For a world *discovered*

Subaru Forester AWD Touring. Optional premium paint shown.

Own the road. Conquer the wild.

The latest generation Subaru Forester is built for those who refuse to be confined.

Built for those who refuse to be confined, it's smarter, safer and more capable than ever. Born from a legacy of adventure the Subaru Forester has always been the SUV that does it all - confidence on every road, comfort for every journey and capability when it counts. Now, it's evolved again. With a bold design, advanced safety, cutting-edge tech and the choice of Subaru's signature Boxer engine or strong Hybrid e-Boxer engine, the Subaru Forester is ready for what's next.

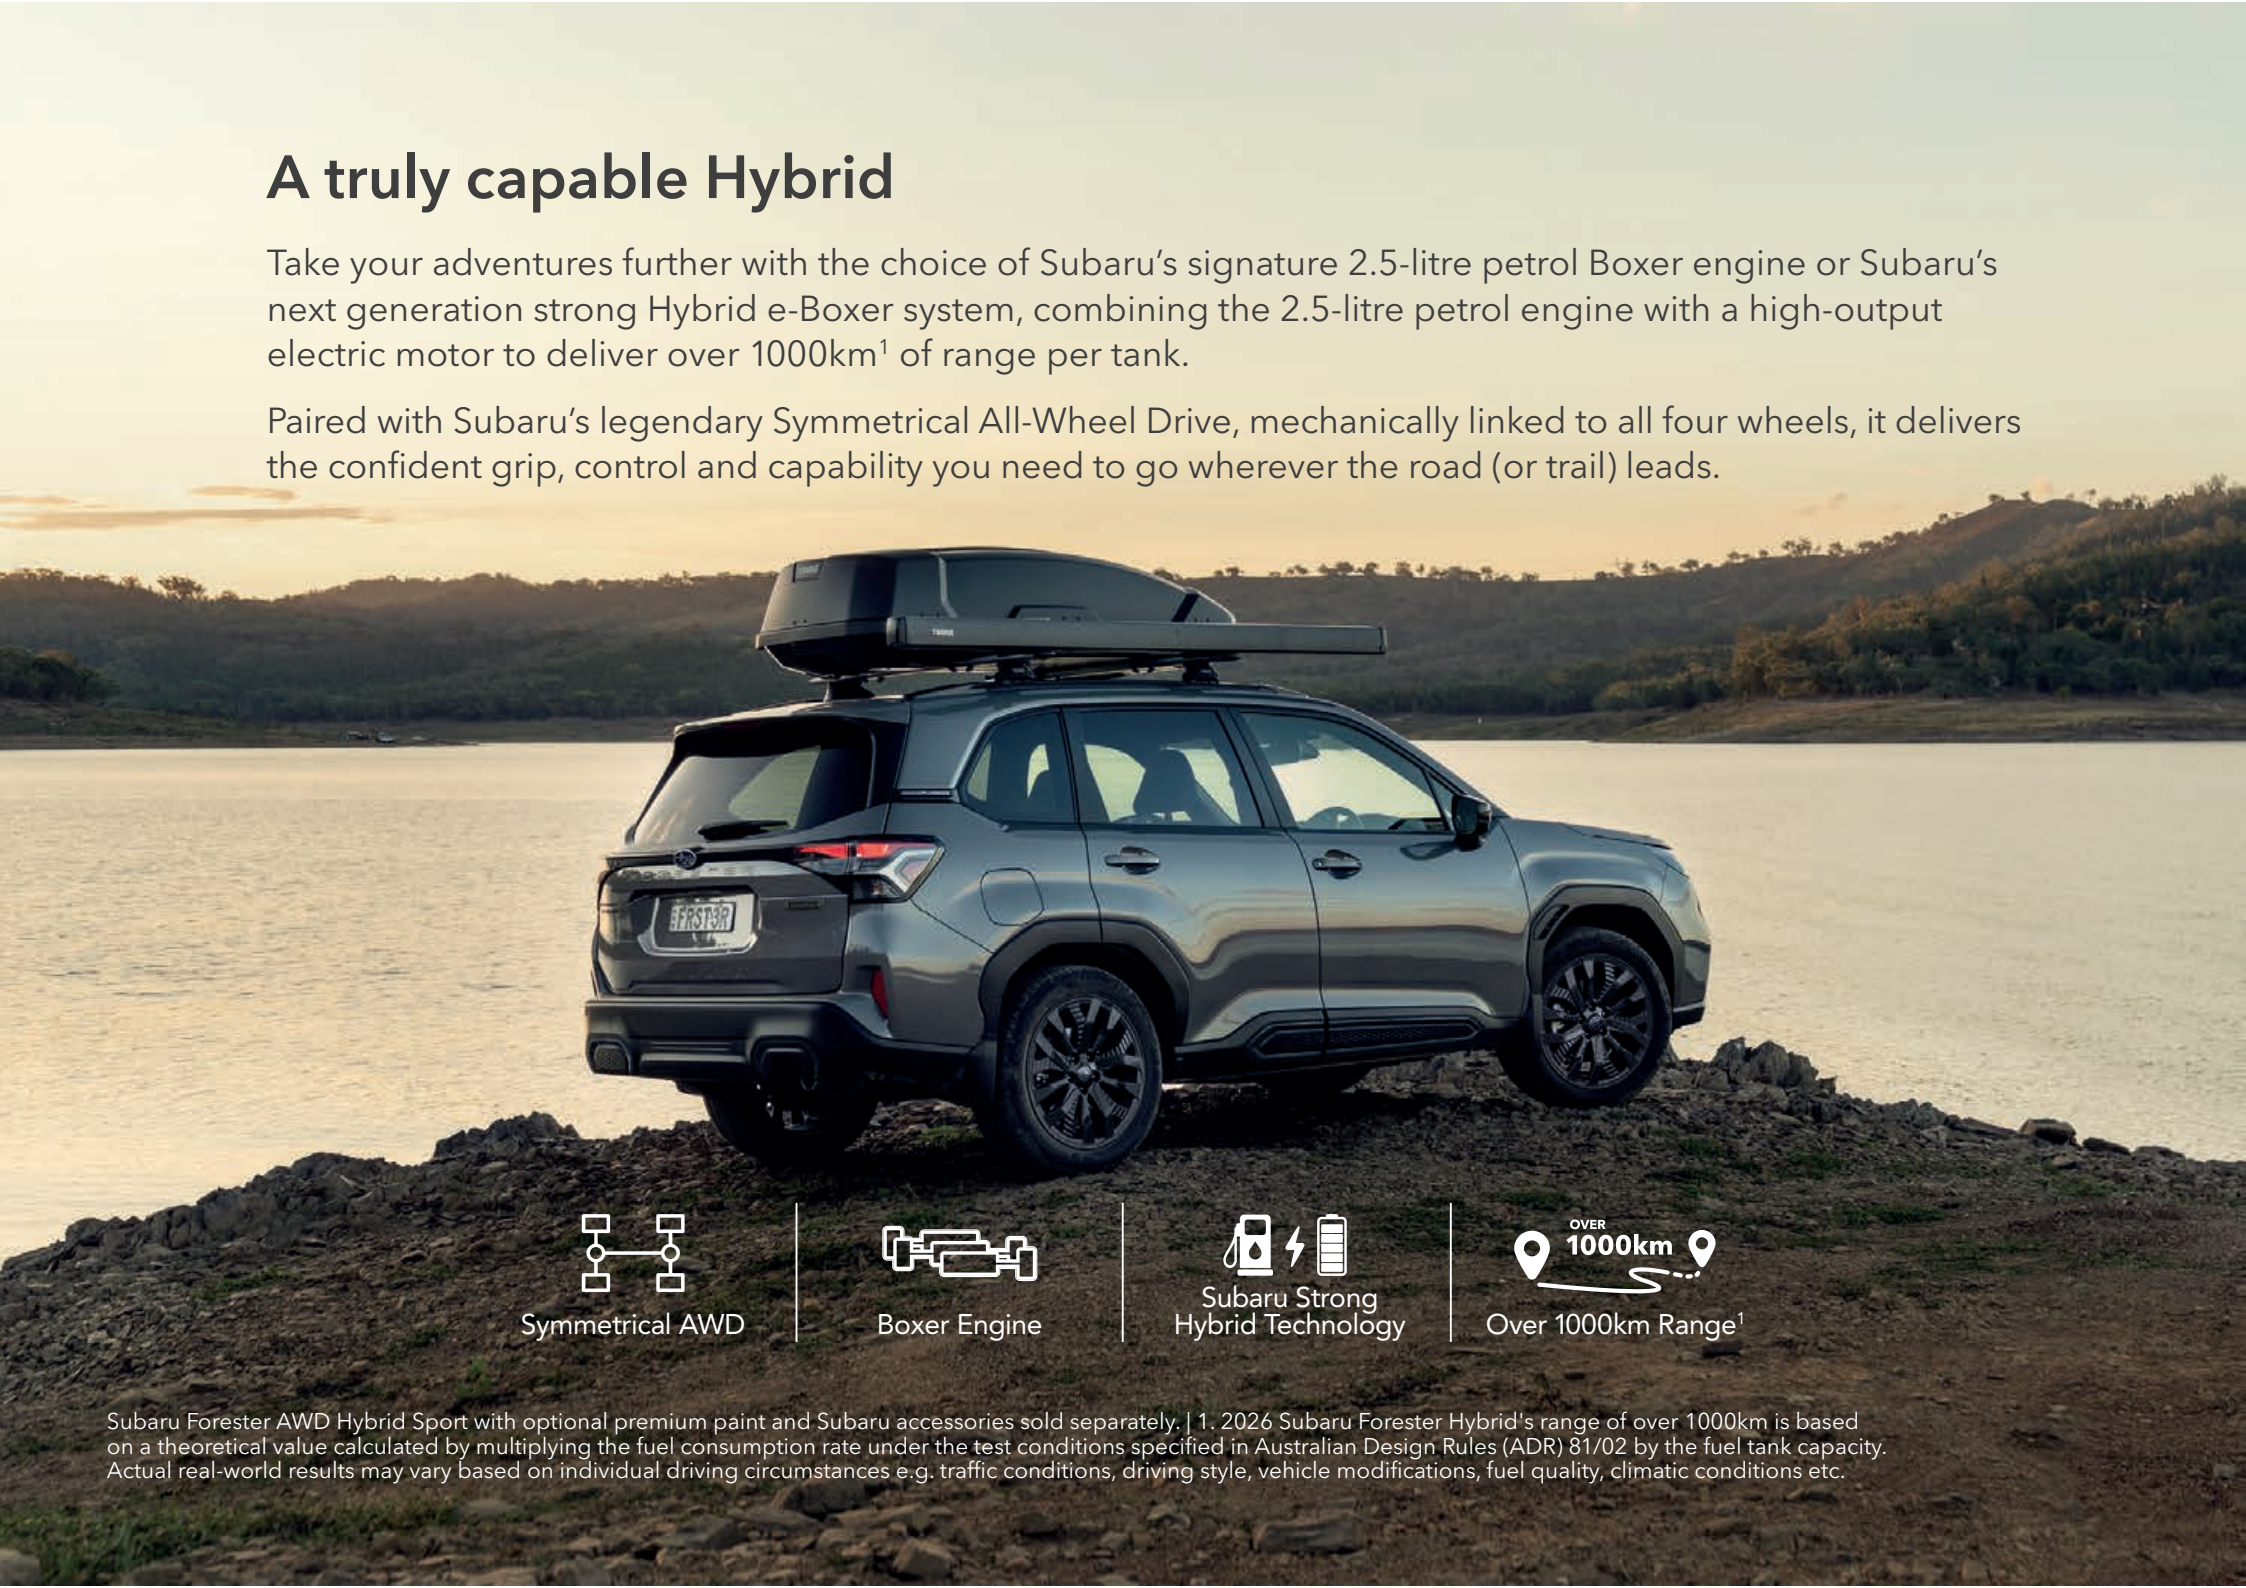

Get ready to own the road and conquer the wild in the Subaru Forester.

For a world *discovered*

A truly capable Hybrid

Take your adventures further with the choice of Subaru's signature 2.5-litre petrol Boxer engine or Subaru's next generation strong Hybrid e-Boxer system, combining the 2.5-litre petrol engine with a high-output electric motor to deliver over 1000km[1] of range per tank.

Paired with Subaru's legendary Symmetrical All-Wheel Drive, mechanically linked to all four wheels, it delivers the confident grip, control and capability you need to go wherever the road (or trail) leads.

Subaru Forester AWD Hybrid Sport with optional premium paint and Subaru accessories sold separately. | 1. 2026 Subaru Forester Hybrid's range of over 1000km is based on a theoretical value calculated by multiplying the fuel consumption rate under the test conditions specified in Australian Design Rules (ADR) 81/02 by the fuel tank capacity. Actual real-world results may vary based on individual driving circumstances e.g. traffic conditions, driving style, vehicle modifications, fuel quality, climatic conditions etc.

FRSTR

FOR5TR

Tackle challenging terrain

With 220mm of ground clearance[1] and an enhanced X-Mode system that activates even in reverse, the Subaru Forester is engineered to tackle rough and uneven terrain with confidence.

This off-road capability is underpinned by Subaru's legendary Symmetrical All-Wheel Drive, delivering ideal traction and stability across all four wheels for maximum control in all conditions.

To better adapt to winding roads, highways and varied driving styles, Subaru Intelligent Drive (SI-Drive) lets you fine-tune engine response with two distinct drive modes, so you're always ready for whatever lies ahead.

