Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million ute and pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years.
We attribute our success to passion, drive and a commitment to listening to our customers.

Tough never looked so good.

Tick off the to-do list in the GWM Cannon, with more style inside and more power out.

Don’t be fooled by its rugged exterior, the GWM Cannon is a smooth and sophisticated driving experience. Locally-tuned, independent front suspension, paired with heavy duty rear leaf suspension creates outstanding load-carrying in any terrain.

Discover the thrill of driving in the refined, European designed cabin, with plenty of legroom and all the features you need. Depending on the model, the driver and passengers can also feel the benefit of heated power-adjustable seats*, a clever 360 degree camera* and a 10.25 inch digital instrument cluster^.

^2.4L & PHEV Variants only
+2.4L Turbo Diesel variant only

There's no task too tough for Hi4-T power.

Built for those with a Can Do attitude, the Cannon Plug-in Hybrid combines an advanced 2.0-litre turbocharged petrol engine with GWM's innovative Hi4-T plug-in hybrid system to deliver an outstanding 310kW of combined power and 750Nm of combined torque. From the worksite to the weekend and everywhere in between, it has the strength, confidence and versatility to take on whatever comes next.

With instant electric torque, effortless acceleration and intelligent hybrid performance, the Cannon Plug-in Hybrid is ready to tow, carry and conquer with ease. Whether you're hauling a trailer, loading up for the job or escaping off the beaten track, it delivers powerful performance without compromising refinement or efficiency.

When the road ends, the Can Do spirit continues. An advanced intelligent 4WD system, complete with 4WD Low Range, a rear differential lock* and selectable drive modes, gives you the confidence to tackle challenging terrain. Paired with the instant response of its electric motors, the Cannon Plug-in Hybrid delivers exceptional traction, control and capability—so you can take on more, go further and do it all with confidence.

Whatever the challenge. Wherever the destination. The Cannon Plug-in Hybrid is built to help you Can Do more.

*Plug-in Hybrid and 2.4L Diesel variants only

Choose between the 2.4L Turbo Diesel* or the advanced 2.0-litre turbocharged petrol with GWM's Hi4-T PHEV, delivering 310kW and 750Nm.

*Only available on Lux Diesel variant or above.

*Model shown is a Cannon PHEV

More tech? Yep, can do.

Staying connected has never been easier with Apple CarPlay® and Android Auto™ standard across the GWM Cannon range and displayed on a crystal clear 12.3 inch colour touchscreen for infotainment on demand.

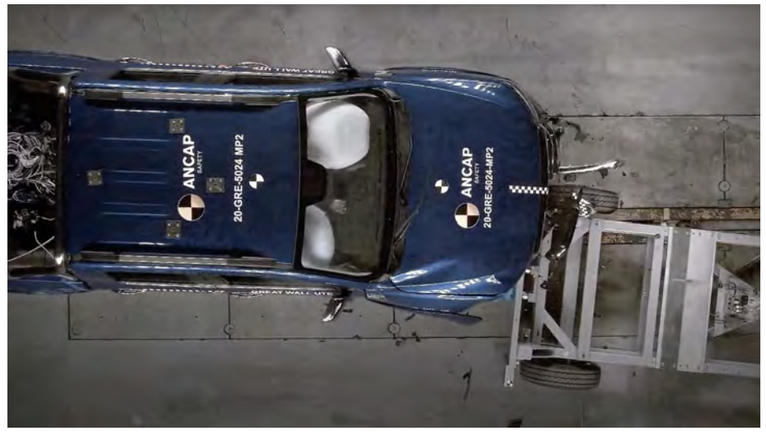

There's also the added benefit of Wireless Charging, a dedicated Dash Cam USB Port*, Keyless Entry and Push button Start. The GWM Cannon truly is one of the most advanced and convenient utes available today.

*Ultra grade and above

Born tough. Built smart.

ANCAP SAFETY
TESTED 2021 ★★★★★

ANCAP Safety test

The GWM Cannon was born to tackle the toughest jobs but it was also built smart with a full suite of comprehensive safety systems designed to protect occupants and other road users.

Having achieved the highest possible 5 star safety rating by ANCAP in 2021*, the GWM Cannon comes with a number of advanced safety features including Autonomous Emergency Braking (AEB), Lane Keep Assist and Adaptive Cruise Control. Whether at work or play, you can be sure that GWM is looking out for you.

*Cannon XSR & Plug-in Hybrid variants not ANCAP rated.

Protection from all angles.

Smart tech, active and passive safety features and front and side monitoring mean worry-free travel.

The Cannon-XSR is made for roads less travelled.

Built, bred and designed like no other, the XSR is a true 4x4 that completely changes the off-road game for good. With a rugged exterior including full underbody protection, snorkel, as well as front and rear steel bumpers, it'll go anywhere you point it. Plus, with a powerful turbo diesel engine, smart off-road tech, and an impressive collection of active and passive safety features, it will get you home comfortably from wherever it was you were.

BEER O'CLOCK HILL CERTIFIED

*Model shown is a Cannon XSR

Job's done in this one.

GWM's tough Cannon Cab Chassis is built to get the job done, with up to 1,150kg of payload*. The durable, versatile aluminium tray features a flat surface, making it ideal for carrying pallets, bulky items and everything in between.

With a rated towing capacity between 3 to 3.5 tonnes^, the Cannon CC is ready to take on the big jobs.

*Single cab only. Up to 995kg payload on the Dual cab.

^Only available on the Cannon Lux Dual Cab.

GWM Genuine Accessories. For the road ahead.

Visit gwmanz.com/models/ute/cannon/accessories

See your GWM Dealer to confirm Genuine Accessories are suitable for your vehicle prior to ordering, as specifications, applicability, availability and fitment requirements may change over time. Consider combined mass of load and accessories to ensure gross vehicle mass limits are not exceeded. Fitment of certain accessories may require recalibration, relocation or removal of standard equipment (which may be retained by GWM Dealer). The displayed image serves as a representation of the actual part and may vary. Contact your GWM dealer for further information.
