The Amarok

Model Year 2026

Maximum Amarok

Designed and engineered in Australia, for Australians, strong, confident and charismatic, the Amarok is a force to be reckoned with.

Built tough from the ground up, uncompromising in its performance and capable of taking on any challenge, the Amarok takes everything to the max. Now bigger and more capable, the Amarok is packed with more standard features than ever before, with impressive levels of new technology, premium exterior and interior styling, and exceptional standards of comfort, when you drive a ute maxed out like this, there's nothing you can't do.

Highlights

Engines

- Choice of Diesel and Petrol engines
- Efficient 10-speed automatic transmission
- Option of selecting low range, high range and permanent 4MOTION Drive Modes

Next Level Safety*

- 5 Star ANCAP rating
- 9 Airbags consisting of knee, centre, front, rear, side/curtain
- Impressive state-of-the-art driver assistance systems, including Autonomous Emergency Braking (AEB) with pedestrian & cyclist monitoring and Adaptive Cruise Control (ACC) with Stop and Go and speed sign recognition

Next Level Tech

- Up to 12.3-inch digital cockpit and 12-inch infotainment screens
- Wireless Apple CarPlay®, Android Auto™ and charging
- LED headlights across the range
- GoConnect | Connected services app 5yr subscription included

Next Level Capability

- Up to 6 different drive modes
- Payloads of up to 985kg
- Static roof loading of up to 350kg
- 3.5-tonne braked towing capacity^
- Up to 6,400kg Gross Combined Mass (GCM)
- Full standard towing kit across the range

Next Level Design

- Distinctive Volkswagen design including exclusive front 'X-Design' on the PanAmericana and Aventura models
- Up to 21" wheels
- Vehicle length 5,350mm
- Prominent AMAROK lettering stamped on the tailgate

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

-App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

^ When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

Amarok **Line-up**

Impressive line-up of variants

Tough, powerful, packed with the latest technology and safety features, and offering unsurpassed levels of interior comfort, the Amarok is an adventure just waiting to happen. With a remarkable range of variants, this ute is as versatile, practical, and capable as they come - ensuring there's a perfect one for you.

Amarok **Aventura**

The Amarok Aventura. The top of the line. The Amarok without compromise. A perfect balance between lifestyle and design. Offered exclusively with a powerful V6 turbo diesel engine.

Amarok **PanAmericana**

The distinctive style based outdoor specialist, including exclusive equipment features designed for more off-road adventures. Offered exclusively with a powerful V6 turbo diesel engine.

Amarok **Walkinshaw**

The ultimate drivers ute. The latest installment of the Amarok W-Series, in partnership with Walkinshaw.

Commercial
Vehicles

WALKINSHAW

Amarok **W600**

The Amarok W600. The ultimate driver's ute. Walkinshaw-engineered for those who demand more from the road. Bespoke KONI suspension, Michelin PS4 SUV performance tyres and a 3.0L V6 turbo diesel, built to feel as good as it looks.

Amarok **Dark Label**

The Amarok Dark Label. The boldest Amarok yet. A limited-edition statement that turns heads without saying a word. Blacked-out from every angle, with the V6 power to back up the attitude. Only 200 available for MY26, exclusively for those who want to stand out by going dark.

Amarok **Style**

The Amarok Style. The perfect choice. The grunt to go anywhere and style to look good anytime. Choice of 4-cylinder turbo charged petrol and V6 turbo diesel engines. Perfectly equipped with comfort, sleek design and power to spare.

Amarok **Style Tray**

The Amarok Style Tray. All the style, all the strength. The perfect Amarok for those who need to work as hard as they play. Combining the premium comfort and capability of the Amarok Style with a purpose-built alloy tray, ready to carry whatever the day demands.

Amarok W600

Volkswagen & Walkinshaw

The Amarok W600 is where Volkswagen engineering meets Walkinshaw performance. Powered by a 3.0L 184kW 600Nm V6 turbo diesel engine, and tuned with a bespoke KONI suspension system, new rear anti-roll bar and Michelin PS4 SUV tyres, this is a ute built to be driven. With Walkinshaw signature exterior styling and a premium leather interior, the Amarok W600 delivers an experience that's as refined as it is relentless.

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel engine
- Walkinshaw tuned KONI suspension
- Michelin Pilot Sport 4 SUV tyres
- Electrically deployable side steps
- Twin rear side exit exhaust pipes in Shadow Chrome
- 640W Harman Kardon high end audio system
- 12" Infotainment and 12.3" Digital Cockpit

Exterior

- Walkinshaw front end styling
- Signature light bar
- Unique radiator grille with "W" motif
- Widened fender flares
- Walkinshaw design 20" alloy wheels in dark matte grey
- Michelin Pilot Sport 4 SUV tyres
- Black roof rails
- Colour matched sailplane
- Walkinshaw fender badge
- Walkinshaw tailgate badge
- Rear bumper, door handles and mirrors in dark matte grey
- AMAROK decal lettering on tailgate
- IQ. Light LED Matrix headlamps
- LED taillights
- LED fog lamps
- 12V power socket in tub
- Full factory towing kit
- 230V power socket in tub backed up by a 400W inverter