UP TO 1,800kg

Braked Towing Capacity[1]

Subaru Forester AWD Touring with optional premium paint and Subaru accessories sold separately.

Bold, adventure ready style

The Subaru Forester is a testament to its timeless and iconic design, blending aggressive ruggedness with modern sophistication.

Drawing inspiration from 6 generations of inspiring adventures, the Subaru Forester's revolutionary redesign introduces next-level capability, strength and the strong Hybrid system. The legendary Symmetrical All-Wheel Drive and low centre of gravity deliver dynamic balance and performance, while tuning to the front suspension enhances driveability, steering responsiveness and comfort.

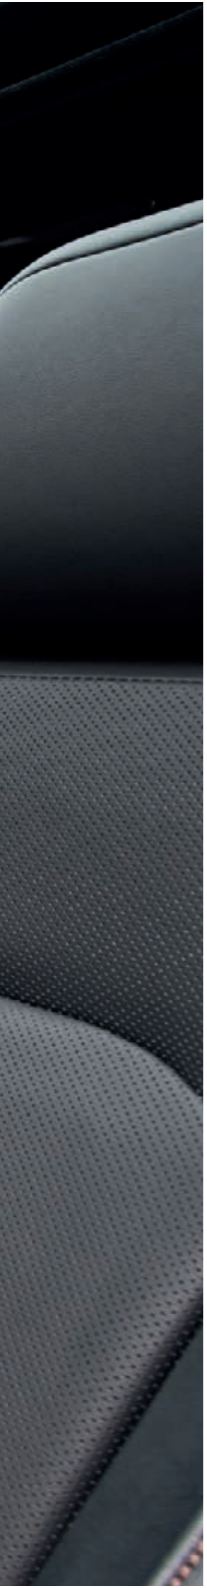

Get ready to explore with ease and a strong towing capability. The Subaru Forester's robust 2.5-litre direct injection horizontally-opposed Boxer petrol engine has a braked towing capacity of 1,800kg[1]. Plus Subaru Forester Hybrid also boasts impressive towing capacity. The Subaru e-Boxer pairs a 2.5-litre 4-cylinder petrol engine with an 90kW electric motor to deliver a braked towing capacity of 1,200kg[1].

Refusing to be confined, Subaru Forester invites adventure with a robust, class leading 220mm ground clearance[2]. Adding to Subaru Forester's genuine off-road capability is X-Mode, standard across the range. While Subaru Intelligent Drive (SI-Drive) offers a choice of Intelligent or Sport mode to enhance your driving experience.

1. Towing capacity is subject to regulatory requirements, and vehicle & equipment design limitations. Towing requires fitment of optional tow bar accessory. If the towing mass is greater than 2,000kgs, or the trailer has electric brakes, an Electronic Brake Controller must be fitted to the car and is only suitable for towing a trailer with a maximum of 2 axles. Refer to Owner's Manual for towing instructions. Ask your local Subaru Retailer for more information on Subaru towing capacity and Genuine Subaru towing accessories. 2. Ground clearance at kerb weight.

Subaru Forester AWD Hybrid Touring.

Designed to inspire adventure

Blending head-turning design with its signature rugged personality, the Subaru Forester is a true expression of its proven capability.

Staying true to its roots, it features a bold grille, striking headlight design, geometric trim accents and muscular contours while still delivering the outstanding driver visibility Subaru Forester is known for. Slimline pillars and expansive windows offer a commanding, panoramic view that keeps you connected to your surroundings. Intelligent cornering lamps enhance visibility when turning, helping deliver a safer, more confident driving experience, so you can own the road and conquer the wild.

Subaru Forester AWD Hybrid Sport. Optional premium paint shown.

Safety that gives you peace of mind

Clever features simply make life better. So shift your adventures up a gear, take the scenic route and create memorable family moments.

Subaru Forester makes hitting the road effortless and safer than ever, with EyeSight® Driver Assist now featuring the Emergency Driving Stop System (EDSS)[1]. When Lane Centring is engaged this feature activates automatically and can bring the vehicle to a controlled stop and alert other road users should you become unresponsive while driving.

Also helping you stay on track is Adaptive Cruise Control and the advanced Driver Monitoring System - Driver Focus (DMS)[2] with facial recognition, that supports the driver with attention distraction alerts.

The family friendly Subaru Forester includes Isofix child restraint anchor points and a convenient powered tailgate[3] on selected variants, with a foot-activated kick sensor to make loading easier.

Subaru Forester AWD Hybrid Touring. Optional premium paint shown. | 1. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details. 2. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 3. Not available on Subaru Forester AWD and Forester AWD Hybrid.

Keeping everyone connected & entertained

Experience a suite of advanced entertainment and connectivity features designed to elevate every drive.

At the heart of it all is a larger 11.6" touchscreen, giving you easy access to wireless Apple CarPlay® and Android Auto™[1] for seamless connection on the go.

Up front, enjoy the convenience of wireless phone charging[2], while USB-A and USB-C ports are available for both front and rear passengers to keep everyone powered up.

And in selected Hybrid variants, a 12.3" digital instrument cluster[3] brings essential driving information to life with crisp LCD clarity and precision.

1. Compatible Apple® or Android™ device required. 2. Compatible Qi enabled and compliant device required. 3. Not available on Subaru Forester AWD Hybrid.

Subaru Forester AWD Hybrid Sport.

