¹ Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

² The BMW NFC Key Card is designed to be water-resistant for everyday exposure, such as light rain or incidental splashes. It is not waterproof and must not be submerged in water, as this will result in damage and adversely affect its functionality.

Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.