Interior

- Walkinshaw embroidered headrests
- Walkinshaw branded brushed sill plates
- Walkinshaw branded sports pedals in brushed metal
- Velour floor mats with W600 branding, front and rear
- 'Savona' leather seat package
- Stitched leather-look dashboard
- Stitched leather-look door inserts
- 10-way adjustable driver and passenger seats
- Seat heater for driver and passenger
- 12" touchscreen infotainment with in-built navigation
- 640W Harman Kardon premium sound system with subwoofer
- 12.3" digital cockpit
- Dual zone 'Climatronic' automatic air conditioning
- Leather E-shifter
- Leather multifunction steering wheel
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- 230V power socket in rear centre console
- Front and rear Velour floor mats

Function / Safety

- KONI suspension dampers tuned by Walkinshaw, in Lapiz blue
- New rear anti-roll bar developed by Walkinshaw, in Lapiz blue
- Puddle light projecting Walkinshaw shield
- Electrically deployable side steps
- 10-speed shift by wire
- Keyless entry + start
- Anti-theft alarm system with interior monitoring
- Area view*
- Tyre Pressure Monitoring System (TPMS)
- Mechanical differential lock
- Intelligent speed limiter*
- Speed sign recognition*
- E-call (emergency call)
- ACC and lane keeping assist*
- Multi-collision braking
- Electronic parking brake
- Rain and light sensors
- Front & rear Park Distance Control (PDC)
- Underbody mounted reverse camera
- Blind spot monitoring*
- Rear Traffic Alert*
- Knee, centre, front, rear, side/curtain airbag
- Auto dimming rear view mirror
- 2 Front towing hooks
- Trailer Maneuvering System (Trailer Assist) with Hitching Assistance

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Amarok **Aventura**

Lifestyle & Design

The Amarok Aventura – where power meets precision in a design that commands attention. With every drive, experience the perfect fusion of bold sophistication, and cutting-edge technology. Engineered for those who demand performance without compromise, the Amarok Aventura offers unmatched comfort, innovative features, and a driving experience like no other.

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel engine
- ANCAP 5 star safety rating
- 21" alloy wheels
- 'X-Design' front bumper with silver accents
- Colour matched sailplane with electric roller cover

Exterior

- 21" alloy wheels
- Front bumper 'X-Design' with silver accents
- Exterior mirrors, door handles & rear bumper in chrome
- Colour matched sailplane
- Side steps with chrome accents
- Roof rails in silver
- Electric roller cover
- IQ. Light LED Matrix headlamps
- LED fog lamps
- LED taillights
- Plastic drop in tub liner
- 12V power socket in the tub
- 230V power socket in the tub backed up by a 400W inverter
- Electrically foldable, heated mirrors with puddle lamps
- Tie down rings in cargo box
- Mud flaps in front and rear
- Full towing kit
- Locking wheel nuts
- Remote central locking for tailgate

Interior

- 'Savona' leather seat package
- Stitched leather-look dashboard
- Stitched leather-look door inserts
- 10-way adjustable driver and passenger seats
- Seat heater for driver and passenger seats
- Headliner in Ebony Black
- 12" touchscreen infotainment with in-built navigation
- Premium 'Harman Kardon' sound system with 8 speakers and sub-woofer
- 12.3" digital cockpit
- Dual zone 'Climatronic' automatic air conditioning
- Rear centre armrest with integrated cup holders
- Rear privacy glazing
- Leather E-shifter
- Leather heated multifunction steering wheel
- Voice control integration
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- 230V power socket in rear centre console
- USB-A power outlet in rear view mirror
- Premium 'Aventura' branded front and rear Velour floor mats
- Insulating windshield
- Rear air vents
- Ambient lighting

Function / Safety

- Keyless entry + start
- Anti-theft alarm system with interior monitoring
- Area view*
- 10-speed shift by wire
- In-built factory trailer brake controller
- Tyre Pressure Monitoring System (TPMS)
- Mechanical differential lock
- LED cargo box lighting
- Intelligent speed limiter*
- Speed sign recognition*
- E-call (emergency call)
- ACC and lane keeping assist*
- Multi-collision braking
- Electronic parking brake
- Rain and light sensors
- Front and rear Park Distance Control (PDC)
- Rear view camera
- Blind spot monitoring*
- Rear Traffic Alert*
- Knee, centre, front, rear, side/curtain airbag
- Auto dimming rear view mirror
- 2 front towing hooks
- Trailer Maneuvering System (Trailer Assist) with Hitching Assistance

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Amarok PanAmericana

Off-Road & Design

The Amarok PanAmericana is built to transverse every inch of the country with ease. Feel dirt trails and mountainsides quake in fear from the powerful V6 turbo diesel engine. Packing all the equipment to take you further, the Amarok PanAmericana helps you conquer all terrains.