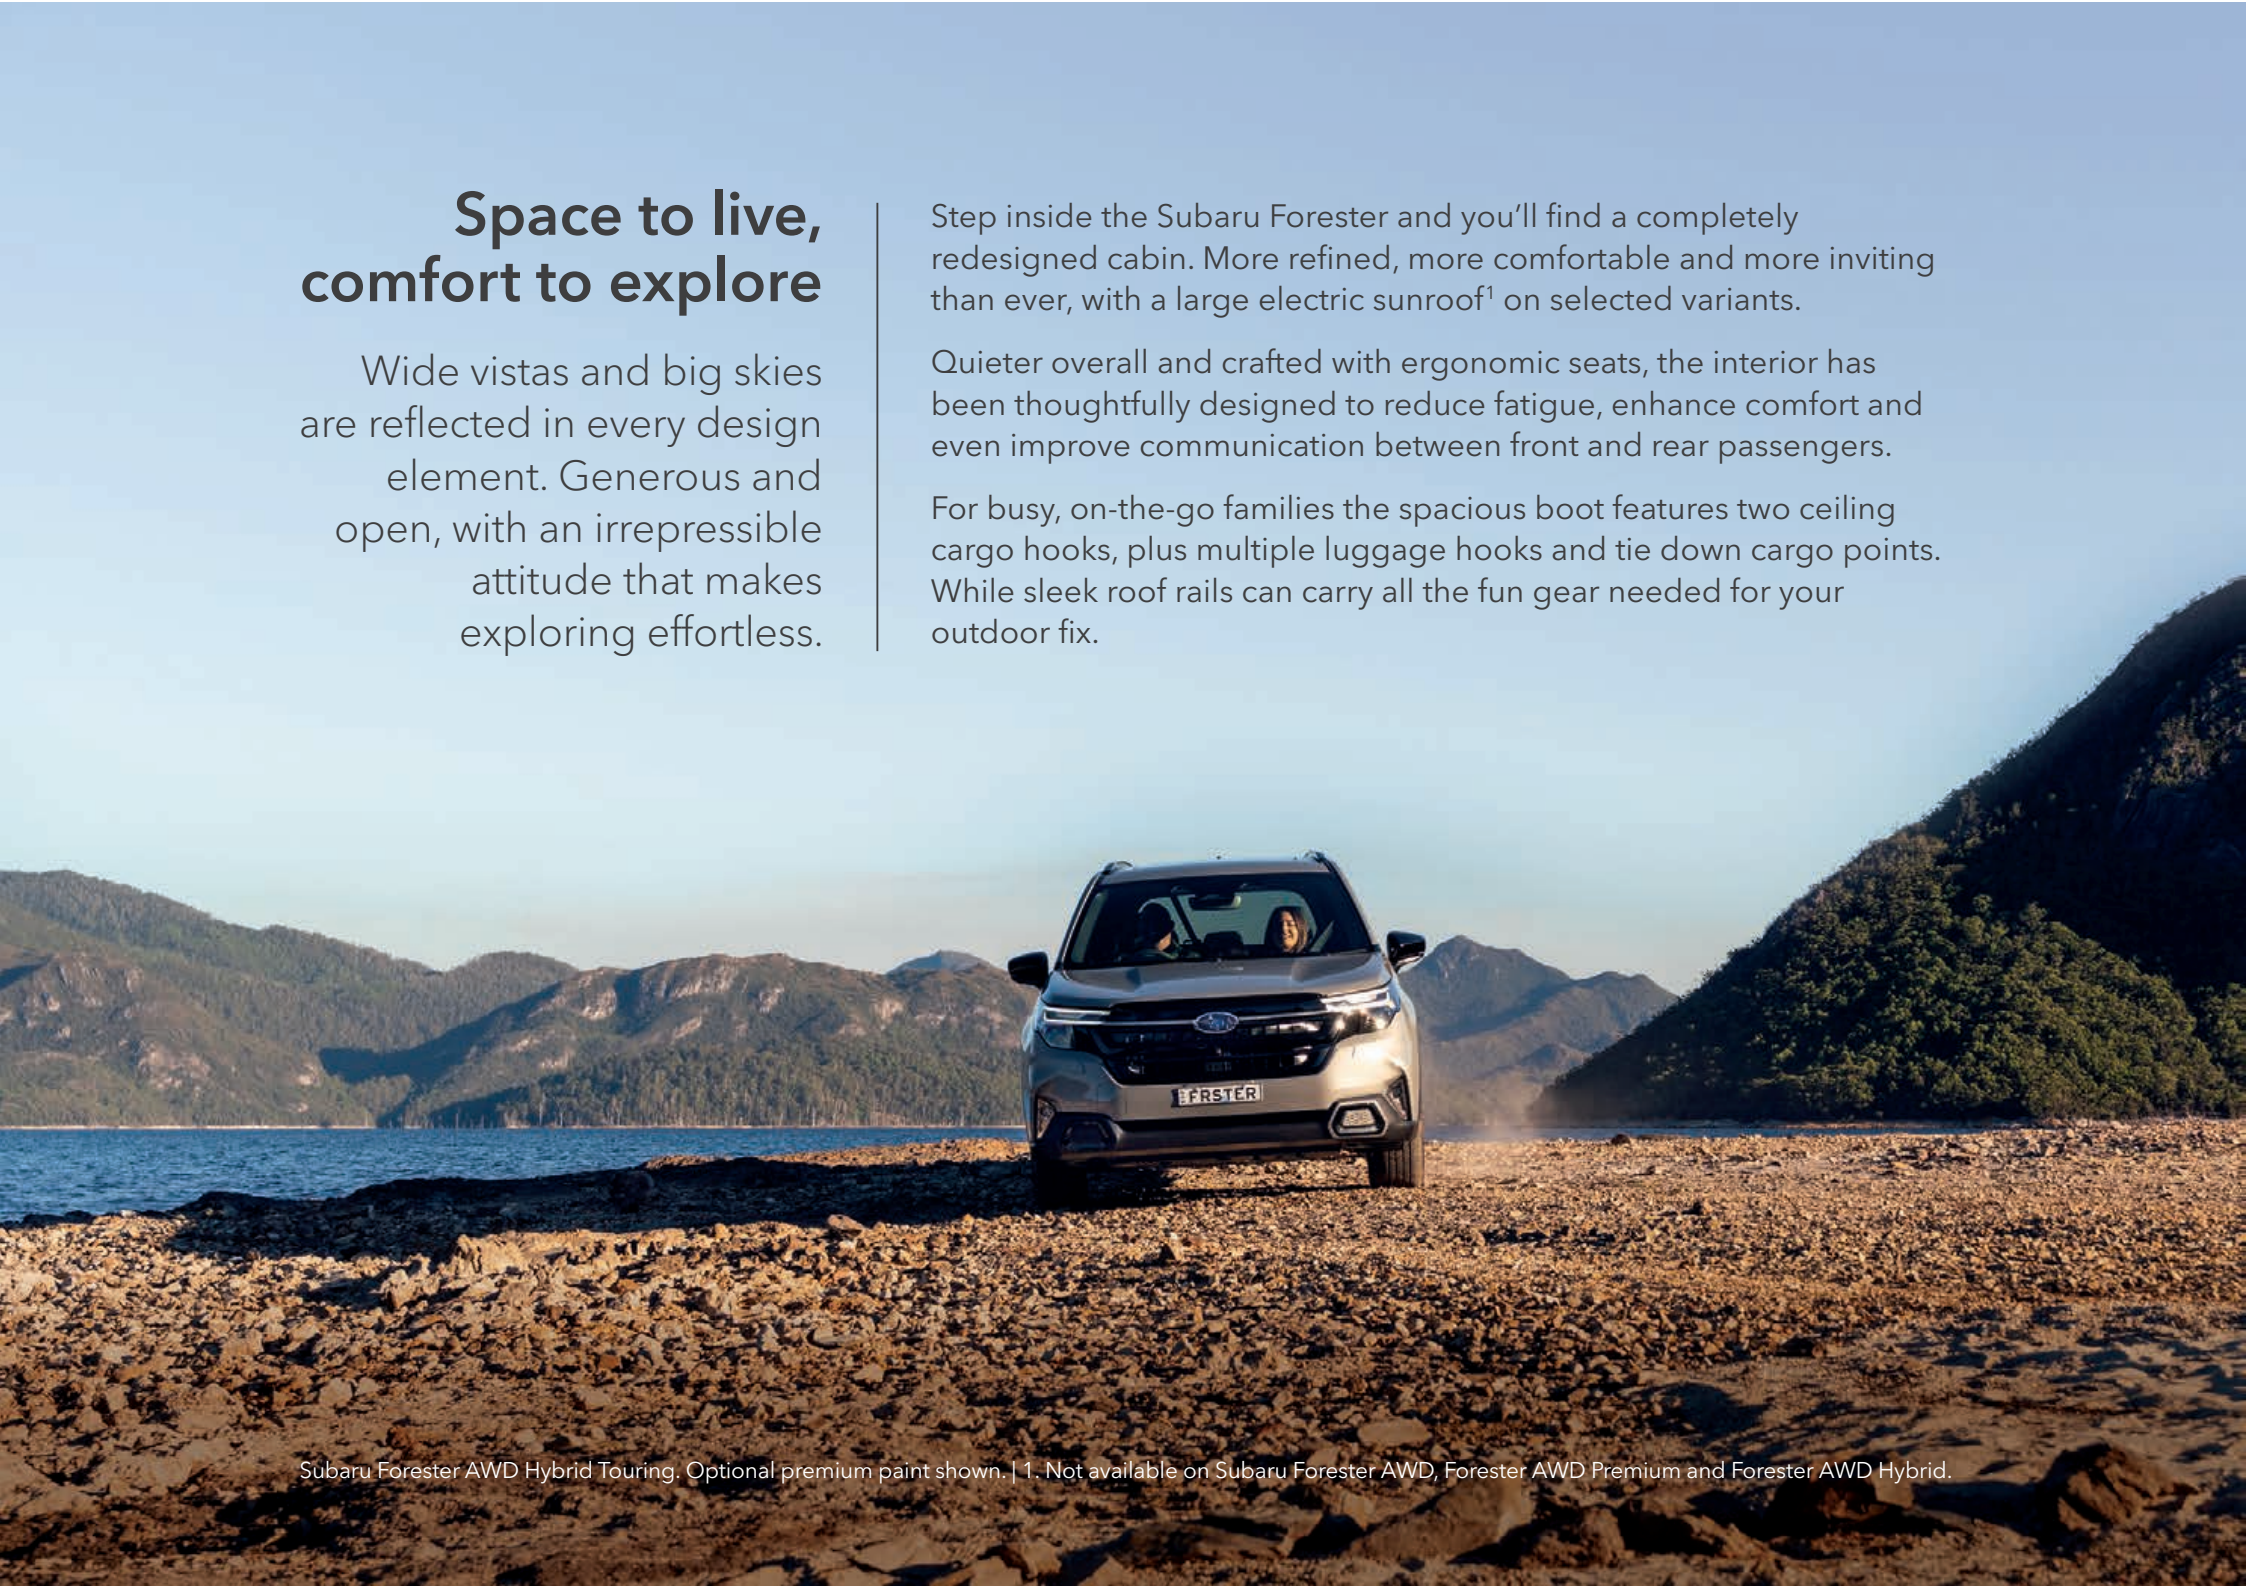

Space to live, comfort to explore

Wide vistas and big skies are reflected in every design element. Generous and open, with an irrepressible attitude that makes exploring effortless.

