 40 M Sport Package

Model Code: 12HR
Rear axle electric motor
Battery: 82.6 kWh (net)
235 kW / 500 Nm

Fuel type: Battery electric
Power Consumption: TBC
Expected Range: up to 635 km ¹
0-100kmh: 5.9 sec

iX3 50 xDrive M Sport Package

Model Code: 32HR
Dual electric motor
Battery: 108.7kWh (net)
345 kW / 645 Nm

Fuel type: Battery electric
Power Consumption: 18.8 kWh / 100 km ¹
Expected Range: 634 - 805 km ¹
0-100kmh: 4.9 sec

¹ Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (June 2026), the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with information from authorised BMW dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any noncompliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.