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel engine
- ANCAP 5 star safety rating
- 18" alloy wheels, exclusively in all black
- All-terrain tyres
- 'X-Design' front bumper with black accents
- Spray in tub liner

Exterior

- 18" black alloy wheels
- All-terrain tyres
- Front bumper 'X-Design' with black accents
- Exterior mirrors, bumper & door handles in black
- Sports bar in black
- Side steps in black
- Roof rails in silver
- PanAmericana decal
- IQ. Light LED Matrix headlamps
- LED fog lamps
- LED taillights
- Spray in bed liner
- Electrically foldable, heated mirrors with puddle lamps
- Tie down rings on cargo box
- Mud flaps in front and rear
- Full towing kit
- Locking wheel nuts
- Remote central locking for tailgate

Interior

- 'Cricket' leather seat package
- Stitched leather-look dashboard
- Stitched leather-look door inserts
- 10-way adjustable driver and passenger seats
- Seat heater for driver and passenger seats
- Headliner in Ebony Black
- 12" touchscreen infotainment with in-built navigation
- Premium 'Harman Kardon' sound system with 8 speakers and sub-woofer
- 12.3" digital cockpit
- Dual zone 'Climatronic' automatic air conditioning
- Rear centre armrest with integrated cup holders
- Rear privacy glazing
- Leather E-shifter
- Leather multifunction steering wheel
- Voice control integration
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- 230V power socket in rear centre console
- USB-A power outlet in rear view mirror
- Front and rear Velour floor mats
- Insulating windshield
- Rear air vents
- Ambient lighting

Function / Safety

- Keyless entry + start
- Anti-theft alarm system with interior monitoring
- Area view*
- 10-speed shift by wire
- In-built factory trailer brake controller
- Tyre Pressure Monitoring System (TPMS)
- Mechanical differential lock
- LED cargo box lighting
- Intelligent speed limiter*
- Speed sign recognition*
- E-call (emergency call)
- ACC and lane keeping assist*
- Multi-collision braking
- Electronic parking brake
- Rain and light sensors
- Front and rear Park Distance Control (PDC)
- Rear view camera
- Blind spot monitoring*
- Rear Traffic Alert*
- Knee, centre, front, rear, side/curtain airbag
- Auto dimming rear view mirror
- 2 front towing hooks
- Trailer Maneuvering System (Trailer Assist) with Hitching Assistance

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Amarok **Dark Label**

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel engine
- ANCAP 5 star safety rating
- 20" matte black alloy wheels
- Dark accent styling throughout
- IQ. Light LED Matrix Headlamps
- Soft tonneau cover
- Black Art Velour seat package

Bold & Powerful

The Amarok Dark Label makes a statement before you even turn the key. This is the Amarok for those who refuse to blend in, blacked-out from bumper to bumper, dripping in attitude and impossible to ignore. Backed by a 3.0L 184kW 600Nm V6 turbo diesel engine, the Dark Label is as powerful as it looks. Dark by design, bold by nature. The Amarok Dark Label doesn't ask for attention. It commands it.

Exterior

- 20" 'Bendigo' alloy wheels in matte black
- Rear Bumper in Matte Black
- Elec. foldable, heated mirror & courtesy lamps
- IQ. Light LED Matrix headlamp
- Dark smoked taillights
- LED fog lamps
- Front Bumper 'X-Design' with black accents
- Sports bar in black
- Spray in tub liner
- Side steps in black
- Dark Label decal pack
- Roof rails in black
- Soft tonneau cover in black
- Rear tailgate handle in matte black
- Darkened privacy glass rear and side windows
- 12V power socket in tub
- Full factory towing kit
- Tie down rings in cargo box

Interior

- 'Art Velour' microfleece seat package with dark inlays
- Headliner in Ebony black
- Leather multifunction steering wheel with Dark Label badging
- Dark Label branded velour floor mats
- 12" touchscreen infotainment with in-built navigation
- 12.3" Digital cockpit
- 10-way adjustable electric driver seat and 8-way adjustable manual passenger seat
- Dual zone 'Climatronic' automatic air conditioning
- Leather E-shifter
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- Rear privacy glazing
- Rear air vents

Function / Safety

- Keyless entry + start
- Anti-theft alarm system with interior monitoring
- Area view*
- 10-speed shift by wire
- Tyre Pressure Monitoring System (TPMS)
- Mechanical differential lock
- LED cargo box lighting
- Intelligent speed limiter*
- Speed sign recognition*
- E-call (emergency call)
- ACC and lane keeping assist*
- Multi-collision braking
- Electronic parking brake
- Rain and light sensors
- Front & rear Park Distance Control (PDC)
- Rear view camera
- Blind spot monitoring*
- Rear Traffic Alert*
- Knee, centre, front, rear, side/curtain airbag
- Auto dimming rear view mirror
- 2 Front towing hooks
- Trailer Maneuvering System (Trailer Assist) with Hitching Assistance

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Amarok Style

Comfort & Design

The Amarok Style has the grunt to go anywhere, style to look good anytime, and all the added extras to take the drive to the next level. Chose between effortless progress with a 2.3L 222kW 452Nm turbo petrol engine or the surge of a 3.0L 184kW 600Nm V6 turbo diesel. Amarok Style - the power and design for any situation.

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel or a 2.3L 222kW 452Nm turbo petrol engine
- ANCAP 5 star safety rating
- 18" alloy wheels, optional 20" on Style TSI
- 12" touchscreen infotainment with DAB digital radio
- IQ. Light LED Matrix headlamps with adaptive high beam
- Area view 360 degree camera*

Exterior

- 18" alloy wheels
- Optional 20" alloy wheels on Style TSI
- Rear bumper with chrome accents
- Side steps with chrome accents
- Electrically foldable, heated mirrors with puddle lamps
- Sports bar in chrome
- IQ. Light LED Matrix headlamps
- LED taillights
- LED fog lamps
- Plastic drop in tub liner
- 12V power socket in the tub
- 230V power socket in the tub backed up by a 400W inverter
- Tie down rings in cargo box
- Mud flaps in front and rear
- Full towing kit
- Locking wheel nuts
- Remote central locking for tailgate