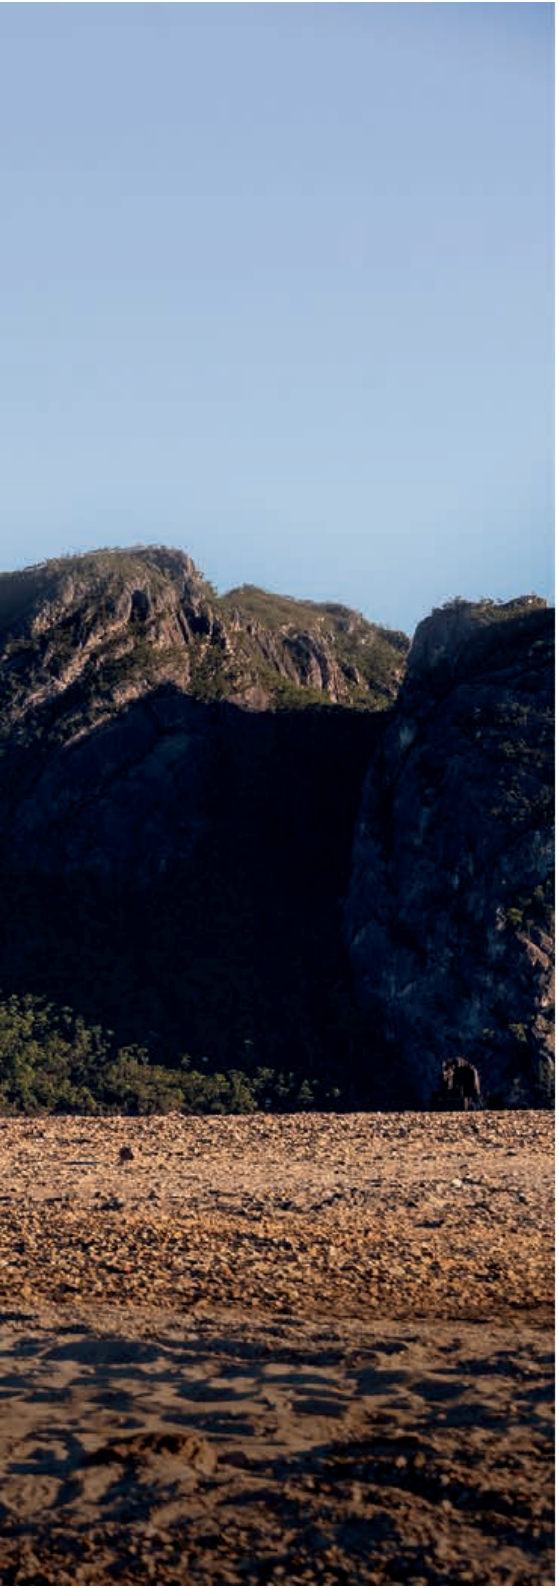

Step inside the Subaru Forester and you'll find a completely redesigned cabin. More refined, more comfortable and more inviting than ever, with a large electric sunroof[1] on selected variants.

