Ford Service

Don’t worry about service. That’s our job.

7 year warranty[1]

Exclusively service your vehicle on schedule with a Ford dealer and we’ll keep it covered for 7 years, no matter how many kilometres you do.

Service made easier

We have great offerings that make servicing more convenient, like loan cars[2], pick up and drop off[3], Express Service[4] and online booking.

Know what you’ll pay

When you buy a new Ford, you’ll know exactly how much each of your first four general car services will cost.

Roadside assistance[5]

When you purchase a new Ford vehicle, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

For more information, visit
ford.com.au/owners/service

Ford Insure

Fit your Ford with insurance made for it.

New Genuine Ford Parts[6]

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Dealer fitted accessories[7]

Accessories which are fitted on your vehicle by a dealership are automatically included.

Automatic off-road cover[8]

Enjoy peace of mind with automatic off-road coverage included.

Removal of excess for glass damage[9]

The Standard Excess under your policy won’t be applied for windscreen, sunroof or window glass only claims.

For more information, visit
ford.com.au/owners/insurance

Finance

Clarity for the road ahead.

Whether you're upgrading, switching models, or buying your first Ford, Ford Finance is here to shorten the distance between you and your next vehicle. Talk to one of our dealers to understand the benefits of choosing Ford Finance.

Approved applicants only. Terms, conditions, fees and charges apply. Finance is provided by Angle Auto Finance Pty Ltd (trading as Ford Finance) ABN 16 161 130 696. Australian Credit Licence 530731. Ford™, the Ford Oval Device™ and Ford Finance™ are trademarks of Ford Motor Company and are used by Angle Auto Finance Pty Ltd pursuant to a licence.

Height - Load Space Floor to Roof	1468
Height - Rear Loading Height[21]	545
Length - Upper Cargo	2470
Length - Load Space Maximum (Up to Bulkhead)	2620
Length - Load Space Maximum (includes Load Through Hatch)	2770
Maximum Load Volume (with Bulkhead) (cu.m)[22]	6.4
Load Space VDA (with Bulkhead) (cu.m)[23]	5.75
Euro Pallet Capacity (1,200mm x 800mm)	3

S = Standard
O = Factory Option that can be ordered before a vehicle is manufactured at an additional cost

Disclaimer: 1. Calculated via peak performance of the electric motor(s) at peak battery power. Individual results may vary. **2.** Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, route profile, vehicle maintenance, and lithium-ion battery age and condition. WLTP Overall Range reflects a combined driving cycle. This test is conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load. **3.** Based on a full charge. Estimated WLTP City Range is calculated using the Low and Medium speed phases of the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) test cycle. Figures shown are for comparability purposes only and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, route profile, vehicle maintenance, and lithium-ion battery age and condition. This test is conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load. **4.** Charging times may vary. Charging rate and time are dependent on battery state of charge, charger output, battery temperature and ambient temperature. **5.** One pedal drive is an extra driving aid.It does not replace the driver's attention and judgement,or the need to apply the brakes. **6.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **7.** Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS™ / Android™ (as applicable) and active data service. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **8.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **9.** The Stop & Go functionality of this system operates as low as 0km/hr in traffic jam situations. Customers should read the Owner's Manual for full details and limitations of the ACC system before activating the system. **10.** Intelligent Speed Assist (ISA) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISA system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISA can be temporarily overridden by the driver firmly pressing the accelerator. In some circumstances, ISA will use map data to limit the vehicle speed. Ford recommends keeping map data updated to help ensure optimal system performance. Customers should read the Owner's Manual for details of the limitations of the ISA system before activating. **11.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. **12.** Prestige paint colours available at additional cost. **13.** GCM is the maximum allowable weight of the vehicle. Subject to state and territory regulations. Stated vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding any load to ensure the maximum GVM, GCM and Gross Axle Weight Ratings are not exceeded. **14.** Gross Vehicle Mass is the maximum allowable weight of a vehicle including any load transported by the vehicle. **15.** Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be considered when calculating kerb weight. **16.** Subject to State and Territory regulations. Maximum payload is calculated by deducting the vehicles Kerb Weight from its Gross Vehicle Mass (GVM). Payload is the maximum combined value of occupants, cargo, added accessories, added structures. Vehicles should be weighed before and after adding additional load, and any accessories to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **17.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **18.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. **19.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. Load Area Protection Kit may impact cargo area dimensions and capacities. **20.** Load Area Protection Kit may impact cargo area dimensions and capacities. **21.** Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. All dimensions (shown in mm) are approximate, are subject to manufacturing tolerances, do not include additional equipment and should be confirmed before fitting any accessories or otherwise relying on this value. **22.** Maximum load volume method simply measures the volume of a fine-grained material such as sand or rice which can be deposited into the loadspace. Load Area Protection Kit may impact cargo area dimensions and capacities. **23.** VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted and the numerical result is converted into cubic meters.

Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please email askfleet@ford.com

1. Conditional Warranty applies to new and demonstrator vehicles with a Warranty Commencement Date on or after 1 September 2026. All services must be completed at a Ford dealer within servicing intervals. Warranty exclusions and conditions apply and can be viewed here. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. This warranty does not limit and may not exceed your rights under the consumer guarantees.

2. Subject to availability. Participating dealers only. Other dealer conditions or requirements may apply.

3. Pick Up and Drop Off available for a general service or warranty repair only subject to dealer capacity and vehicle roadworthiness and driveability. Participating dealers only. Other dealer conditions or requirements may apply.

4. When a 90-minute Express Service is booked. 90 minutes from key handover to service completion for a General Service only, as set out in your vehicle's Service Portfolio. Does not include other work or repairs that may be required. Participating dealers only.

5. Available to Retail Customer or a Blue Business Fleet Customer only. Customer must comply with schedule service intervals at participating dealers to be eligible for 12 months Ford National Roadside assistance. see https://www.ford.com.au/owners/service/t-and-c/ for full terms.

6. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.

7. When purchasing your vehicle from a dealership, accessories included on the purchase invoice are included in cover, without the need to list them on your schedule. Refer to the Ford Insure PDS for full details.

8. If Your Vehicle is damaged while it is being driven on a beach or off any public road, coverage may be available. Any claim will be subject to any applicable excess being doubled and the PDS terms and conditions. Refer to the Ford Insure PDS for full details.

9. Automatic removal of your standard excess on glass damage means the Standard Excess will not apply if you sustain a loss where the only damage to your Vehicle was glass damage. Refer to the Ford Insure PDS for full details.

Important information:

This brochure is designed to provide you with a general introduction to the Ford products (including available optional equipment) referred to and should be read in conjunction with the latest specification sheet. Features, designs, materials, colours and other specifications may vary from those depicted. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