Interior

- 'Art Velour' microfleece seat package
- Stitched leather-look dashboard
- Stitched leather-look door inserts
- 10-way adjustable electric driver seat and 8-way adjustable manual passenger seat
- Seat heater for driver and passenger seats
- 12" touchscreen infotainment with in-built navigation
- Sound system with 6 speakers
- 12.3" digital cockpit
- Dual zone 'Climatronic' automatic air conditioning
- Rear centre armrest with integrated cup holders
- Rear privacy glazing
- Leather E-shifter
- Leather multifunction steering wheel
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- 230V power socket in rear centre console
- USB-A power outlet in rear view mirror
- Front and rear Velour floor mats
- Insulating windshield
- Rear air vents
- Ambient lighting

Function / Safety

- Keyless entry + start
- Anti-theft alarm system with interior monitoring
- Area view*
- 10-speed shift by wire
- Tyre Pressure Monitoring System (TPMS)
- Mechanical differential lock
- LED cargo box lighting
- Intelligent speed limiter*
- Speed sign recognition*
- E-call (emergency call)
- ACC and lane keeping assist*
- Multi-collision braking
- Electronic parking brake
- Rain and light sensors
- Front & rear Park Distance Control (PDC)
- Rear view camera
- Blind spot monitoring*
- Rear Traffic Alert*
- Knee, centre, front, rear, side/curtain airbag
- Auto dimming rear view mirror
- 2 Front towing hooks
- Trailer Maneuvering System (Trailer Assist) with Hitching Assistance

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Amarok Style Tray

Highlights

- 3.0L 184kW 600Nm V6 turbo diesel engine
- ANCAP 5 star safety rating
- Amarok branded alloy tray
- 18" alloy wheels
- 12" touchscreen infotainment with DAB digital radio
- IQ. Light LED Matrix headlamps with adaptive high beam

Practicality & Comfort

The Amarok Style Tray is where premium meets purpose. All the comfort and capability of the Amarok Style, paired with a purpose-built alloy tray^ ready to handle whatever the working day throws at it. With heavy duty construction, quick-lock dropsides, internal load restraint points and LED taillights, no job is too big. Get to work in true Amarok style.

*Alloy tray comes unpainted as standard, overseas model shown.

Exterior

- Unpainted^ Amarok branded Alloy tray
- Rope rails
- Internal load restraint points
- Tube headboard window protector
- Quick lock hinges
- 18" alloy wheels
- Rear bumper with chrome accents
- Side steps with chrome accents
- Electrically foldable, heated mirrors with puddle lamps
- IQ. Light LED Matrix headlamps
- LED taillights
- LED fog lamps
- 12V power socket in front of tray
- Mud flaps in front and rear
- Full towing kit
- Locking wheel nut

Interior

- 'Art Velour' microfleece seat package
- Stitched leather-look dashboard
- Stitched leather-look door inserts
- 10-way adjustable electric driver seat and 8-way adjustable manual passenger seat
- Seat heater for driver and passenger seats
- 12" touchscreen infotainment with in-built navigation
- Sound system with 6 speakers
- 12.3" digital cockpit
- Dual zone 'Climatronic' automatic air conditioning
- Rear centre armrest with integrated cup holders
- Rear privacy glazing
- Leather E-shifter
- Leather multifunction steering wheel
- Wireless phone charger
- 12V, USB-A and USB-C power outlets in centre console
- 230V power socket in rear centre console
- USB-A power outlet in rear view mirror
- Front and rear Velour floor mats
- Insulating windshield
- Rear air vents
- Ambient lighting

Function / Safety

- Keyless entry + start
- Anti-theft alarm system with interior monitoring

Amarok

Choice of Engines

3.0-litre V6 TDI engine

with 184kW & 600Nm, single Turbo

- 10-speed automatic gearbox (shift by wire)
- 4MOTION advanced selectable all-wheel drive
- 4 driving modes (2H, 4H, 4L, 4A)
- Combined fuel consumption 8.4L/100km

2.3-litre 4-cylinder Petrol TSI engine

with 222kW & 452Nm, single turbo

- 10-speed automatic gearbox (shift by wire)
- 4MOTION advanced selectable all-wheel drive
- 4 driving modes (2H, 4H, 4L, 4A)
- Combined fuel consumption 9.7L/100km

Amarok includes **4MOTION**

- 01 2H two-wheel drive, on-road selection.** For general driving on the road with power transmission only to the rear wheels
- 02 4A selectable All-Wheel Drive, automatic mode.** Four-wheel drive auto provides electronically controlled four-wheel drive power to both the front and rear wheels, as required, for increased traction in varying on-road conditions
- 03 4H selectable All-Wheel Drive.** Four-wheel drive high provides electronically or mechanically locked four-wheel drive power to both the front and rear wheels for use in off-road or winter conditions such as deep snow, sand or mud. This mode is not for use on dry pavement
- 04 4L selectable all-wheel drive.** Four-wheel drive low provides electronically or mechanically locked four-wheel drive power to both the front and rear wheels for use on low traction surfaces, but does so with additional gearing for increased torque multiplication. This mode is only for off-road conditions such as deep sand, steep slopes, or pulling heavy objects
- 05 Rear mechanical differential lock**
- 06 Hill descent control**
- 07 Traction control**
- 08 Electronic park brake**
- 09 Trailer Assist** (Style, PanAmericana, Aventura, Dark Label and W600 models)

Drive Modes

Now with up to 6 different driving modes, this is the most capable and versatile Amarok ever.

