Ford Tourneo

Service

Don’t worry about service. That’s our job.

Know what you’ll pay

When you buy a new Ford, you’ll know exactly how much each of your first four general car services will cost.

Service made easier

We have great offerings that make servicing more convenient, like loan cars[1], pick up and drop off[2], Express Service[3] and online booking.

Roadside Assistance[4]

When you purchase a new Tourneo, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

For more information, visit
ford.com.au/owners/service

Insure

Fit your Ford with insurance made for it.

New Genuine Ford Parts[5]

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Automatic off-road cover[7]

Enjoy peace of mind with automatic off-road coverage included.

Dealer fitted accessories[6]

Accessories which are fitted on your vehicle by a dealership are automatically included.

Removal of excess for glass damage[8]

The Standard Excess under your policy won’t be applied for windscreen, sunroof or window glass only claims.

For more information, visit
ford.com.au/owners/insurance

Finance

Clarity for the road ahead.

Whether you're upgrading, switching models, or buying your first Ford, Ford Finance is here to shorten the distance between you and your next vehicle. Talk to one of our dealers to understand the benefits of choosing Ford Finance.

Steps to get behind the wheel

Estimate repayments

Using the repayment estimator

Shop for vehicles

Explore the options

Finance with clarity

Get a personalised quote or apply for finance at your preferred Dealership.

Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please email askfleet@ford.com

1. Subject to availability. Participating dealers only. Other dealer conditions or requirements may apply.

2. Pick Up and Drop Off available for a general service or warranty repair only subject to dealer capacity and vehicle roadworthiness and driveability. Participating dealers only. Other dealer conditions or requirements may apply.

3. When a 90-minute Express Service is booked. 90 minutes from key handover to service completion for a General Service only, as set out in your vehicle's Service Portfolio. Does not include other work or repairs that may be required. Participating dealers only.

4. Available to Retail Customer or a Blue Business Fleet Customer only. Customer must comply with schedule service intervals at participating dealers to be eligible for 12 months Ford National Roadside assistance. see https://www.ford.com.au/owners/service/t-and-c/ for full terms.

5. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.

6. When purchasing your vehicle from a dealership, accessories included on the purchase invoice are included in cover, without the need to list them on your schedule. Refer to the Ford Insure PDS for full details.

7. If Your Vehicle is damaged while it is being driven on a beach or off any public road, coverage may be available. Any claim will be subject to any applicable excess being doubled and the PDS terms and conditions. Refer to the Ford Insure PDS for full details.

8. Automatic removal of your standard excess on glass damage means the Standard Excess will not apply if you sustain a loss where the only damage to your Vehicle was glass damage. Refer to the Ford Insure PDS for full details.

Disclaimer:

4. Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available or may be subject to a subscription fee. Users must have created a Ford app account, have fully activated the vehicle's modem and have SYNC Location set to 'on' to use this feature. The Ford app Terms and User Guide and the Ford app Privacy Collection Notice are available at https://www.ford.com.au/privacy/. **5.** Use of Ford app is subject to the Ford app Terms and User Guide and Ford app Privacy Collection Notice, which are available on https://www.ford.com.au/privacy and requires a compatible mobile device, internet access and software (including software updates from time to time). The Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and the vehicle's Ford Modem can only work when both are connected to the telecommunications network. The vehicle's Ford Modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the Ford Modem in your vehicle are no longer available, the Ford Modem will stop functioning and the connected services and all data transmission via the Ford Modem will cease. Ford cannot guarantee that the Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. If the Ford app is unavailable, the ability to lock or unlock your vehicle remotely could be limited, and a physical key might be needed. Always keep your key with you to ensure you can access your vehicle at all times even if the Ford app is unavailable. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **6.** BANG & OLUFSEN © 2026 and B&O© 2026. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive System Manufacturing Kft. All rights reserved. **7.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **8.** Don't drive while distracted. Use voice-operated systems when possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4 features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **9.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **10.** Wireless charging only available on compatible phones. **11.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **12.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for more information. Intelligent Adaptive Cruise Control (iACC) uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator or via steering wheel controls. In some circumstances, iACC will use map data to set the vehicle speed. Ford recommends keeping map data updated by fully activating the vehicle's modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. Adaptive Cruise Control has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby when iACC is active. Customers should read the Owner's Manual for details of the limitations of the iACC system before activating. **13.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

Disclaimer:

14. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Intelligent Speed Limiter (ISL) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISL system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISL can be temporarily overridden by the driver firmly pressing the accelerator. Customers should read the Owner's Manual for details of the limitations of the ISL system before activating. In some circumstances, ISL will use map data to limit the vehicle speed. Ford recommends keeping map data updated by fully activating the Vehicle's modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **15.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Pre-collision Assist with Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. **16.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. **17.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Traffic Sign Recognition will not always detect the correct speed limit and may display a speed that is above or below the actual speed limit. In some circumstances Traffic Sign Recognition will use map data to display the speed limit on the digital instrument cluster. Ford recommends keeping map data updated by fully activating the Vehicle's modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **18.** Not available for Active. Option available at additional cost for Titanium X. **19.** Prestige paint colours available at additional cost. **20.** Subject to State and Territory regulations. Kerb weight includes the vehicle with a full tank of fuel, without occupants, luggage, or cargo and with all standard equipment. Additional weight of optional features must be considered when calculating kerb weight. **21.** Subject to State and Territory regulations. Maximum payload is calculated by deducting the vehicles Kerb Weight from its Gross Vehicle Mass (GVM).Payload is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Weight Ratings are not exceeded. **22.** Maximum towing capacity braked using a genuine Ford tow pack, optional at additional cost. Subject to State and Territory regulations. To comply with regulations and vehicle GCM and GVM limits, the weight of any load transported by the vehicle may need to be restricted. For further details regarding load weight restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **23.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. Load Area Protection Kit may impact cargo area dimensions and capacities. **24.** Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. **25.** VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted and the numerical result is converted into cubic meters.
