Say hello to GWM.

**Model shown is a Tank 500 PHEV*

GWM is a world-renowned vehicle manufacturer. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little, every day.’ From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world while producing attractive SUV’s for customers who take their vehicles offroad and urban traveling with a certain level of luxury. TANK is our premium off-road SUV model series which has taken the world by storm as highly regarded as a comfortable yet capable 4x4. We attribute our success to passion, drive and a commitment to listening to our customers.

The off-road just became more luxurious.

Imposing in appearance and powerful in performance, this grand 7 seater* SUV is as majestic as you can get driving off the beaten track. But don't let its stately looks fool you. This is one formidable vehicle that unleashes a remarkable amount of horsepower and torque when needed when needed.

**Not available for PHEV models*

**Model shown is a Tank 500 3.0L Turbo Diesel*

**Model shown is a Tank 500 3.0L Turbo Diesel*

Every inch of this luxuriously appointed SUV has been meticulously considered just for you. On the outside it includes a magnificent and striking front grille, 19" Wheels fitted with premium Continental Tyres* which make entering and exiting the vehicle an indulgent delight. Hop inside and you're instantly met with sumptuous heated and ventilated Nappa leather accented* seats that can be adjusted to your favourite driving positions, and a panoramic sunroof* that lets you bring the outside in on every trip to reignite your passion for driving.

**3.0L Turbo Diesel Models only*

Inspired exterior. Lavish interior.

14.6” infotainment screen

**Model shown is a Tank 500 3.0L Turbo Diesel*

12 speaker premium sound

64 colour ambient*

*Standard Brake Controller & Towing**

Two Tone

*Available on Ultra Plug-in Hybrid variant only**

Multi function faux leather steering

**Model shown is a Tank 500 3.0L Turbo Diesel*

Purebred performance.

Powered by either an advanced 2.0-litre turbo petrol-electric Hi4-T plug-in hybrid powertrain delivering an impressive 300kW of combined power and 750Nm of torque, or a powerful 3.0-litre turbo diesel engine delivering strong torque and a 3.5-tonne braked towing capacity, the Tank 500 combines premium refinement with outstanding capability.

The Tank 500 Hi4-T Plug-in Hybrid delivers electrified performance with a 3-tonne braked towing capacity, while the 3.0-litre turbo diesel brings increased pulling power of 620Nm of torque and the confidence to tow up to 3.5 tonnes. Whatever the task, the Tank 500 is built to help you take on more.

Featuring advanced drivetrain technology, intelligent 4WD capability and selectable all-terrain driving modes including Sport, Snow, Sand, Rock* and Expert, the Tank 500 provides confidence and control across a wide range of conditions.

From towing the boat and caravan to exploring beyond the bitumen, the Tank 500 delivers the performance, capability and versatility to go further.

**Only available on PHEV variants*

**Overseas model shown. Model shown is a Tank 500 3.0L*

High-tech for ultimate driving experience

In pursuit of excellence, the Tank 500 is the culmination of GWM's interior expertise and the very latest in advanced technologies. Every model features a crystal-clear 14.6-inch LED colour touchscreen, with Diesel variants incorporating GWM's advanced Coffee OS for an effortless infotainment experience. The 12-speaker premium sound system* provides superior audio quality for your favourite playlists and podcasts. And the heads up display* combines all vehicles data, speed, warning signals and navigation directions. The new Tank 500 Plug-In Hybrid also brings V2L technology providing power up to 6kW of external supply that lets you power

**Ultra PHEV and Vanta Diesel variants only*

Hi4T

GWM's Hi4-T (Hybrid Intelligent 4WD Technology) sits at the heart of our electrification roadmap. This advanced multi-mode petrol-electric hybrid system integrates a powerful turbocharged engine with a high-capacity lithium-ion battery, delivering outstanding efficiency, performance, and refinement. Designed for both city streets and rugged terrain, Hi4-T provides smooth, responsive take-offs, strong acceleration, and exceptional fuel savings - while ensuring minimal noise and maximum driving confidence.

**Not available on 3.0L Turbo Diesel variants*

Built to the safest standards.

ANCAP Safety

ANCAP Safety

This incredibly grand and luxurious SUV is also unbelievably safe. Having achieved the highest possible 5-star safety rating by ANCAP*, the Tank 500 comes with a comprehensive suite of active and passive safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Rear Collision Warning, Emergency Lane Keep Assist, and Intelligent Parking Assist⁷, all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you.

**5 Star ANCAP rating only applicable to PHEV and HEV models*

Built for Australia.

Protection from every angle.

The vehicle's smart active and passive safety technology including a 360-view camera, Auto Emergency Braking, Lane Departure Warning and Blind Spot Detection, will let you know who or what's in front, behind and either side of you every time you take the Tank 500 out for a drive.

GWM Care

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