"Normal"

Driving Mode

For everyday driving. This mode is the perfect balance of excitement, comfort and convenience.

"Eco"

Driving Mode

For efficient driving. This mode helps deliver maximum fuel efficiency and helps to increase driving range.

"Slippery"

Driving Mode

Use in challenging driving conditions on loose or slippery surfaces. Slippery mode lowers throttle response and optimises shifting for slippery surfaces.

"Mud"

Driving Mode

For off-road driving. This mode enhances vehicle performance to traverse muddy, rutted or uneven terrains.

"Sand/Snow"

Driving Mode

Designed for off-road driving on soft, dry sand or deep snow.

"Towing/Heavy Load"

Driving Mode

This mode optimises the operation of the gearbox when pulling a heavy trailer. The gear is only shifted up at higher engine speeds to reduce shifting frequency. Engine braking effect is also enabled in all forward gears, which decelerates the vehicle when travelling downhill.

LED headlights standard across the range on Amarok

LED tail light clusters.
Excludes Dark Label model.

LED headlights standard.
Life models and up come with LED fog lights and courtesy lighting as standard.

IQ.Light LED matrix headlights standard on Style, Dark Label, PanAmericana, Aventura and W600 models.

- With individually activated light emitting diodes to determine the brightness and direction of the light cone, thus providing variable illumination of the road depending on the situation.
- Includes the Dynamic Light Assist advanced main beam control and dynamic headlight range control functions.

Next Level Safety and Driver Assistance

All the protection you need.

Driving a rugged Ute doesn't mean you need to compromise on modern safety and driver assistance technology. The Amarok sets an unrivalled standard for what's possible in a Ute.

Front Assist with monitoring and braking for vehicles, pedestrians, cyclists*

Uses a radar system to detect situations where the distance to the vehicle in front is critical and reduces the vehicle's stopping distance. In dangerous situations, the system alerts the driver using visual and acoustic signals, and with a warning jolt of the brakes. | S | D | P | A | W |

Airbags

Protected from all angles. The Amarok is fitted with a total of 9 airbags consisting of knee, centre, front, side/curtain and rear airbags. | S | D | P | A | W |

Anti-Lock Braking System (ABS).

Prevents the wheels from locking and thereby maintains steering control. | S | D | P | A | W |

Dynamic Stability Control

Automatically applies the brakes and reduces engine power to help steer the vehicle where the driver intends to go. | S | D | P | A | W |

Electronic Brake Force distribution (EBD)

Automatically varies the amount of force applied to each of a vehicle's wheels, based on road conditions, speed, loading, etc, thus providing intelligent control of both brake balance and overall brake force. | S | D | P | A | W |

Emergency Brake Assist*

The system detects if the driver is trying to execute an emergency stop, and if the brake pedal is not fully applied, the system overrides and fully applies the brakes until the anti-lock braking system (ABS) takes over to stop the wheels locking up. | S | D | P | A | W |

5 star ANCAP rating

The Amarok is German engineered to the highest of safety standards. ANCAP (Australasian New Car Assessment Program) are the leading independent vehicle safety advocate. If you'd like more details, head to their website and read their safety report on the Amarok: www.ancap.com.au | S | D | P | A | W |

Adaptive Cruise Control (ACC)*

Automatically adapts the vehicle's speed to that of the vehicle driving in front and maintains the distance set by the driver. | S | D | P | A | W |

Lane Assist - Lane Keeping and departure warning*

Countersteers if a lane is left unintentionally while alerting the driver at the same time by using a warning tone and information in the multifunction display. | S | D | P | A | W |

Roll Over Mitigation

Constantly monitors the vehicle behaviour with the help of the dynamic stability control and intervenes when the vehicle threatens to roll over. | S | D | P | A | W |

Dynamic Road Sign Display

Front mounted cameras identify traffic signs and can display this information to the driver. | S | D | P | A | W |

Adaptive Load Control

Detects sudden changes in a loaded vehicle from normal and adjusts Dynamic Stability Control to compensate for this change.

| S | D | P | A | W |

Hill Start Assist and Hill Descent Control

Hill start assist prevents the vehicle from rolling back on inclines making it easier to start off on uphill slopes, whilst hill decent control takes over the brake and throttle to assist guiding you down.

| S | D | P | A | W |

360° Area View

A bird's eye view. Know exactly where you're turning from all angles with the 360° Area View, which shows a bird's eye view of the area around your Ute. This is a big help when you're trying to get into and out of tight spots.

| S | D | P | A | W |

Rear View Camera (RVC)*

Simplifies parking by showing a limited view of the area behind the vehicle on the display of the infotainment. Additional guidelines help the driver manoeuvre into the space.

| S | D | P | A | W |

Front and rear Park Distance Control with manoeuvre braking*

Emits audible warnings when obstacles are detected of or behind the vehicle or in front when parking, also provides a visual display of the vehicle's distance from these obstacles.

| S | D | P | A | W |

Swerve Steer Assist*

The system activates the moment it detects an evasive swerve. Once the driver initiates the steering action, Swerve Steer Assist combined with Dynamic Stability Control help steer and control the vehicle the right amount to avoid the obstacle, while also preventing the car from crashing into anything else or spinning out of control.