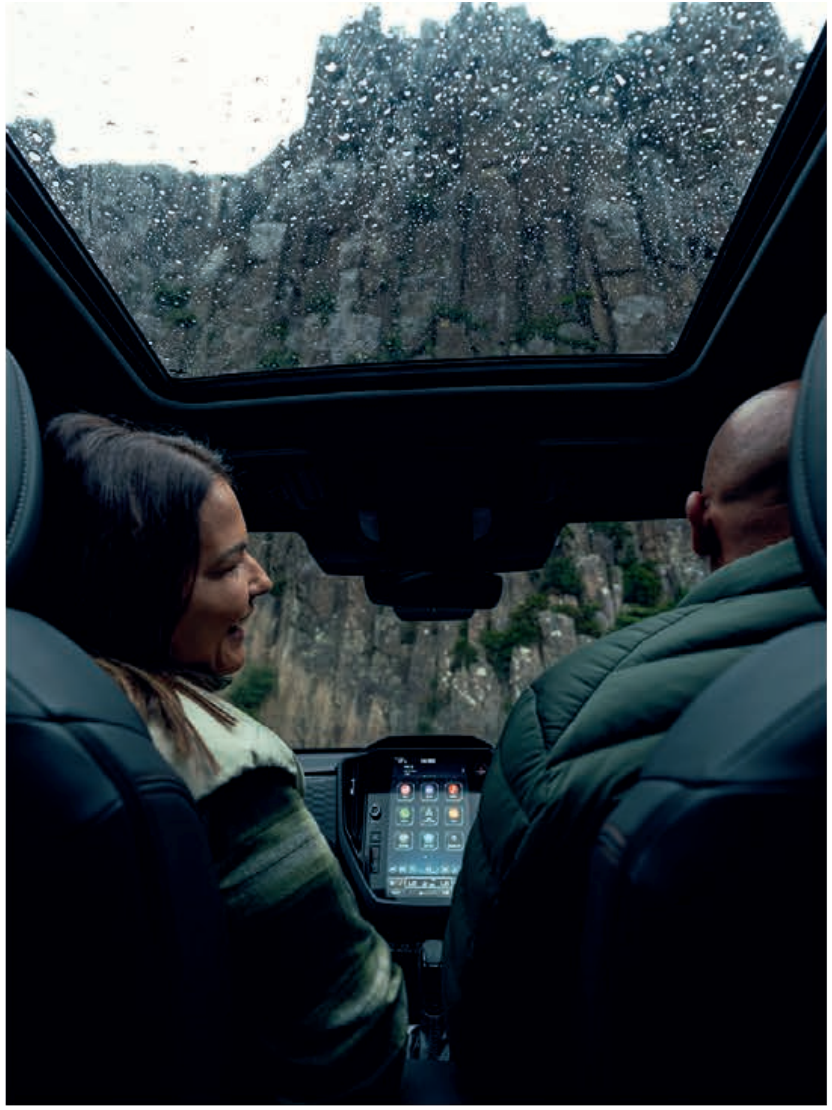

Quieter overall and crafted with ergonomic seats, the interior has been thoughtfully designed to reduce fatigue, enhance comfort and even improve communication between front and rear passengers.

For busy, on-the-go families the spacious boot features two ceiling cargo hooks, plus multiple luggage hooks and tie down cargo points. While sleek roof rails can carry all the fun gear needed for your outdoor fix.

Subaru Forester AWD Hybrid Touring. Optional premium paint shown. | 1. Not available on Subaru Forester AWD, Forester AWD Premium and Forester AWD Hybrid.

All conquering cabin comfort

With its re-imagined cabin design, Subaru Forester infuses next-level SUV comfort and luxury into every element. All-climate cabin comfort extends to heated driver and front passenger seats, while Subaru Forester AWD Touring and Forester AWD Hybrid Touring add the cooling effect of ventilated driver and front passenger seats.

Subaru Forester AWD Touring

OUTSTANDING CONNECTIVITY

Dial up all the info you need directly from your smartphone with wireless Apple CarPlay® and Android Auto™ connectivity[1].

Subaru Forester AWD Hybrid Sport

USB PORTS FOR ALL

Plug in to charge and play, with two USB ports integrated into the front centre console, plus USB A and USB C ports for rear passengers.

Subaru Forester AWD Hybrid Touring

HEATED FRONT SEATS

Sink into the luxury of heated front seats across the Subaru Forester range and stylish leather and Ultrasuede® accented seat trim[2] on selected variants.

Subaru Forester AWD Touring

8-WAY POWER DRIVER'S SEAT[3]

Program in your perfect position with 8-way power front passenger seat and 8-way power driver seat with dual memory on selected variants[3].

1. Compatible Apple® or Android™ device required. 2. Leather and Ultrasuede® accented seat trim available on Subaru Forester AWD Touring and Forester AWD Hybrid Touring. 3. Not available on Subaru Forester AWD and Subaru Forester AWD Hybrid.

Dual power dynamics

Latest generation strong Hybrid power.

Subaru Strong Hybrid Technology

OVER 1000km

Over 1000km Range[1]

With the optimised power of a strong Hybrid system, the Subaru Forester is conquering performance milestones. The transformative and powerful 2.5-litre e-Boxer engine is combined with all-terrain capability of Subaru's legendary Symmetrical All-Wheel Drive for an exhilarating drive.

Press the accelerator and feel the enhanced low-speed acceleration and exuberant torque. The brilliantly capable, strong Hybrid technology combines dual petrol and electric power to unleash impressive driving efficiency, lower fuel consumption and a range of over 1,000km per tank[1]. Plus Motor Assist automatically combines power sources under certain conditions, for a dynamic performance.

Choose from three Hybrid variants; Subaru Forester AWD Hybrid, Subaru Forester AWD Hybrid Sport which adds an electric sunroof, 10 Harman Kardon®[2] speakers, subwoofer and amplifier and 19" alloy wheels or the Subaru Forester AWD Hybrid Touring which is further enhanced with leather and Ultrasuede® accented seat trim and gloss finished dark metallic 19" alloy wheels.

Subaru Forester AWD Hybrid Sport. Optional premium paint shown - main and top insert images | 1. 2026 Subaru Forester Hybrid's range of over 1000km is based on a theoretical value calculated by multiplying the fuel consumption rate under the test conditions specified in Australian Design Rules (ADR) 81/02 by the fuel tank capacity. FORSTR

The heart and soul of Subaru Forester owes its vitality to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Forester's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution Subaru Forester boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru Forester, learn more about the advanced engineering at **www.subaru.com.au/safety-active**

Subaru Forester AWD Touring.
Optional premium paint shown.

Driving confidence

Discover places just waiting to be explored, with Subaru Forester's legendary Symmetrical All-Wheel Drive and the enhanced Subaru X-Mode system that also activates when reversing to ensure optimal control in all situations.

X-Mode is an intelligent electronic system that constantly monitors the traction available to each wheel and centralises the control of key components including the engine, transmission, drivetrain and brakes to help manage slippery conditions. Activated at the push of a button, X-Mode is standard across the range to enhance off-road driving by adjusting traction in response to the conditions.

