Built for the Now

MG has become one of the leading brands in the Australian market. The completely redesigned all-new MG HS exemplifies our ongoing growth and commitment to evolution and development in automotive engineering.

The all-new MG HS sets a new standard with enhanced functionality and features, built with more space in mind, wrapped in a sleek, eye-catching design that's sure to turn heads. This versatile and improved model is ready to become your family's new favourite addition. Choose from three powerful variants – Vibe, Excite, and Essence – and drive on your terms. Each model is loaded with a comprehensive suite of tech and safety features, ensuring every journey is both thrilling and enjoyable. Whether you're loading up for the weekend soccer match, or hitting the open road for a trip away, the MG HS is designed to take on anything you throw at it and more.

Designed to Turn Heads

The all-new MG HS is built to make a powerful statement. Its sophisticated redesigned exterior, striking accents, and commanding slimline LED headlights redefine the meaning of eye-catching. With the new HS, standing out is the bare minimum.

The extended wheelbase (2765mm) provides more interior space than ever in the HS cabin. The now wider exterior width (1890mm), and longer length (4655mm), has the HS offering uncompromised space for you and all your passengers, ensuring it's prepared to take on your next journey, whether near or far.

MG's new design language continues across the front grille of the all-new MG HS, enhancing the brands new look and feel and solidifying MG as a new style statement on the road. The slimmer headlights perfectly complement the SUV's athletic and sleek body, enhancing its powerful presence.

Where Leisure and Connectivity Intertwine

Upon opening the doors of the all-new MG HS, you'll encounter a lavish and sophisticated interior, featuring striking elements, generous space, and exceptional ergonomic comfort, making every journey a pleasurable one.

The cabin is adorned with soft-touch materials and premium accents, creating a relaxing and comfortable atmosphere. Meanwhile, a new three-spoke steering wheel ensures effortless handling on any road.

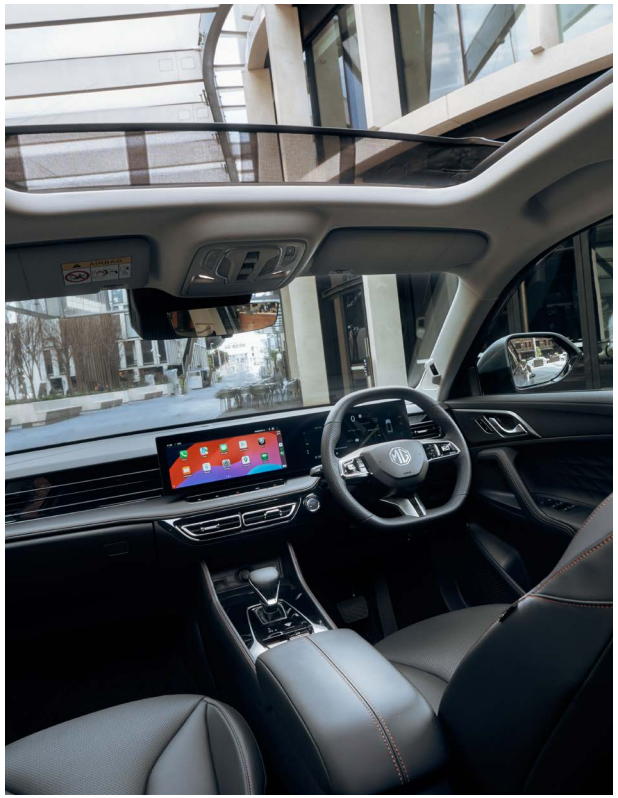

The all-new HS features a two 12.3-inch high-definition display units. The central infotainment screen delivers effortless smartphone integration with Apple CarPlay™ and Android Auto™; and includes features such as live navigation, a high-definition 360-degree camera, and MG iSMART* connectivity on the Excite and Essence models. Additionally, the other display in front of the driver presents a range of unique layouts, offering real-time information of the vehicle's environment while keeping crucial driving information clearly visible.

The all-new HS is equipped to handle any task with its expanded boot capacity of 507L, which grows to 1484L with the rear seats folded. Additionally, a variety of storage solutions ensures ample space for the entire family and any extra gear.

*MG iSMART features may differ based on the vehicle model and trim, and are subject to change without prior notice.

Engineered to Go Further

Each of the three variants of the all-new HS delivers exceptional comfort and enjoyment, ensuring you experience unparalleled confidence on every journey. Powered by a formidable 1.5-litre turbo petrol engine, the HS generates an impressive 125kW of power and 275Nm of torque, and 0-100km time of 9.6s.

Whether you're navigating busy city streets or cruising on the open road, you'll benefit from smooth acceleration, dynamic performance, and exhilarating driving pleasure. The all-new MG HS masterfully blends power and precision, elevating your driving experience to new heights.

The 18-inch alloy wheels on the Vibe variants offer a comfortable driving experience by delivering substantial cushioning and effectively absorbing road imperfections, while also enhancing overall durability. The Excite and Essence variants elevates the driving experience with 19-inch alloy wheels, offering a sportier look and further improving road contact and braking performance.

Advanced Safety, Enhanced Driving

We know when it comes to picking the right car for the family, safety is of the utmost importance and the all-new MG HS has been designed with exactly that in mind. Engineered with cutting-edge safety technologies, the MG HS offers protection for you and your loved ones.

Its advanced PILOT Safety suite features are all meticulously designed to enhance your safety on every journey. Beyond its superior safety performance, the MG HS combines premium driving and comfort with the highest standards of safety, ensuring you can drive with complete confidence and peace of mind.