| S | D | P | A | W |

Speed Sign Recognition*

Front mounted cameras identify speed signs and can display this information to the driver.

| S | D | P | A | W |

Intelligent Speed Limiter*

Working with speed sign recognition, it interacts with the adaptive cruise control on the "Style" model upwards to set the speed of the cruise control based on the Speed signs that the system identifies.

| S | D | P | A | W |

Side Assist with Blind Spot Monitoring*

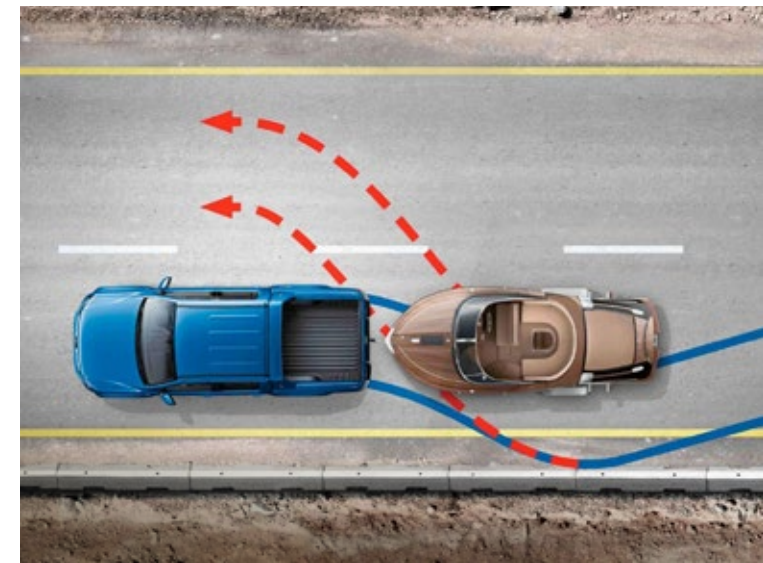

Supports the driver in assessing and avoid dangerous situations. Blind sport monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror.

| S | D | P | A | W |

Rear Traffic Alert

Supports the driver by warning of traffic at the rear of the vehicle when reversing via audible warnings. Direction of approaching traffic indicated via an arrow on the infotainment screen.

| S | D | P | A | W |

Trailer Sway Control (TSC)

Detects trailer sway and reduces the vehicle speed to help solve the problem, making towing more controlled.

| S | D | P | A | W |

Trailer Assist with Hitching Assistance

Assists the driver to steer the vehicle when reversing with a trailer. Turn and hold the control knob in the direction the trailer must go, and the system takes over the steering. This allows the driver to focus on checking the mirrors and operating the brake and accelerator.

| S | D | P | A | W |

Interior

- 01 Multifunction steering wheel
- 02 Exterior lighting switch
- 03 Trim varies depending on the equipment line
- 04 Digital Cockpit with 31.2 cm (12.3 inch) colour display
- 05 Premium leather look dash panel (vinyl) from the Style onwards, excludes Dark Label
- 06 Storage tray in the centre of the dash panel
- 07 Infotainment system/Navigation system:
 - 30.5 cm (12 inch) touch colour display from the Style onwards, otherwise 25.6 cm (10.1 inch) touch colour display
 - Navigation system from the Style onwards
- 08 Harman Kardon sound system with 8 loudspeakers from the PanAmericana onwards
- 09 Function keys plus On/Off button and volume control for the infotainment system
- 10 12 volt socket/USB interfaces/mobile phone storage compartment, with inductive charging function
- 11 Glove compartment, illuminated and lockable (from the Style onwards)
- 12 Leather E-Shifter handle
- 13 Switch for the electronic parking brake
- 14 Selector switch for the selectable all-wheel drive
- 15 Button for Electronic Stability Control (left), Hill Descent Control (centre), rear differential lock (right)
- 16 2 cup holders in the centre console
- 17 Centre armrest (folding) and storage compartment
- 18 Additional Storage compartment
- 19 Roof console with 2 LED reading lights for the driver and front passenger, with glasses compartment
- 20 USB charging socket on the interior mirror

Interior & Comfort

01 230V and 12V power sockets in the rear cabin.

02 Two cup holders in the centre console (illustration shows the PanAmericana equipment line).

03 Two cup holders in the rear centre armrest (illustration shows the PanAmericana equipment line).

04 More leg room in the passenger compartment (illustration shows the Life equipment line).

05 Storage tray in the centre of the instrument panel (illustration shows the PanAmericana equipment line).

06 In the storage compartment in the front centre console: USB-A and USB-C connection to charge electronic devices or for data transfer, as well as a 12-volt socket as standard.

07 Function keys as well as an On/Off button and volume control for the infotainment system. 12-volt socket, USB-A and USB-C interface, and a mobile phone storage compartment in the storage compartment below the touch colour display.

08 Centre console design layout (illustration shows the Aventura equipment line).

Amarok **Accessories**

Take on anything

Everything about the Amarok is designed to meet your high standards – and Volkswagen Genuine Accessories* are no exception. Whether you're looking to dial up the style, practicality or protection, there's no better way to adapt your Amarok to your unique needs.