In Subaru Forester AWD Sport, Forester AWD Touring, Forester AWD Hybrid, Forester AWD Hybrid Sport and Forester AWD Hybrid Touring you can choose from two X-Mode settings, to dial up the right amount of traction to suit the driving conditions - from loose gravel to deep snow.

Learn more about the unique features of X-Mode at **www.subaru.com.au/forester**

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero
fatal road accidents by 2030[1]

Towards zero fatal road accidents by 2030[1]

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030[1]. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru Forester aims to provide inherent safety and peace-of-mind, to help you make the most of every moment.

Road user safety is expressed in the design of countless Subaru innovations **www.subaru.com.au/safety**

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit **www.subaru.co.jp/en/outline/about/zeroaccident/**.

Subaru Forester takes advanced safety technology to the next-level with the latest generation EyeSight® Driver Assist, including the Emergency Driving Stop System (EDSS)[1].

EyeSight® Driver Assist

Safety that actively protects you

Making every journey safer, this world-renowned preventative safety system operates like an ever-attentive second pair of eyes. Subaru EyeSight® Driver Assist supports the driver through warnings, plus braking and steering intervention, to help reduce driver burden, prevent accidents and save lives.

Subaru Forester now features the Emergency Driving Stop System (EDSS)[1], which is active when Lane Centring is engaged. Should you become unresponsive while driving, this intelligent feature activates automatically and can bring the vehicle to a controlled stop, while alerting other road users around you.

Other EyeSight® Driver Assist features include a Wide Angle Monocular Camera offering a broader field of view, Traffic Sign Recognition and Intelligent Speed Limiter.

You'll look at safety with new eyes when you learn more about Subaru's advancements at **www.subaru.com.au/safety-preventative**

1. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details.

Subaru's Vision Assist, paired with the forward looking features of EyeSight®, enhances driver awareness by detecting vehicles and obstacles that may be hidden from view.

This intelligent preventative safety system uses advanced cameras, monitors and radar technology to give you greater confidence on every drive.

Vision Assist | EyeSight® Driver Assist

Reverse Automatic Braking shown.

All knowing, all seeing

Subaru's Vision Assist can give drivers a greater awareness of the world around them. Using EyeSight® Assist Monitor, lights are projected onto the lower windscreen to alert the driver when the various safety functions are engaged. The Blind Spot Monitor feature uses rear sensors to make lane changes safer, while Lane Change Assist can detect fast approaching vehicles from behind in the adjacent traffic lane and warn the driver. Rear Cross Traffic Alert can alert the driver if another car is approaching when reversing out of a parking space. Plus if an obstacle is detected behind the vehicle while reversing, Reverse Automatic Braking can apply braking if the driver doesn't react first.

Subaru's Vision Assist also introduces a 360 Degree View Monitor, enhancing visibility and precision when parking or navigating tricky situations. Front View Monitor uses a grille mounted camera to capture images of the area in front of the vehicle to help avoid parking damage. Side View Monitor uses cameras mounted on both the passenger and driver's side mirrors to project images on the screen, showing the distance between the vehicle and the kerb or a parked vehicle. While on the road, Adaptive Driving Beam automatically adjusts the headlight beam to prevent dazzling other detected nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at **www.subaru.com.au/safety-preventative**

Start a journey of discovery

Own the road.
Conquer the
WILD®
Subaru Forester AWD Hybrid Sport. Optional premium paint shown.

Subaru tackles driver distraction and fatigue with Subaru's ingenious Driver Monitoring System – Driver Focus (DMS)[1] standard across the range. This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System[1]

Always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why Driver Monitoring System – Driver Focus (DMS)[1] has been developed to offer another layer of safety, coupled with personalised driver convenience.

Featuring advanced technology, the Subaru Forester's DMS[1] uses near-infrared LEDs and a camera to recognise when the driver's attention is waning or if they start to fall asleep. An alert can then warn the driver, reminding them to refocus on the road ahead.

The system's intelligent facial recognition can also identify up to five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control and Multi-Information Display (MID) screen. In selected variants the system automatically adjusts the driver's seat and door mirror position.[2]

Learn how the DMS watches out for signs of driver distraction at **www.subaru.com.au/safety-preventative**

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 2. Not available on Subaru Forester AWD and Forester AWD Hybrid.

Subaru Forester AWD Touring.

Designated crumple zones direct impact energy away from the passenger cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

For illustration purposes only.

Peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero fatal road accidents in a Subaru vehicle by the year 2030[1] represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the 5 star ANCAP[2] safety rated Subaru Forester.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru Forester's carefully engineered body structure and Subaru Global Platform (SGP), including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of nine SRS[3] airbags in Subaru Forester can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru Forester gives you peace of mind protection at **www.subaru.com.au/safety**

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit **www.subaru.co.jp/en/outline/about/zeroaccident/.** 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Forester tested in 2024. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

1. Not all colour options are available on all models. Note: Paint colours are representative only and subject to variation due to the printing process or screen settings.

Water sport lovers will appreciate the water repellent[1] seat trim in Subaru Forester AWD Sport and Hybrid Sport. Other variants include luxurious and sophisticated leather accented seat trim in black or brown & black, or stylish cloth in classic black or contemporary grey & platinum.

	MY26 PETROL				MY27 HYBRID		
SEAT TRIM	**MY26 Forester AWD**	**MY26 Forester AWD Premium**	**MY26 Forester AWD Sport**	**MY26 Forester AWD Touring**	**MY27 Forester AWD Hybrid**	**MY27 Forester AWD Hybrid Sport**	**MY27 Forester AWD Hybrid Touring**
A - Cloth – black	•	•			•		
B - Cloth – grey & platinum	•	•			•		
C - Water Repellent[1] – Petrol Sport			•				
D - Water Repellent[1] – Hybrid Sport						•	
E - Leather accented and Ultrasuede® – black				•			•
F - Leather accented and Ultrasuede® – brown & black				•			•

1. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics.