*Optional accessories at extra cost. Overseas models are shown for illustrative purposes only. Accessories may have an effect on fuel efficiency. Items such as sports equipment, cargo carriers and bike racks are shown for illustration purposes only.

Cargo/tub accessories

Electric Roll Cover The Amarok electric black roll cover with built-in LED light, UV resistant powder coat finish, and open/close function at the touch of a button will mean that your cargo is easily accessible. With built-in tracks in the side rails, you can easily install additional accessories such as roof bars (sold separately). Not compatible with Aventura model.

Roll Cover The Amarok black roll cover hard lid brings a new level of versatility and practicality to your cargo area. With multiple opening positions and integrated side channels allowing easy and secure installation of the cargo carriers and other accessories including roof bars (sold separately). Not compatible with Aventura model.

Soft Tonneau Cover The Amarok soft tonneau cover offers protection from the elements while ensuring you can access your load with ease. All opening mechanisms are hidden, concealing how your load area is accessed. Not compatible with Aventura model.

Modular Bedliner Made from high density polyethylene for extra impact strength and durability, the modular bedliner provides the highest level of protection for your cargo area.

Self-lowering Tailgate Assist Innovative, practical and simple. The Amarok Tailgate Assist utilises a specific damper system that allows for the soft-release and hands-free lowering of the tailgate. Developed with the world-leading OE gas strut manufacturer, Stabilus.

Drawer System Lightweight yet robust, the Amarok drawer system is the perfect way to keep your cargo organised, accessible and secure. The drawer top is rated up to 100kg, while each drawer can hold up to 45kg. Fridge slide accessory also available (sold separately).

Premium Stylish Canopy Specifically designed for the Amarok focusing on practicality, style and cargo volume. Central locking is standard, with push button electronic opening on the rear and side (lift) windows. Also includes interior built-in LED lights and optional canopy roof racks available separately. Side windows options are lift-lift, slide-lift or slide-slide.

Exterior accessories

Side Wind Deflector The Amarok weathershields utilise a sleek, modern design with 'Amarok' embossed on the front deflectors to let fresh air in and keep the wind and rain out.

Bonnet Protector The custom designed black Amarok bonnet protector helps keep your Amarok looking sharp by providing added protection against debris and scratches.

Interior accessories

All-Weather Floor Mats When it comes to keeping things dry, the all-weather floor mat set with Amarok insignia is the ideal solution. They're perfectly fitted to the floor while remaining easy to remove and clean.

Accessory Switch Panel This optional roof mounted switch panel runs 6 switches via an auxiliary fuse box allowing you to seamlessly control accessories such as light bars, winches and air compressors from the comfort of the driver's seat.

*Optional accessories at extra cost. Overseas models are shown for illustrative purposes only. Accessories may have an effect on fuel efficiency. Items such as sports equipment, cargo carriers and bike racks are shown for illustration purposes only.

Off-road/expedition accessories

Amarok Nudge Bar The Amarok nudge bar with an integrated LED light bar is designed to complement the vehicle's front-end look whilst maintaining maximum functionality.

Amarok Snorkel The Amarok snorkel is designed to maximise clean air flow and maintain optimal engine temperature. It also features a reversible air ram designed to help prevent snow, dust and water ingress. Suitable for V6 diesel variants only.

Lift-Kit Suspension System Enjoy increased load carrying capability with improved vehicle handling and comfort across a variety of terrains. With a 40mm ride height lift and multiple configurations available to suit specific load carrying requirements, consult your Volkswagen dealer for more information.

Amarok Underbody Vehicle Protection Add extra layer of protection when going off-road with the Amarok underbody protection. It's tough, durable and can be easily disassembled for vehicle service access. Only compatible with Amarok diesel variants.

Recovery Boards – Amarok TredPro® TRED Pro™ is the next generation of the world's most advanced all-in-one off-road vehicle recovery boards featuring "Amarok" insignia. It's specifically designed to get your Amarok out of seriously adventurous trouble when traction is lost in sand, mud or snow.

Amarok Snatch Recovery Kit Enjoy peace of mind with a purpose-built recovery kit stored in your Amarok containing a selection of handy tools to help get you out of unfavourable situations.

Kit includes:

- Amarok Snatch strap 8,000kg
- Amarok Damper
- 2 x 3.25T Bow Shackle
- Amarok Gloves
- Amarok Recovery bag

Styling accessories

Bodyside Door Mouldings Integrated design with the Amarok bodyside. Provides an enhanced finish with additional protection.

Wheel Arch Flares Built to last, the Amarok wheel arch flares will help protect your vehicle when driving on or off-road. The enhanced track width also provides a unique, rugged look.

Roof transport accessories

Amarok Roof Top Tent Take your adventures to new heights with the Amarok Roof Top Tent. Featuring a lightweight, hard shell design, it's built to handle all sorts of conditions and mounts seamlessly on to the Amarok roof racks (sold separately).

Roof Racks For the spontaneous weekend adventure or moving unique cargo, Volkswagen genuine roof racks will help carry the load. Please consult your dealer for vehicle-specific roof load limits.

Platform Compatible with a wide range of accessories and carriers, the platform system is the ultimate load carrying solution for all kinds of activities. Consult your dealer for vehicle-specific roof load limits.

1. The Tare Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.
2. Payload figures determined by subtracting 'Kerb Weight' from total 'Gross Vehicle Mass' (GVM). A vehicle's final payload, given the different configurations, can only be determined by weighing the individual vehicle and comparing to the known GVM. Figures quoted are for base model vehicles only.
*When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

● Standard ○ Optional — Not Available

5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles¹.

1 year Roadside Assist

Every new Volkswagen petrol, diesel, and plug-in hybrid vehicle comes with a 1 year Roadside Assist membership².

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

Volkswagen Care Plans

A 5-Year Volkswagen Care Plan³ covers your new Amarok's first 5 scheduled services. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

Assured Service Pricing

Assured Service Pricing⁴ gives you the comfort to know the cost of your first 5 scheduled services, when servicing your vehicle at any authorised Volkswagen dealership.

Our Volkswagen dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts[®] to ensure your Volkswagen stays a Volkswagen.

1. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

2. Volkswagen Assist (Roadside Assistance) Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/roadside-assist.html>.

3. Volkswagen Care Plans are available for purchase online or from participating Volkswagen Dealers for eligible vehicles. Care Plans cover standard items included in each scheduled service. For information on service intervals and when Care Plans can be purchased please visit <https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/care-plans.html>. Exclusions, model specific intervals, and full program terms and conditions apply.

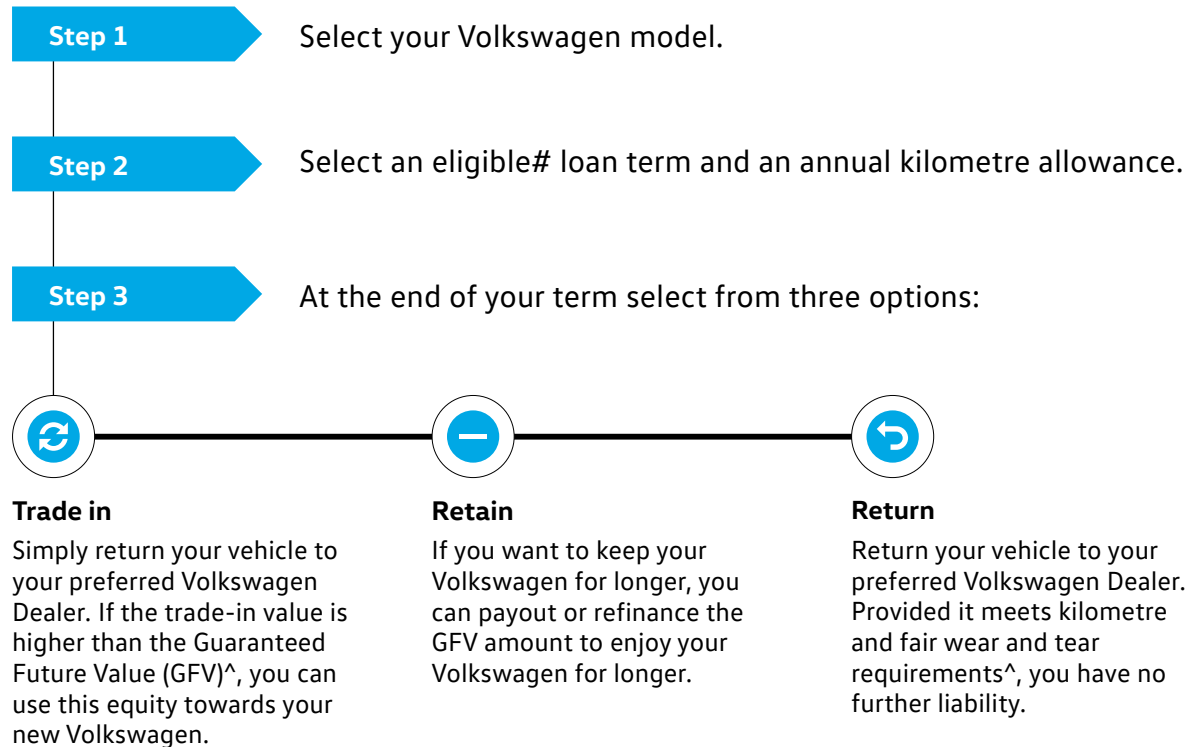

4. Volkswagen Assured Service Pricing is current as at the date the customer obtains a price from the Volkswagen Service Pricing Guide or from a participating authorised Volkswagen dealer and is subject to change without notice. Customers are advised to confirm current pricing on the Volkswagen Service Pricing Guide or with an authorised Volkswagen dealer on the day of each scheduled service. Volkswagen Assured Service Pricing applies to the cost of standard items in each of the first 5 standard scheduled services of your vehicle. Exclusions and conditions apply. For more details on service intervals, the eligible models, pricing, items not included and for full terms and conditions, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>. Volkswagen Australia reserves the right to at any time modify or discontinue the Volkswagen Assured Service Pricing program.

Volkswagen Choice[^]

Guarantee the minimum future value of your Volkswagen

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]Volkswagen Choice has a Guaranteed Future Value (GFV) which is the minimum value of your vehicle at the end of your finance contract as determined by VFS. If you decide to return your car to VFS at the end of your term, VFS will pay you the agreed GFV, which will be put against your final payment subject to fair wear and tear conditions and agreed kilometres being met. At the end of your term, you can elect to (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges apply if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Fleet, government, rental buyers, hire car and chauffeur companies excluded. To see if this product is right for you, please see our Target Market Determination on our website.