The Subaru Forester range at a glance

Subaru Forester has an appeal as open as the adventures it inspires. See the pages that follow for a full list of specifications and standard features or visit **www.subaru.com.au/forester**

Standard across the petrol range

+ Symmetrical All-Wheel Drive
+ 5 star ANCAP[1] safety rating (maximum 5)
+ 2.5-litre Boxer 4-cylinder, petrol engine
+ Lineartronic® CVT with 8 speed manual mode
+ X-Mode
+ 220mm ground clearance[2]
+ 1,800kg towing[3] capacity with trailer brakes
+ Smart entry push button start
+ Driver Monitoring System (DMS)[4]
+ Integrated infotainment system featuring:
  – 11.6" touchscreen with wireless Apple CarPlay® and Android Auto™ connectivity[5]
+ Wireless Qi charging[6]

MY26 SUBARU FORESTER AWD

+ LED headlights with SRH, ADB, LED DRL and LED cornering lamps
+ Ladder style roof rails

+ Leather steering wheel
+ Heated seats - driver and front passenger
+ Seat trim – cloth
+ 18" alloy wheels

MY26 SUBARU FORESTER AWD PREMIUM

+ Driver Monitoring System (DMS)[3] featuring:
  – Auto door mirror adjustment and auto driver's seat adjustment
+ Satellite navigation

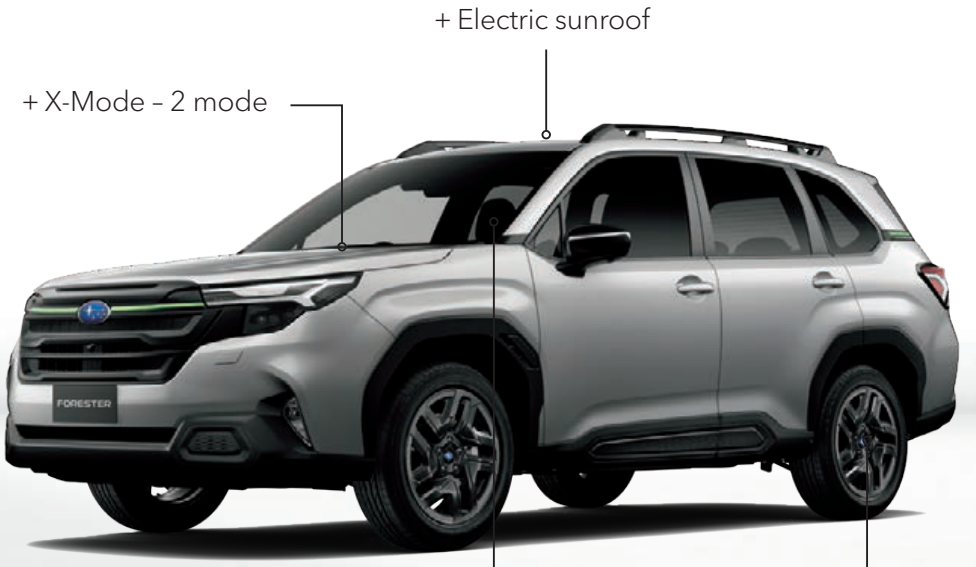

+ 8-way powered front seats with driver electric lumbar support
+ Powered rear tailgate with kick sensor

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Forester tested in 2024. 2. Ground clearance at kerb weight. 3. Towing capacity is subject to regulatory requirements and vehicle and equipment design limitations. Towing requires fitment of optional tow bar accessory. If the towing mass is greater than 2,000kgs, or the trailer has electric brakes, an Electronic Brake Controller must be fitted to the car and is only suitable for towing a trailer with a maximum of 2 axles. Refer to Owner's Manual for towing instructions. Ask your local Subaru Retailer for more information on Subaru towing capacity and Genuine Subaru towing accessories. 4. Driver Monitoring System – Driver Focus performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 5. Compatible Apple® or Android™ device required. 6. Compatible Qi enabled and compliant device required.

Standard across the petrol range

+ Digital radio[7] (DAB+)
+ Siri®[8] compatibility
+ *Bluetooth*®[9] wireless technology
+ Rear seat – USB-A and USB-C charging
+ One touch lane change indicator
+ Auto dimming rear view mirror
+ Tyre Pressure Monitoring System
+ Subaru's Vision Assist featuring:
  – Panoramic 360 Degree View Monitor
  – Front Side Radar
  – Reverse Automatic Braking (RAB)
+ Subaru Intelligent Drive (SI-Drive) – 2 mode
+ Subaru EyeSight® with wide angle monocular camera, featuring:
  – Emergency Driving Stop System (EDSS)[10]
  – Adaptive Cruise Control
+ Driver and passenger front seat heater
+ Air-conditioning - dual zone climate control with rear vents
+ LED headlights with SRH, ADB, LED DRL and LED cornering lamps
+ 9 SRS[11] airbags – dual front, dual front side, dual curtain, driver's knee, far side and front passenger seat cushion

MY26 SUBARU FORESTER AWD SPORT

MY26 SUBARU FORESTER AWD TOURING

7. Digital radio reception not available in all areas. 8. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system. 9. *Bluetooth*® is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the *Bluetooth*® wireless technology specification of individual device. 10. Emergency Driving Stop System (EDSS) operates only when Lane Centering Function is operating. Refer to Owner's Manual for full details. 11. SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts. 12. Harman Kardon® is a registered trademark of HARMAN International Industries, Incorporated. 13. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Water repellent trim repels water so that the material is not easily penetrated by small amounts of water. Trim is not 100% waterproof. Intermittent cleaning may be required to maintain water repellent characteristics.

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. *Bluetooth*® is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the *Bluetooth*® wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Harman Kardon® is a registered trademark of HARMAN International Industries, Incorporated. 5. Compatible Apple® or Android™ device required. 6. Digital radio reception not available in all areas. 7. Compatible Qi enabled and compliant device required. 8. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit **www.subaru.com.au/owners/warranty**. 9. Every eligible Model Year 2026 onward Subaru Forester comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit **www.subaru.com.au/service/pricing/capped-price-servicing**. 10. The Subaru New Vehicle Warranty period on high voltage batteries for Subaru Hybrid vehicles is 8 years/160,000 km, whichever comes first. 11. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit **www.subaru.com.au/roadside-assistance-program**.

Welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES[1]

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit **www.subaru.com.au/owners/warranty** or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING[2]

With our 5 Year/75,000 Km Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: **www.subaru.com.au/service/pricing/capped-price-servicing**

1 MONTH HEALTH CHECK AND CHAT

The 1 Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES[3]

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit **www.subaru.com.au/owners/warranty**. 2. Every eligible Model Year 2026 onward Subaru Forester comes with Subaru's 5 Year/75,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit **www.subaru.com.au/service/pricing/capped-price-servicing**. 3. Subaru's Map Update Program is available on 2026 Subaru Forester variants purchased with the factory line fit Gen4 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit **www.subaru.com.au/servicing/subaru-map-update-program**.

SUBARU ROADSIDE ASSISTANCE[1]

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK[2]

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Forester accessories visit **www.subaru.com.au/forester/accessories**. For more information on Genuine Subaru Accessories, visit **www.subaru.com.au/accessories-information**.

SUBARU INSURANCE[3]

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 152-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/15,000km service intervals and 5 Year/Unlimited Km Warranty[4]. Affordable ownership gives you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES[5]

When you fall in love and know it's the one, you don't want to wait. So why should you?

Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit **www.subaru.com.au/roadside-assistance-program**. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit **www.subaru.com.au/retailers** to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit **www.subaru.com.au/owners/warranty**. 5. Finance to approved applicants only. Credit criteria, fees, charges and T&Cs apply. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
